TRY THIS ON YOUR PIANO--JAPS WILL SING IT

This is the official Japanese coronation song and it is now being taught to thousands of Japanese school children who will sing it during the coronation ceremonies which begin on Nov. 4 and continue for twenty days. It was selected by the board of education of Japan out of more than 2,000 songs submitted and was awarded first prize. The Japanese words and a free translation follow:

Record swine run in Portland yards but prices are off. (Courtesy Monday's Journal.) PORTLAND, Ore.—It was another record breaking run of swine in the North Portland yards over night and prices again were inclined to dip badly.

Early in the trading the market indicated a loss of at least 10c in the price with some inclined to believe the loss would amount to 25c on the bulk of the stuff.

Fractionally reduced prices were shown for swine in the eastern market this morning, the entire country being in a weak condition.

General hog market: Best light 16.25@16.40, Medium light 5.10@6.29, Good to heavy 8.00@8.05, Rough to heavy 5.00@5.59

Cattle Market at \$7.00. Market for cattle showed a steady feeling generally at North Portland when the week's trade opened.

Early in the trading it was apparent that real good quality would find a welcome among buyers and a sale of a fair bunch of steers was made at 47. Poor stuff sold fully as low as last week.

Cattle market was weak to lower at points in the east this morning. General cattle market range: Best hay fed steers 48.75@7.90, Good to choice 6.25@6.60, Ordinary to fair 5.00@5.60

Mutton Market Nominal. There was only a penful of mutton reported in the North Portland yards over Sunday, totals being but 411 head.

General mutton and lamb market is holding firm with prices fully maintained. In the eastern trade this morning the mutton and lamb market was considered generally steady.

General mutton and lamb prices: Select interior lambs 47.25@7.35, Ordinary interior lambs 6.50@7.00, Willamette valley lambs 6.00@7.00, Select yearlings 8.25, Select ewes, light 5.25@6.60

Buckaroos Win in Bowling Game From Forty-Niners Here

In the third of the bowling tournament matches last evening, the Buckaroos won a hard fought contest with the Forty Niners, beating them out in the third game. The total score was 2579 to 2507. The Bucks won the first game by the narrow margin of six pins and lost the second by a larger margin. In the third, however, they beat the Forty Niners almost 200 pins.

Krebs was the bright particular star of the match, scoring 860 pins, the best score made this year. Captain Myers of the Bucks also rolled a strong game. Book was high man for the defeated team. The following are the scores:

Table with 3 columns: Name, Pins, Total. Rows include Forty Niners (Hansvan, Engler, Mitchell, Randolph, Book) and Buckaroos (Eggers, Hudeman, Myers, Breeding, Krebs).

This evening a match game will be rolled by the "Linemen" and the "High Five" teams. Neither are in the tournament but there is keen rivalry between them.

Standardizing The Kitchen

It used to be—"the bigger the kitchen the better."

Now it is—"how small and compact we can make it—how can we save steps."

Efficiency is entering the home—entreing to stay.

Nowdays, the kitchen is always full of standard labor saving devices.

These are expensive, practical, helpful. The woman who is not posted about such things is out of date and is doing unnecessary work.

Los Angeles, but with their dander up the Oregon team came back and cleaned up by a score of 34 to 0 in the second half. Neither goal was in danger in the first half.

Just what was said in the confidential talk that Coach Bezdak, Trainer Hayward and ex-Captain Bill Main had with the Oregon team in the recess between halves is not known, but it was a reenergized team that lined up against Coach Glaze's men in the second half.

Monteth, playing quarter and then right half, was the one gleaming star of the Oregon team during the first half, making one 20 yard run and many good plunges. In the second half the whole team, stepping into Monteth's class, tore down the field in terrific line plunges, and then beat the Californians at their own game by Huntington's sending three accurate passes across the goal line, first to Tegar on right end, and then two to Mitchell on the opposite end.

Not satisfied, Huntington intercepted a forward pass and ran down a field swept clean by perfect interference to the goal 27 yards away. The

club discovered the sandwiches and partook of them freely. Not until this morning did they know that they had been made the victim of a practical joke.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

Unsuspecting Elks Dine on Cougar. ROSEBURG, Ore., Nov. 6.—Unknown to them until yesterday, a number of Roseburg Elks partook of their initial feast of cougar meat. The animal was killed in the wilds of northern Douglas county a few days ago, and upon being brought to Roseburg "Dad" Sparks obtained one of the hams. This he had cooked at a cafe and made into sandwiches. Last night a number of Elks who chanced to be about the
