TO WOMEN, FURS ARE ALWAYS THE MOST HIGHLY PRIZED GIFT RECEIVED ON CHRISTMAS MORNING.

Especially will this be true this year, when furs occupy, as they do the principal shelf in Milady's ward robe.

Furs are used in a great many ways this season. From the smaller uses of hat, cloak or dress decorations, to the muff, the neck piece or complete set. They are to be seen on all occasions, effectively adorning the well dressed women.

Furs not only add to a woman's charm and beauty, but they also impart warmth and comfort to a high degree and they constantly suggest and express love and appreciation as few other gifts can.

They are long lived and very serviceable. You can make no mistake in giving furs when it is proper to give substantial gifts at all.

It is not necessary to give a whole set, any show them to you. one piece may be worn singly.
