### GENERAL HUERTA DEAD.

(Continued from page one.)

Huerta devoted himself to the military career at an early age. Born at Chihuahua in 1854, he entered the military academy of Chihuahua at the age of 17 and passed through the full course to graduation in 1875, when he was commissioned second lieutenant of engineers.

### Californian Had Kidney Trouble

Jack Mallon, Copperopolis, Calif., says: "I had such a severe case of kidney trouble I thought I would have to sell out my business. I took three bottles of Foley Kidney Pills which entirely relieved me and I have had no recurrence of kidney trouble since then." "Some days it seems as if you can no longer bear the pain and misery you suffer from kidney and bladder troubles. The ache across your back grows worse with every step you take. It just seems to rob you of all strength and energy. Your head aches, you are nervous and wear out sleeplessly and have no appetite, stomach is upset and bowels irregular." "Foley Kidney Pills loosen the pain, until it finally goes entirely. They give strength and tone to the kidney—make them strong, active, they restore normal regular and normal action, and your health grows better each day you take this great healing medicine." Sold Everywhere.

### Mexican Staff Huerta's Ideas.

When Porfirio Diaz began his reorganization of the Mexican army Huerta was promoted to captain of engineers and while holding this rank devised the plan for a Mexican general staff corps. He was an active member of the military map commission, he abandoned his office and field Mexico on a large scale and he had charge of all the astronomical work of the commission.

During the ensuing years Huerta saw much active service. In 1901 he left the staff and took command of the Infantry in the campaign against the Yaqui Indians. He participated in subsequent Yaqui campaigns and also in the campaign in Yucatan against the Maya Indians.

Huerta commanded all the detached government forces in the state of Guerrero at the beginning of the Madero revolution. When Madero acceded to the presidency, General Huerta was sent back into Mexico with a force to put down the Zapata rebellion. As a result of ill-feeling growing out of this campaign Huerta was recalled. Subsequently he led the army against Orozco and was in command at the battle of Bachajon. For this service he was promoted to major-general.

### Disloyalty to Madero Follows.

In the second Felix Diaz revolution which resulted in the overthrow of the Madero government, Huerta was called to active command as the se-

nior ranking general then in the capital. He escorted Madero from Chihuahua to the palace on the first of the 10 days fighting and was placed in entire command of the forces of the government. He directed the government troops during all the subsequent fighting, and the conduct of these operations led to severe criticism on the part of Madero's friends. It was charged that he did not carry out the operations with any spirit, that he disobeyed commands of President Madero, and that before General Huerta entered the city it was this conference which sealed the fate of the Madero.

Huerta was the moving spirit in the plot that resulted in the seizure of the person of President Madero and his brother-in-law. The assassination of President Madero and his brother followed and in the meantime Huerta, with the military behind him, had made himself provisional president.

General Huerta failed to obtain recognition of his government from the United States and after a turbulent period, in the course of which United States forces occupied Vera Cruz he abandoned his office and fled to Spain. Later he returned to New York, going from there to the southern boundary, where he was arrested on charges of plotting in violation of American neutrality. Since then he has been a prisoner of the United States. He was indicted by a federal grand jury on Wednesday.

## SOCIAL AND PERSONAL

The engagement of Don Rice, '14, and Hazel Toose, ex-'15, has been announced. Miss Toose is a member of the Chi Omega sorority and Mr. Rice is a member of the Beta Theta Pi fraternity. The date of the wedding has not been set—University of Oregon Emerald.

Mr. Rice is one of a number of university graduates who have located in Pendleton. For the past year he has been in the employ of the Hartman Abstract Company.

Interest in the fraternal world centers about the celebration this evening of the burning of the mortgage which has been on the Eagle-Woodman hall since its construction ten years ago. The Woodmen and Eagles have planned a joint celebration which will be attended by about one hundred Woodmen from Walla Walla. An excellent program has been prepared.

One of the most charming afternoons spent this winter by the members of the Thursday Afternoon Club was that yesterday at the home of Mrs. F. E. Judd Mrs. Judd and Mrs. James A. Fee being hostesses. The subject of the program was "A Tourist Afternoon" devoted to personal reminiscences of travels taken by the members.

Thus Mrs. G. L. La Dow told her reminiscences of the northland beauties of Alaska Mrs. George Hartman recalled the scenes of interest in tropical Hawaii Mrs. John Halley Jr. recounted the wonders of Yellowstone Park and Mrs. H. H. Hattery those of Glacier Park. Mrs. F. E. Boyden related something of her visits to the homes of literary men and Mrs. John Vert described the impressive grandeur of the rocky walls of the Grand Canyon.

