**URGES EVERYONE TO QUICKLY GET ON WATER WAGON**

DRINK GLASS OF HOT WATER BEFORE BREAKFAST TO WASH OUT POISONS.

To see the tinge of healthy blood in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best, day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour life and toxins; thus cleansing, sweetening and purifying the entire alimentary canal before putting food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water-cleansness, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside bathing will have them both looking and feeling better in every way.

**PROFIT BY THIS.**

Don't Waste Another Day.

When you are worried by back-ache;

By ameness and urinary disorders—Don't experiment with an untried medicine.

Follow Pendleton people's example Use Doan's Kidney Pills. Here's Pendleton testimony.

Verify it if you wish.

L. Greenwald, prop. shoe repair shop, 414 Lincoln St., Pendleton, says: "Backache and soreness across my kidneys troubled me day and night. The kidney secretions piled in passage and the flow was too frequent and scanty. One box of Doan's Kidney Pills completely cured me." (Statement given May 17, 1914.)

**NO TROUBLE SINCE.**

MORE THAN TWO YEARS LATER, Mr. Greenwald said: "Doan's Kidney Pills cured me and the trouble never came back."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Greenwald has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

## Top Stuff Slow in Coming Forward in N. Portland Yards

(Courtesy the Journal)  
PORTLAND, Ore.—Most of the arrivals in the North Portland yards overnight were from Willamette valley. Not enough stuff came forward to extreme quality in any line to thoroughly heat the situation. Willamette valley hogs were in quite fair supply in the yards at the opening of the day's trade, but most of them came on contract direct to a local meat company and were therefore not placed on sale.

General hog market situation is considered steady.

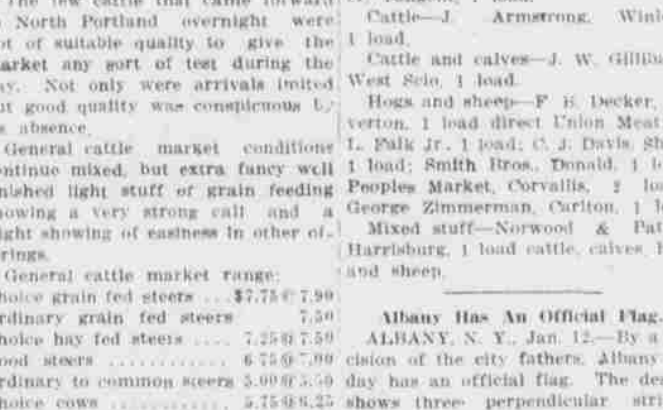

General hog market range:

Rough and heavy..... 5.75@6.25

**Cattle Trade Quiet.**  
The few cattle that came forward to North Portland overnight were not of suitable quality to give the market any sort of test during the day. Not only were arrivals limited but good quality was conspicuous by its absence.

General cattle market conditions continue mixed, but extra fancy well finished light stuff or grain feeding showing a very strong call and a slight showing of easiness in other offerings.

**Owes Her Good Health to Chamberlain's Tablets.**

**POULTRY MEN ORGANIZE.**  
Jackson County Association Elects E. W. Hunter to Chief Office.  
MEDFORD, Ore., Jan. 12.—Jackson county poultry men organized under the name of the Jackson County Poultry Association, and E. W. Hunter was named executive head and Roy Peebles secretary. An executive committee was appointed and a report will be made this week as to the advisability of holding a poultry show in 1916.

According to speeches made at the meeting, the ranchers of the Rogue River valley have overlooked a valuable resource in neglecting the chicken industry. T. J. Gardner of Medford Poultry & Egg company, declared the climatic conditions in southern Oregon to be nearly perfect and that if the ranchers would produce a supply, he could obtain a market extending from Seattle to San Diego.

**Canfield's Luck Outlasts Life.**

**ACID IN STOMACH SOURS THE FOOD**  
SAYS EXCESS OF HYDROCHLORIC ACID IS CAUSE OF INDIGESTION.

A well-known authority states that stomach trouble and indigestion is nearly always due to acidity—acid stomach—and not, as most folks believe, from a lack of digestive juices. He states that an excess of hydrochloric acid in the stomach retards digestion and starts food fermentation; then our meals sour like garbage in a can, forming acid fluids and gases which inflate the stomach like a toy balloon. We then get that heavy, lumpy feeling in the chest, we eructate sour food, belch gas or have heartburn, flatulence, water-brash, or nausea.

He tells us to lay aside all digestive aids and instead, get from any pharmacy four ounces of food salts and take a tablespoonful in a glass of water before breakfast while it is effervescing, and furthermore, to continue this for one week. While relief follows the first dose, it is important to neutralize the acidity, remove the gas-making mass, start the liver, stimulate the kidneys and thus promote a free flow of pure digestive juices.

Food salts is inexpensive and is made from the acid of grapes and lemon juice, combined with lithia and sodium phosphate. This harmless salt is used by thousands of people for stomach trouble with excellent results.

## ITALIAN AUTO BATTERIES READY FOR ACTION

The Italians have found these long range guns mounted on auto trucks with greater rapidity than a company of infantry can march, and it has the additional advantage of always being ready to go into action without the necessity of being mounted on a base like most of the big guns.

render his life insurance policy and to obtain a check for \$10,448, representing its surrender value. The accident which resulted in his death prevented him from signing a release to the insurance company.
