A third object of the special session, the second to be called during the five years of Governor Johnson's administration is an act for the benefit of the Panama-California International exposition at San Diego, which will be open through 1916.

Four days are set as the probable duration of the session and $15,000 as the cost, although the statement says filibustering tactics may run this up.

COFFEY OUT FOR MATCH WITH WILLARD

JIM COFFEY

NEW YORK, Jan. 5.—If Jim Coffey, the Irish heavyweight succeeds in outpointing Frank Moran in their bout in the Madison Square Garden on January 7, he will be nearer to the coveted match with Champion Jess Willard than ever before. Coffey's stock suffered a downward trend when Moran knocked him out in their last meeting some weeks ago, but since then the Irishman has rehabilitated himself to a certain extent by knocking out Gunboat Smith. It is certain that Moran will find Coffey a much more difficult opponent than he did at the last meeting.

With the Willard Fulton match called off, the chances for either Moran or Coffey to get a crack at the championship title in the near future have improved wonderfully.

EXTRA DAY IN '16 MAY BE "PROSPERITY DAY"

SUGGESTION IS MADE THAT OBSERVANCE BE HELD ON FEBRUARY 29.

The year "nineteen-sixteen" has just 24 hours extra time over ordinary years and the suggestion is made that this day should be observed in the United States as "Prosperity Day." This extra day occurs on Tuesday on the weekly calendar and the monthly date is February 29.

On this date an extra day's pay will be received by many in Pendleton and elsewhere throughout the United States. In view of these facts it seems appropriate that on this day every effort should be made to focus the attention of the public upon the unparalleled condition of prosperity that now exists throughout the land.

Here are some suggestions made for the observance of the day:

Let the wage earner open or increase his bank account by putting his wages for this extra day into the bank.

Let the stores have their Prosperity Day Sales.

Let the newspapers and orators celebrate the occasion by explaining to the public how and why the United States is the most favored nation in the world.

Let the associations of commerce and the farmers' organizations hold upon this day Get-Together Prosperity Meetings.

For twenty-four hours—throughout this whole Extra Day of time—let every man, woman and child in this country forget the trying times through which the world has passed and Talk, Think and Feel prosperity.

Let us remember on this day that the prosperity of the nation is regulated by the prosperity of the individuals that compose it—that America is America because its citizens as a whole have prospered.

In short, on this day, let's all of us lay aside our hammers, forget our personal worries and Boost with every ounce of energy in us for the continuation of this great new era of Prosperity.