Musical numbers were furnished during the afternoon by Miss Marjorie Williams, who sang "Al Dwinning" and "My Lullaby," Miss Eleanor Vincent who played a very pleasing selection on the piano, and Mrs. J. R. Dickson who sang "Hearts from Kerrie" and "Bird of Love Divine."

Tomorrow afternoon in the Alta theater the ladies of Pendleton will meet to hear a discussion of the vital social hygiene problems by two men who have spoken hundreds of times on this subject, Rev. J. E. Snyder and Dr. W. D. McNary. Every adult woman in Pendleton is invited to attend and there will be no charges. The clubs and the parent-teachers' organizations have all endorsed this meeting and have been actively engaged in providing for a large attendance. "How Shall I Tell My Child," will be the subject of the afternoon.

Miss Eva Reits is en route to Seattle where she expects to sail soon for Sitka, Alaska, to visit friends for six months.

Miss J. Arline Cleveland, who has been teaching in the local high school will leave this evening for Lewiston, Idaho, where she expects to remain.

### URGED TO ATTEND MEETING.

(Continued from page one.)

young men have low ideals of womanhood?

Is there any sane, practical solution to the problem?

What can the parents do?

You are invited to a conference of the fathers and men of Pendleton to consider these questions. It is planned to make this the biggest meeting for men ever held in this community. The Oregon Social Hygiene Society, cooperating with us, is already famous throughout the nation.

Two prominent Pendleton men who have spoken in many cities and towns in the state are to speak.

The social hygiene meetings for Pendleton have been officially endorsed by the following local organizations:

The Commercial club, Hawthorne school Parent-Teachers' Association, Lincoln school Parent-Teachers' Association, Washington school Parent-Teachers' Association, Civic club, W. C. T. U., Current Literature club, Thursday Afternoon club, Damon Lodge No. 4, K. of P., Eureka Lodge No. 22, I. O. O. F., Integrity Lodge No. 52, I. O. O. F., Loyal Order of Moose, Order of Eastern Star, Pauline Rebecca Lodge No. 13, United Artisans, Degree of Honor, Knights and Ladies of Security, Benefit Association of the Ladies of the Macabees, Daughters Circle, Women of Woodcraft, Pendleton Circle, Women of Woodcraft, Royal Neighbors.

Hard Colds—People whose blood is pure are not nearly so likely to take hard colds as are others. Hood's Sarsaparilla makes the blood pure; and this great medicine restores the system after a cold as no other medicine does. Take Hood's—Adv.

### Chelmsford for Viceroy.

LONDON, Jan. 14.—Lord Chelmsford is slated for appointment as viceroy of India, according to announcement by the London Times.

### FOR CHILDREN'S COUGH.

You cannot use anything better for your child's cough and cold than Dr. King's New Discovery. It is prepared from Pine Tar mixed with healing and soothing balsams. It does not contain anything harmful and is slightly laxative, just enough to expel the poisons from the system. Dr. King's New Discovery is antiseptic, kills the cold germs—raises the phlegm—loosens the rough and soothes the irritation. Don't put off treatment. Coughs and colds often lead to serious lung troubles. It is also good for adults and the aged. Get a bottle today. All Druggists—Adv.

## How Soldiers Keep Strong

Preparedness against sickness is the big, important thing to fighting soldiers. A sick soldier cannot work with vigor any more than you can work with energy when you are weak, tired, almost sick.

One efficient warring government is giving each soldier a vial of cod liver oil every day because far-reaching experiments show how wonderfully it increases the calories of human energy and gives them strength to prevent winter sickness. Is this not convincing proof that you need it at this season to enliven your blood to prevent sickness?

Cod liver oil is scarce and high-priced this season and many inferior grades may be offered. But remember that

## SCOTT'S is the one EMULSION

which guarantees pure cod liver oil—free from alcohol and drugs.

If you are subject to colds, throat or lung troubles; if you are easily tired, run-down or have thin blood, you should take Scott's Emulsion at once. If your children are backward in growth, frail or anemic, nothing will do them so much good as Scott's Emulsion, and for girls and women in home or business it is nature's great strength-builder.

Scott's is not a "secret" medicine. It is a rich blood-food and a pure tonic; it contains nothing harmful and is pleasant to take. It is prescribed by physicians and liberally used in hospitals and private schools.

One bottle may prevent a sickness. At any drug store—Start it to-day.

Imitations are sometimes offered but this Trade-Mark has stood for supreme quality for the past forty years.

ALWAYS INSIST ON SCOTT'S.

Scott & Bowne, Bloomfield, N. J.

SCOTT'S EMULSION IS MADE IN SUNLIT LABORATORIES.
