SOCIAL AND PERSONAL

Additional Social and Personal News on Page 5.

Thanksgiving week will see plenty doing in the Pendleton social world. The big event of the week will be the annual Thanksgiving ball of the Elks at the Eagle-Woodman hall on Thursday evening, always a brilliant function. On Tuesday evening in the Commercial club rooms there will be a meeting of the Umatilla County Historical Society with a program by early day residents, followed by a program. On the same evening Miss Harriett Young will give a piano recital at the Presbyterian church. There will be innumerable Thanksgiving Day dinners and informal weekend functions.

The services at the Methodist church last evening were made particularly enjoyable by the sacred concert given by the Danish Club which is nothing more or less than a musical family by the name of Peterson traveling through to the fair. Every member of the family is gifted in a musical way and their varied program was splendid. The attendance at both morning and evening service was very good.

Miss Eglantine Mouzon of Pendleton, is the house guest of the Misses Anna and Elizabeth Fitzgerald.—Walla Walla Union.

Mr. and Mrs. C. F. Colesworthy have returned from an automobile trip to Salem.

Among the Umatilla county people who were at Eugene Saturday for "Homecoming Day" and the big football game were Mr. and Mrs. Lyman G. Rice, Miss Beth Smith and Clarence M. Bishop of Pendleton. Mr. and Mrs. Homer T. Watts and Mrs. Ralph B. McEwen of Athena, and Miss Edith Still of Milton.

Everett R. Foster and Miss Grace Giles were united in marriage here Saturday, the ceremony being performed at the Baptist parsonage by Rev. E. R. Clevenger. The groom is a successful young farmer while Mrs. Foster was a teacher in the schools at Pilot Rock. They are to be at home in Pilot Rock after January 1.

S. H. Rockwell has been enjoying an extended visit in California. He attended the fair at San Francisco for a month and is now in San Diego where he plans to remain for some time. He has greatly enjoyed the flowers, fresh fruits and the mild weather of southern California.

More than 50 members of the Good Intent society and the members of the official board of the Methodist church trooped en masse to the Methodist parsonage Wednesday night where they surprised the Rev. and Mrs. Nathan Evans. The occasion was the celebration on the part of the members of the Good Intent society of the announcement that the Rev. Evans and his popular wife will remain in The Dalles for another year. A very pleasing informal social evening was enjoyed, a short musical and literary program being a feature of the entertainment. Mrs. Smith French welcomed the pastor and Mrs. Evans on the eve of their second year's work here, and expressed, very prettily, the esteem felt for them by their parishioners. Mrs. W. E. Gilhousen gave a vocal solo. Mrs. Clyde T. Bonney pleased with a reading and Mrs. T. A. Wiley gave a vocal selection. A tiny tad, Edward Bloice, aged 2 years, sang "Tipperary" to the delight of an audience of elders.—The Dalles Chronicle.

SUBMARINE BASES ON U.S. COASTS IS PLAN OF NAVY DEPARTMENT

SECRETARY DANIELS SAYS EXPERIMENTAL BASE HAS BEEN SUCCESS.

Has Been Established at New London—Strain of Service on Submarine Crews is so Great That Place Where They Can Rest is Necessary After Their Trips.

WASHINGTON, D. C., Nov. 22.—Many submarine bases along the U. S. coasts will be one of the defense program features to be submitted to Navy Secretary Daniels to congress. Daniels says the experimental base at New London has been proved a success.

"The strain of service on submarine crews is so great that it is necessary to provide a place where they may rest up after trips," said Mr. Daniels. "Quiet quarters should be provided where the men may recuperate while the vessels are resupplied and repaired."

The new submarine M-1, just launched is the first so-called U. S. fleet submarine. Her sister ship is the O'hey. These vessels are expected to accompany the battle fleet on cruises of any length. The new naval program calls for fifteen of the M type vessels. It is proposed to build a large number of smaller coast defense submarines. Several of these small subs, however, have recently run the 2,000 miles between San Francisco and Honolulu.

WOMAN MAYOR INSISTS ON PRAYER.

MAY OR ANGELA CANFIELD

CHICAGO, Nov. 22.—The Hon. Angela Canfield, 74 years of age, a grandmother and leading milliner of the little town of Warren, Ill., come up to Chicago the other day to lay in her fall stock of hats and relieve herself of a few remarks about mayoring in general and guiding the destinies of Warren in particular. "Grandma" Canfield is having a bit of trouble down in Warren, since her election last April First, the councilmen object to prayer at their meetings, but the little five foot mayoress has been obdurate. No prayer, no council meeting, that's all. Besides, she says, she is going to insist on the prayer for William Smith, a member of the council who does not go to the Methodist church regularly, and she thinks William should hear a little bit about God somewhere, so she injects it into the council meeting. She has already accomplished much. She has secured the passage of a seed law, a law making a man liable to arrest and fine for beating his wife, pure food laws and a host of others. Among her contemplated reforms are building a social center, introduction of dress reform for girls and street paving for Warren.

TRY "CASCARETS" FOR LIVER AND BOWELS IF SICK OR BILIOUS

DARKENS BEAUTIFULLY AND RESTORES ITS THICKNESS AND LUSTRE A ONCE.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant; remove every bit of dandruff, stop scalp itching and falling hair. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, costing about 50 cents a large bottle, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of muss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application, or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

SERBIAN MAJOR TRIES TO MURDER PREMIER

BERLIN, Nov. 22.—A Serbian major made an attempt against the life of Premier Pachitch of Serbia at Raska, according to the Budapest Newspaper "Alvilag."

The major fired two shots, neither reaching the mark and Pachitc's succeeded in fleeing into a nearby house. The major was tried by court martial, sentenced to death and executed.

The shooting grew out of an argument during which the major declared the whole Serbian government was a band of traitors which was leading the nation into the slaughter "but not on its own skin."

ITCHING, BLISTERED SKIN-ERUPTION ALL HIS LIFE, NOW CURED

Nov. 19, 1914:—"All my life, until about a year ago, I was troubled with blisters and sores over my entire body. The itching and burning was terrible, and I could hardly sleep. I used many treatments that were unsuccessful and did not give me any relief. I started using Resinol Ointment and Resinol Soap and they helped me wonderfully. I WAS RELIEVED AT ONCE, and after about two dozen applications I can say that I was free and cured of that awful disease. My skin now is as clear as anybody's."—(Signed) Geo. Whitcher, Jr., R. F. D. No. 54, Caledonia, N. Y. Resinol Ointment and Resinol Soap are sold by all druggists.

IS YOUR TOILET SOAP SAFE?

Many toilet soaps contain harsh, injurious alkali. Resinol Soap contains absolutely no free alkali, and to it is added the Resinol medication. This gives it soothing, healing properties which clear the complexion, comfort tender skins and keep the hair healthy.
