FEAR FELT THAT NO HELP CAN BE GIVEN SERBIANS

Following Victory at Veles, Allies are Trying to Plunge Through the Lines of the Bulgars.

FORCES LACKING STRENGTH

Bulgarians are Holding Assault Back and Troops of France and England May Not be Able to Reach the Main Serbian Army West of Nish—War Office is Silent.

PARIS, Nov. 12.—Following a victory at Veles, the allies are trying to pierce the Bulgar lines along the Vardar river as the quickest means of aiding the main Serb army west of Nish. Official reticence concerning the allied landings at Salonika, however, caused fears that the forces of the allies there are not strong enough to aid the Serbians and check the Austro-German drive to Constantinople.

BERLIN, Nov. 12.—Crossing the Jastrabac range, 29 miles southeast of Krusevac, Austro-German soldiers have joined the Bulgars in pursuit of the main fleeing Serbian army and have captured over 1100 prisoners, it was officially announced.

INTERESTING TALKS AT FARMERS' UNION MADE THIS FORENOON

ASSESSOR STRAIN AND PROFESSOR GAMBEE ARE CHIEF SPEAKERS.

Assessor C. P. Strain and Professor Gambee of the Pendleton high school were the chief speakers at the quarterly meeting of the Farmers' Union of Grant county held at the Farmers' Union headquarters during the forenoon today. Delegates were in attendance from most of the locals of the county and the session was interesting. R. O. Earnhart, president of the union served as chairman.

Professor Gambee's talk was upon a farming topic and he had some data showing the treatment of wheat for smut.

Mr. Strain presented a suggestion with reference to how to secure the hard surfacing of the macadam road and of a road to Cold Springs landing if desired.

According to figures by the assessor the county levy of two and a half mills in the road districts tributary to the road from Pendleton to Weston will net the sum of \$28,807 in one year. This is exclusive of the road tax from the towns which, if collected will amount to enough to make the total \$43,840.10 for a year.

Under the law 70 per cent of the money from road districts must be expended in the districts from which it is collected. This will mean the sum of \$30,248.07 would have to be used in the districts along the Wild Horse road.

In addition Mr. Strain suggests the districts assess themselves an additional two and a half mills for road purposes. Should they do that they would provide a total fund of \$74,188.17 per annum for the improvement of the road.

It was suggested by Mr. Strain that to pay for the hard surfacing of the road in this manner would be preferable to a bond issue and would provide sufficient funds to do the work in two or three years if not in one year.

More Germans Get Away After Being Interned in Port

SECRETARY DANIELS WANTS TO KNOW HOW FAR HE CAN GO IN MATTER.

WASHINGTON, Nov. 12.—Because still another escape of interned Germans at Norfolk has been made, Secretary Daniels has asked Secretary Lansing whether it will be permissible hereafter for United States marines guarding interned raiders to fire at any sailor trying to escape. Daniels desired to know how far he might go in view of the latest escape. Officials, however, doubt that much could be done in view of the fact that a breaking of a parole is not a criminal offense, and, under international law, the breaking thereof is only a violation of a pledge of honor.

Germany is Said to be at War Now With the Italians

NO DECLARATION MADE—TEUTONIC DIVER BELIEVED TO HAVE SUNK LINER.

NEW YORK, Nov. 12.—That a German and not an Austrian submarine sank the Ancona and that this means Germany is at war with Italy without a declaration, was claimed in a Rome dispatch to the Evening Sun. "An Italian cabinet official has informed the Evening Sun," said the cablegram, "that a German and not an Austrian submarine sank the Ancona."

MAN GETS JAG DRINKING A GRAPEJUICE HIGHBALL

BEVERAGE PUTS VISITOR OUT OF COMMISSION—IS CARRIED INTO JAIL.

A new drink has come to light, the grapejuice highball. It is not a prohibition drink either though it may have been created for prohibition times. It is interesting and if any one wants to know just how big a "jag" it will produce, let him ask Chief of Police Alex Manning. Not that the chief has been trying it himself, but he had to handle a man yesterday who was under the influence of the beverage.

The man was J. A. McFee, a stranger in town. Listing badly, he was taken in town yesterday afternoon on Court street by Councilman Phelps who turned him over to Chief Manning. When the chief attempted to lead him up the city hall steps, the man braced himself and refused to go farther. It took four men to carry him in and hold him down while he was searched. A bottle of purple-black liquid was taken out of one pocket and, after the man had been jailed, Chief Manning endeavored to learn the nature of the contents. Neither taste nor smell was familiar and he finally decided it was some kind of dope. This morning he sought information from McFee who, when sober, proved very decent. "No, that is not dope," he said, "that is grape juice mixed with alcohol."

