PROJECT TOWN CLUB WOMEN COOPERATE WITH SCHOOL AUTHORITIES.

Young People Guests at Pleasant Halloween Party; Many Social Activities During Past Week; Hogs Shipped to Portland.

(Special Correspondence.)
HERMISTON, Ore., Nov. 2.—The annual election of officers of the Civic Club was held at the regular monthly meeting in the club room Friday evening. Mrs. E. P. Dodd was reelected president, and Mrs. F. C. McKenzie reelected treasurer, with Mrs. C. S. McNaught vice president and Mrs. H. T. Fraser as secretary.

Supt. Park made a short address asking for the cooperation of the club ladies in the various enterprises the school is now undertaking. In response several of the ladies offered their services to assist in the domestic science classes.

The manual training class which is under Prof. Parks' supervision, will build the hog pens Thursday for the stock show this week. The other boys of the school will lend their efforts toward helping the ladies clean vacant lots and the sidewalks.

The social committee required most of the afternoon's session with plans for the dance to be given Monday evening and for the teas in the rest rooms during the hog and dairy show. The meeting was the best attended.

Following the refreshments the guests donned sheets and pillow cases and wandered to the residence of Dr. and Mrs. C. O. LONDONER SAYS TEUTONS HINTING FOR PEACE

LONDON, Nov. 1.—Confessing that he had no information which led him to feel certain that current reports regarding peace overtures are true, Lord Sydenham thinks that they are not at all improbable.

"I should say," he says, in an interview in the Pall Mall Gazette, "that the overtures were mainly inspired by the now certain impossibility of German success in the west and the growing difficulties of the misadvised and dangerous advance into Russia. From first to last, the Germans have not won a great military success."

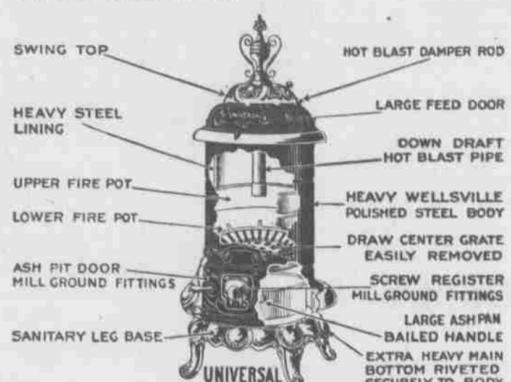

"Without in the least wishing to underestimate the tremendous difficulties that lie before us, and the great efforts which are still essential on the part of the allies, it does not seem unreasonable to suppose that the Germans may consider the time has come to fly kites indicating, at least apparently, their desire for immediate peace, although they may have another motive."

"By this I mean a desire to intimate to neutrals that they have arrived at a reasonable attitude of mind and that the whole responsibility for the further horrors of war must rest with the allies."

BRITISH MAY TRY GERMAN STAFF PLAN

LONDON, Nov. 1.—Simultaneously with the newspaper demands for a smaller cabinet which apparently resulted in Premier Asquith adopting as a compromise the constitution in definite form of an inner war council, there has arisen in various influential quarters an advocacy of a creation of a general staff on the German plan.

The Weekly Nation, in an article on this subject, says it believed the lack of such a body has been responsible for all the grave errors of the war. It points out that the German general staff is placed even above the greater commands in the fighting armies and is, in a word, the brains of the German army.

Indigestion May Be Due to Constipation

NEGLECT OF IMPORTANT FUNCTION MAY SERIOUSLY IMPAIR THE HEALTH.

There are many people who believe they suffer from indigestion when their discomfort is due to a constipated condition.

Bloat, with its attendant mental depression, sick-headache, the belching of sour stomach gases, etc., are frequently due to inaction of the bowels. Relieve the congestion and the trouble usually disappears. The use of cathartics and purgatives should be avoided, however; these check the system unnecessarily and, at best, their effect is but temporary. A mild laxative is far preferable.

The compound of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin and sold in drug stores for fifty cents a bottle, is highly recommended. Mr. Benj. Bassin, 150 Madison St., Gary, Ind., thinks Dr. Caldwell's Syrup Pepsin a wonderful medicine; for four years he had a severe case of indigestion and constipation before trying Dr. Caldwell's Syrup Pepsin, which he is glad to recommend to all who suffer with stomach and bowel trouble.

A bottle of Dr. Caldwell's Syrup Pepsin should be in every home for use when occasion arises. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 254 Washington St., Monticello, Ill.

A GREAT KIDNEY REMEDY ACCORDING TO THOUSANDS OF REPORTS

My wife has been suffering with kidney and bladder trouble in a bad form since she was nine years of age. She was in such a condition that she was confined to her bed and several doctors here treated her but to no effect. About nine months ago she began to take Dr. Kilmer's Swamp-Root and began to improve immediately. She is practically well now and is able to do all of her work. At the time she was sick she suffered greatly and it looked as if she would die, but thanks to your valuable remedy, she is now a new woman. I can recommend Dr. Kilmer's Swamp-Root as the best kidney and bladder remedy on earth and if you desire you may publish this letter in the hope that it may enable other sufferers to get relief.

Yours very truly,
G. T. CURRY,
R. F. D. 2, Box 29, Hubbard, Texas.
Subscribed and sworn to before me this 5th day of April, 1912.

Bulgars Protest Attack

AMSTERDAM, Nov. 1.—German newspapers print the text of a note sent by Premier Radostavoff of Bulgaria to Bulgarian ministers abroad protesting against the bombardment of what he styles the "sea towns" of Dedeagatch and Porto Ligon, where he declares "considerable damage" was inflicted.

The fire of the allied fleet has not been answered, as these open places possess no means of resistance, he said.
