LA GRANDE HIGH IS WINNER IN GRIDIRON CONTEST WITH W. W.

WINS BY SCORE OF 34 TO 13—BAKER HIGH DEFEATS BOISE SQUAD.

LA GRANDE, Nov. 6.—Walla Walla high felt the sting of defeat in La Grande yesterday when the 143-pound Reynolds protegee ran away from the heavy Walla Wallans, 24 to 13. Too much speed won the game. Walla Walla couldn't keep up with the pace. La Grande scored early by a scramble of overhead attacks and line plunging in which "Pat" McGinnis, out of the game with broken ribs for two weeks, was the scintillating star. Walla Walla put a ball over by straight football once and in the last few minutes of play Hooper intercepted a forward pass and ran 40 yards for Walla Walla's second touchdown.
 McGinnis, Huff, Rosenbaum, Conkey and McDonald took turns at carrying the ball around and through the Walla Wallans, outjumping, charging and running the heavy visitors. Rich, Robinson and Winans were Walla Walla's best men.
 "On to Baker and Wallawa," is now the cry in La Grande.

BAKER HIGH DEFEATS BOISE.

Eastern Oregon Leads Score 25 Points Over Idaho Opponents.

BAKER, Ore., Nov. 6.—Baker high school eleven decisively defeated Boise high school by a score of 25 to 6, before a large crowd yesterday afternoon. Both teams were badly crippled by lack of some of their best men. Boise showed weakness from the start and Baker made its first tally a few minutes after the opening whistle by end runs by Keown, Fleetwood and Fosbury, line plunges by Whipple and a goal from field by Fleetwood.
 Exactly the same plays were duplicated in the second quarter. Keown's 25-yard run, his and Whipple's drives through tackle, gave Baker its tally in the third quarter. In the fourth quarter Keown cummed the ball around left end from the three yard line and soon afterward Romingh's 25-yard run and Fleetwood's goal from the 15-yard line made the scores. Fleetwood kicked five goals out of five chances. Schuyler and Stanton put up the features for the visitors.

Rev. Ernest Smith, pastor of St. Thomas Episcopal church in Washington, which Mrs. Norman Galt attends, will likely perform the ceremony of marriage for her and President Wilson, so far no definite statement has come from the White House, but Washington society and those who think they know the President's plans expect such an announcement. Mrs. Galt has long attended the church, which is one of the most fashionable in the capital. Since the announcement of her engagement she has not been seen there so often.

MOTHER! YOUR CHILD IS CROSS, FEVERISH, FROM CONSTIPATION

IF TONGUE IS COATED, BREATH BAD, STOMACH SOUR, CLEAN LIVER AND BOWELS.

Give "California Syrup of Figs" at once—a teaspoonful today often saves a sick child tomorrow. If your little one is out of sorts, half-sick, isn't resting, eating and acting naturally—look, Mother, see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food, and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.
 Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.
 Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."

Men cannot understand women's sufferings. What we women know from experience, we know better than any man. I want to tell you how to cure yourself at home at a cost of about 12 cents a week.
 If you suffer from women's peculiar ailments—aching pains in the head, back, or bowels, feeling of weight and dragging-down sensation, fainting or displacement of pelvic organs, causing kidney and bladder weakness or constipation, and piles, painful or irregular periods, catarrhal conditions and discharges, extreme nervousness, depressed spirits, melancholy, desire to cry, fear of something evil about to happen, creeping feeling along the spine, palpitations, hot flashes, weariness, sallow complexion with dark circles under the eyes, pain in the left breast, or a general feeling that life is not worth living.

I INVITE YOU TO SEND TODAY FOR MY FREE TEN DAYS' TREATMENT and learn how these ailments can be easily and surely conquered at home without the dangers and expense of an operation. When you are cured, and able to enjoy life again, you can pass the good word along to some other sufferer. My home treatment is for young or old. If health is worth asking for, then accept my generous offer and write for the free treatment, including my illustrated booklet, "Woman's Own Medical Adviser." I will send all in plain wrappers post-paid. To save time, you can cut out this offer, mark your feelings, and return to me. Send today, as you may not see this offer again. Address: MRS. M. FIGHTING CONTINUES BETWEEN FORCES IN BALKANS SINCE WEDNESDAY.

PARIS, Nov. 5.—Fighting between the French and the Bulgarians north of Eubrovo has been proceeding since Wednesday. It was officially announced. Near Grivokak the Bulgars have entrenched along the Nish-Salonic railway within 200 yards of the French. Northwest of Grivokak the French captured important bridges. The statement added that fierce attacks have been repulsed in the Oso, Ales and Lacostine regions on the western front.

BERLIN, Nov. 5.—The French have been completely defeated by the Bulgarians northeast of Prilep, it was reported. Part of the French were routed and the others captured.

WITNESS FAVORS ADMIRAL.

Sufficient Aid Not Given in Inspecting Warships, Is View.

BOSTON, Nov. 6.—Rear Admiral Wilson N. Little, retired, charged with neglect and careless methods in superintending the construction of submarine K-2, did not have sufficient help in his inspection work at the Fore River shipbuilding plant according to Lieutenant Warren C. Child, who testified before the court martial as a witness for the defense.

It was impossible, he said, for Admiral Little, even with seven assistants, to inspect every piece of metal that went into the construction of a battleship, two destroyers and three submarines, which were under his charge. Lieutenant Child had previously testified for the prosecution.