British Steamer Sunk. LONDON, Nov. 12.—The British steamer Den, 5000 tons, has been sunk, but her crew was saved.

Several British Generals Recalled. LONDON, Nov. 12.—Official announcement was made that several British generals had been recalled from the front since the war began. Harold J. Tennant, parliamentary Under-Secretary for War, said none of them had been allowed to return or retire.

SPOKANE WINS GAME FROM WALLA WALLA HIGH SCHOOL

WALLA WALLA, Nov. 12.—Weight and clever forward passes by the visitors won the football game between Spokane North Central high school and the Walla Walla high yesterday, 9 to 0. The actual scores were made by a perfect placekick by Quarterback Melzac from the 35-yard line in the first of the second quarter and a touchdown by Fullback Skidan at the beginning of the fourth quarter following a series of line smashes.

The game was one of the most thrilling and spectacular interscholastic games ever played in Walla Walla. Both elevens played clean and the men taken out were not badly hurt. Spokane earned the victory but the Walla Walla team made them play for it.

SUBMARINE KEPT FIRING AT SHIP SAYS PASSENGER

Shells Continued to Explode While Passengers Were Trying to Escape in the Small Boats.

MAID KILLED IN STATEROOM

Dr. Cecil Greig of New York. One of the Survivors of the Italian Liner Ancona, Gives Statement of the Attack—Unable to say whether Vessel Tried to Escape.

LONDON, Nov. 12.—That the submarine which attacked the Ancona continued to fire shells after the passengers went overboard was the declaration of Dr. Cecil Greig, of New York, a survivor, at Ferrville, Tunis. She said a shell entered the port hole of her cabin and killed her maid before she rushed in for her own clothing. She could not clear up the situation concerning the vessel's effort to escape.

LUNCHEON WILL BE GIVEN HERE IN HONOR OF HOBSON

BUSINESSMEN WILL BE PRESENT—COMMERCIAL CLUB NAMES COMMITTEE.

At an informal meeting of the board of managers of the Commercial association, this morning a reception committee was appointed to meet ex-Congressman Richmond P. Hobson, the "Hero of the Merrimack" when he arrives here next Tuesday evening as a representative of the national anti-saloon league. The committee appointed consists of Rev. J. R. Snyder, Supt. A. C. Hampton, Roy Alexander, A. J. McAllister and J. Roy Riley.

This committee will escort him to the Hotel Pendleton where at 6 o'clock a luncheon will be given in Mr. Hobson's honor by business men. Because this hour is the regular dinner hour, the number which can be accommodated at the hotel is limited. Besides the general committee, the following have been selected to attend. Postmaster T. J. Tweedy, Mayor John Dyer, Maj. E. L. Swartzlander, R. Alexander, Leon Cohen, G. M. Rice, W. L. Thompson, E. H. Aldrich, J. P. McManus and W. N. Matlock. There will be seats for 25 local people. Those wishing to get seats should apply to the secretary of the Commercial association.

Hobson will speak at 8 o'clock at the high school auditorium and, while he comes here as a representative of the anti-saloon league, he will also speak on "national preparedness," a subject which he has been talking for a number of years.

Sweeping Probe Will be Made of Bomb Explosions

RECENT OUTRAGES IN UNITED STATES TO BE THOROUGHLY LOOKED INTO.

WASHINGTON, Nov. 12.—Sweeping investigations of bomb explosions and munition plant fires in various parts of the country are in progress at the direction of the department of justice, the White House announced. Attorney General Gregory personally is directing the probe. Many persons are under surveillance. It was found necessary to increase the investigation force. The frequency of bomb explosions on ships and of fires in big munition plants will be thoroughly looked into.

The activities of Austrian Ambassador Dumba, leading to his recall, were brought to mind as a result of the announcement. Likewise it was deemed significant that the announcement came only a day following the charges made by former Austrian Consul Gorlar.

Sunday Law Will Not be Enforced by Officers Here

INJUNCTION IS SERVED UPON DISTRICT ATTORNEY AND COUNTY SHERIFF.

