HEADLINE VAUDEVILLE FOR THE ALTA THEATER

For today and tomorrow, November 23 and 24, the Alta Theater is offering one of the biggest vaudeville attractions that has ever visited Pendleton. It consists of the Jeanie

HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, sniffling, blowing, head-ache, dizziness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in your nostrils. It penetrates through every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly. It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

Russell Co. as the feature attraction, with "The Harmony Duo" of novelty instrumentalists and Misses Steadman and Merritt, billed as the classiest singing act in vaudeville.

The Jeanie Russell Co. will be well remembered from their appearance here two years ago when they filled a week's engagement at the Alta. This season the personnel of the company is exactly the same but the plays and vaudeville are all new and right off one of the big circuits. The skit in which Miss Russell is appearing is a merry, mirthful, comedy singing and dramatic playlet, "A Star by Mistake," full of ginger and one of the greatest laughing playlets ever seen in vaudeville.

In conjunction with the vaudeville for these two nights the management has secured the much heralded Metro feature picture, "My Madonna," dramatized from one of Robert W. Service's poems from "The Spell of the Yukon" and other verses, in which Miss Olga Petrova, the world's greatest emotional actress, will appear. The big double attraction will be offered for 15 and 25 cents. Two shows nightly and a special matinee for Wednesday.

Taft Fights Democrats.
WASHINGTON, Nov. 23.—Back in the haunts where once he held sway former President Taft "took a crack" at his ancient enemies, the democrats.

"I have recently returned from a trip across the continent," he said. "It seems to me American business—even one profiting from war prosperity—isn't satisfied with the democratic program and the democratic achievements. The trend is back to republicanism."

He laughed heartily in denying he was a presidential candidate.

AT 16 SHE MUST HAVE \$25,000 A YEAR TO LIVE ON

Virginia Bruce Loney of New York is only sixteen years old, but she cannot live on less than \$25,000 a year, her guardian says. And the guardian herself, who is much older, cannot live on less than \$5000 a year.

The girl's father and mother were Louisiana victims. She was saved. They left her \$1,000,000. The guardian has gone into the court with a request that the child be given \$25,000 a year from the estate and \$5000 for herself. In her list of expenses in her affidavit, the guardian shows her \$20,000 a year may be spent. Rent of Park avenue apartment, \$5000; school, music, languages, books, etc., \$2500; maid's wages, \$500; three servants' wages, \$1200; food and household supplies, \$4000; clothing, \$2500; doctors, dentist, etc., \$500; upkeep of auto and chauffeur's wages, \$2000; recreation and amusements, \$1500; summer vacation and traveling expenses, \$2500; insurance and storage charges, \$200; incidentals, \$1000; wages of guardian, \$5000; total for one year, \$32,000.

After tabulating the expenses the guardian says:

"As a result of the loss of her father and mother the infant finds herself at sixteen, the most important and formative period in a young girl's life, absolutely alone in the world, with few friends in New York, as she has spent the greater part of her life in England, and with only a small number of relatives. She has two uncles on her mother's side and two aunts and two uncles on her father's side, and with none of whom she could live satisfactorily. "It is very important therefore, that she should have a nice home of her own in which she could receive and entertain friends, and that she should have every opportunity to make friends and have good associates who will help her in her social career. She must therefore, live according to her station in life, and after a thorough consideration of the matter the petitioner is of the opinion that it will not be possible to maintain and educate her and give her the opportunities she should have on less than \$25,000 a year."

Home Celebration of Wonder Interest

The arrival of a baby in the household completely changes the entire aspect of the future. But in the meantime, during the anxious period of expectancy, there is a splendid remedy known as "Mother's Friend" that does wonders. It is for external use, relieves the pains of muscle expansion, soothes and quiets the nerves, extends its influence to the internal organs and removes to a great extent the tendency to worry and apprehension. It is a natural treatment, safe for the mother, has no drug effect whatsoever and for this reason must exert a most beneficial influence upon those functions directly connected with motherhood. In a very interesting book the subject is freely discussed and a copy will be mailed free to all expectant mothers by Bradfield Regulator Co., 406 Lamar Bldg., Atlanta, Ga. Get a bottle of "Mother's Friend" today if at any druggist. Use as directed and you will then know why mothers for nearly half a century have used and recommended this splendid aid to motherhood. Their letters are messages of cheer, that breathe comfort in every word.

ALL CHILDREN LOVE "SYRUP OF FIGS" FOR LIVER AND BOWELS

GIVE IT WHEN FEVERISH, CROSS BILIOUS FOR BAD BREATH OR SOUR STOMACH.

Look at the tongue. Mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.
When peevish, cross, listless, pale, doesn't sleep, doesn't eat or act naturally, is feverish, stomach sour, breath bad; has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the food, constipated waste, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.
You needn't coax sick children to take this harmless "fruit laxative," they love its delicious taste, and it always makes them feel splendid.
Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

SEVERE RHEUMATIC PAINS DISAPPEAR

Rheumatism depends on an acid in the blood, which affects the muscles and joints, producing inflammation, stiffness and pain. This acid gets into the blood through some defect in the digestive process. Hood's Sarsaparilla, the old-time blood tonic, is very successful in the treatment of rheumatism. It acts directly, with purifying effect, on the blood, and improves the circulation. Don't suffer. Get Hood's.