District Attorney Frederick Stever and Sheriff T. D. Taylor were last evening enjoined by the U. S. district court from attempting to enforce the so-called Sunday closing law. Copies of the injunction, which is only temporary, were served upon them last evening by Deputy U. S. Marshal Jackson of Portland.

The injunction suit was brought by the Brunswick-Balke Colender Co. of Delaware, the big billiard house, and a temporary restraining order was issued by U. S. District Judge Charles E. Wolverton. The defendants are all of the district attorneys and sheriffs in the state of Oregon and they are cited to appear in court on Nov. 15 at 10 a. m. It shows cause why a permanent injunction against enforcing the Sunday order should not be issued.

Old Fair Building is Razed. SEATTLE, Wash. Nov. 12.—Demolition has begun of the California building at the Alaska-Yukon-Pacific exposition of 1909, a structure in mission style and much admired for its beauty when it was new. The university of Washington used the building until it became uninhabitable, and lately it had fallen into ruin.

Italians Making Gains. LONDON, Nov. 12.—The German losses have been so serious on the eastern front that Riga and Dvinsk are considered safe for the winter, a Petrograd dispatch declared. The Italians claim substantial gains in the Piava district against the Austrians. Austrian defenders have been exterminated by the Italians on the Carso plateau front and several lines of trenches captured it is claimed.

CONSUL GENERAL OF AUSTRIA MAY HAVE TO RESIGN

Evidence Has Been Obtained Showing His Activity in Plots Against American Munition Plants.

CHARGES COME AS SENSATION

Follow Close Upon Disclosures by Former Austrian Consul of Spy System Fostered in This Country—Lansing May Take Immediate Action Against Alleged Plotter.

WASHINGTON, Nov. 12.—Evidence has been obtained by the state department concerning the activity of Austrian Consul General Nuber of New York, as leader of the alleged anti-American plottings which has made him persona-non-grata with the administration. A decision as to what will be done with him lies with Secretary Lansing. These facts developed today in the wake of disclosures made by former Austrian Consul Gorlar of the spy system fostered in this country by Nuber and Von Bernstorff, and the announcement that the department of justice is probing the recent suspicious bomb explosions and fires in American munition plants. If Secretary Lansing takes the step he is reported to believe warranted by the evidence, he will revoke Nuber's exequatue and terminate his official status.

Otherwise, if the secretary concludes that larger diplomatic matters with Austria will be complicated by such a step, he will probably let the matter rest, trusting that the department of justice will circumvent future plottings as alleged against Nuber. Lansing's information is that Nuber has been intimately associated with half a dozen schemes to embarrass the government ranging from passport frauds to tying up the export of munitions.

British Sub-Boat Sunk by Turks at the Dardanelles

THREE OFFICERS AND SIX OF THE CREW ARE TAKEN PRISONERS.

LONDON, Nov. 12.—British submarine E-23, which has been missing for a month, probably has been lost, the admiralty admitted. The last news of her was she was in the Sea of Marmora.

BERLIN, Nov. 12.—British submarine E-20, reported by London as "probably lost," was sunk on November 5 in the Dardanelles, the Constantinople admiralty announced officially. Three of the submarine's officers and six of her men were captured. The submarine was one of England's most modern undersea boats.

PYTHIANS GREET THE SUPREME CHANCELLOR ON ARRIVAL IN CITY

BRIG S. YOUNG WILL DELIVER LECTURE AT OPEN MEETING THIS EVENING.

Brig S. Young, supreme chancellor of the Knights of Pythias, accompanied by Mrs. Young, arrived here on train 17 today and was met at the train by an enthusiastic delegation of local Pythians. After being bedecked in a Round-up hat the prominent lodgeman was given a seat of honor in a stage coach and conveyed to the Hotel Pendleton along with members of the All-Star ball team.

This afternoon the supreme chancellor, is being entertained by members of Damon lodge and tonight he will be the chief attraction at a meeting to be held at the Presbyterian church. It will be an open meeting and those present will be addressed by Mr. Young, a speaker of note.

At the close of the caucus meeting a brief reception will be held for Mr. and Mrs. Young and then a smoker will be held at the I. O. O. F. hall. Many Pythians from other parts of the county have arrived today to attend the meetings tonight and incidentally to take in the All-Star ball game.

BIG LEAGUE MEN ENTERTAINED IN ROUND-UP STYLE

Pendleton is Proving to be Genial Host to Visiting Teams—Parade is Held This Morning.

HUNDREDS HERE TO SEE GAME

Nearby Towns Send Their Quota of Fans to Witness Contest at Park—Baby Round-up Proves Delight to Easterners—Visitors Entertained at Dinner at Pendleton.

Pendleton is this afternoon entertaining the All-Star ball players of the National and American Leagues and the players in return are entertaining residents of the city and surrounding country.

The occasion is the Baby Round-up and the All-Star game, a double attraction which, helped by clear skies and sunshine, has brought hundreds of people into the city from other towns and the countryside.

The All-Stars, with their ladyfolk arrived on No. 17 today, from Baker where snow yesterday kept them from playing the scheduled game. At the depot were hundreds of people to greet them and to see them pile into the four big stage coaches drawn up awaiting their arrival.

With much enthusiasm, players and ladies entered the coaches or climbed on top of them and they were paraded down Main street to the Pendleton Hotel where dinner awaited them.

It was 1:30 before the players had donned their ball suits and were ready to go to the park. Again they were placed in the lumbering coaches and, headed by the band, paraded through the principal streets and down Court to the park.

The line-up was announced as follows: Nationals, Carey (Pittsburg), if; Evers (Boston); Dauter (Brooklyn); Magee (Boston); rf; Groh (Cincinnati); 2b; Fisher (Chicago); ss; Kilifer (Cincinnati); cf; Miller (Brooklyn); c and Vaughn (Chicago) p.

Americans, Shang (Philadelphia); 2b; Strunk (Phil.); cf; Roth (Cleveland); rf; Walker (St. Louis); lf; Pipp (N. Y.); 1b; Mullen (N. Y.); 3b; Shanks (Wash.); ss; Henry (Wash.); c and Klepper (Cleveland) p.

Hardly had the teams entered the field until the miniature Round-up commenced and the ball players refused to warm up until it was all over so enthusiastic were they over the wild wet performance. A half dozen or more bucking horses were ridden

AFTER HOLDING BAKER SQUAD SCORELESS FOR 3 QUARTERS, PENDLETON LOSES TEN TO 0

After holding Baker team scoreless for three quarters, the crippled Pendleton high gridiron warriors yesterday afternoon weakened under the constant battering and in the final quarter lost the annual football battle by a 10 to 0 score. A placekick, a touch-down and a goal gave the visitors a hard earned victory.

It must be admitted that the local boys would have lost the contest in the first half but a turn or two of luck. Three times Baker advanced the ball right under the shadow of the Pendleton goal only to lose it. Their success in defending their goal line got spirit into Coach Hinderman's scrappy bunch and until the final quarter they battled the winners to a standstill.

The fourth quarter opened with the ball in Baker's possession on her own six yard line. Forced to punt, Baker sent the ball well into Pendleton's territory and on the first down the local boys were penalized 15 yards for holding. This put the ball on the Pendleton 3 yard line from where it was kicked out. A couple of successful forward passes, one for 33 yards and the other for 13 and a buck or two brought the ball back to the home team's 11 yard line and there the same stonewall defense kept the visitors from making more than two

yards in three downs. A placekick was signaled for and Fleetwood's toe booted the ball squarely over the goal. Pendleton resorted almost entirely to the forward pass from this time on. On the very first down after the kickoff, Ulrich shot a long pass to Sieber who raced 60 yards before being fumbled. However, he stepped out of bounds and his feat, which sent the crowd into a frenzy of excitement, netted only 18 yards. The next forward pass was intercepted and the visitors marched straight down the field, making yardage in one run of three downs until Captain Keown plowed through the remaining five yards for a touchdown. Fleetwood kicked goal. There was but two minutes left and the locals could do nothing to overcome the lead.

In the beginning of the game it looked like the Baker boys would roll up a big score. Securing the ball on their own 25 yard line early in the first quarter, they marched right down the field in gains ranging from two to 20 yards until they had reached the Pendleton six yard line. Here the locals held and three downs failed to advance the ball nearer. A forward pass was then signaled but Hinderman Applegate ruled Baker offside and gave Pendleton the ball. After advancing the ball 15 yards, Pendleton

French Liner Afire From Bomb in Hold

The Rochembeau, the great French liner Rochembeau, which left New York Saturday, Nov. 6, with a large quantity of munitions of war, put into Halifax after an announcement by wireless from York. It was the general suspicion when the wireless was received that they had placed a bomb in the bunkers as they have done on many other ships leaving American ports with munitions.
