Twenty-one young people of Pendleton composed a sleighing party that drove out over the snow of the Tutuilla road last evening to "Hillside Home," the farm residence of Mr. and Mrs. Frank Frazier. The party went in two sleighs and spent the evening dancing in the spacious rooms of the beautiful country home. Those in the party were Mr. and Mrs. R. E. Chloupek, Mr. and Mrs. Westbrooke Dickson, Mr. and Mrs. Fred Earl, Mr. and Mrs. Fred Bloch, Mr. and Mrs. Lawrence Frazier, Mr. and Mrs. George Strand, Mr. and Mrs. Ben L. Burroughs, Mrs. Henry W. tribute paid to Pendleton, prominent club women of the city are planning to make her appearance here a real society event. Seldom indeed is it given to local people to hear such a talented celebrity as Miss Powell without making a trip to Portland or some other large city, and the club ladies will make an effort to justify the confidence Manager Pangle of the Hellig theater has placed in Pendleton in selecting this city as the only one in the northwest outside of Portland to hear her.

The North Side Bridge Club met yesterday afternoon at the home of Mrs. John F. Robinson on Jackson street and spent an enjoyable three hours at play. Honors were won by Mrs. J. N. Burgess. As additional guests, Mrs. Robinson had Mrs. Elmer Brewer, Mrs. E. R. Keefe, Mrs. James R. Welch and Miss Elsie Goss (Walla Walla).

## LEA ELECTED AS SECRETARY OF THE STATE FAIR BOARD

BOOTH AND WEST ANNOUNCE THEY WILL HAND IN THEIR RESIGNATIONS

SALEM, Ore., Jan. 19.—By the votes of Savage, M. L. Jones and Mrs. Weathered, A. H. Lea was elected secretary of the state fair board to succeed W. Al Jones Booth and West voted for Jones.

Immediately following the election of Lea, J. H. Booth of Roseburg and N. K. West of La Grande announced they would hand in their resignations. They gave as their reason that W. Al Jones had made a success of the state fair, and that he was entitled to reappointment.

The resignations constitute the most telling rebuke that has been administered since the governor was inaugurated. They are regarded as a protest against the making of the state fair a political football and against the protection of grafters.

Governor Withycombe and his advisors have spared no efforts to out Jones and at no time have they denied that he was capable. The real reason for Jones' dismissal is that he refused to heed the governor's edict that the man who grafted in the selling and taking of tickets at the 1915 state fair should not be prosecuted.

The governor made his wishes in this respect known at a meeting held in his office in efforts to suppress news of the theft and in many other ways.

M. L. Jones, Savage and Mrs. Weathered gave no reasons for voting against Jones. Savage and Mrs. Weathered were asked by M. J. Jones but refused to say anything.

The board appropriated \$1000 for the Mothers' Congress and Federated Clubs of Oregon for their use in making exhibits at the state fair.

## OLD AND NEW WAY TO TREAT CATARRH

Breathing a germ killing Air Borne By Actual Results.  
The discovery of Hyomei has wrought a wonderful change in the treatment of catarrh.

Prior to three years ago the medicines ordinarily employed in the cure of this disease were drugs, sprays, lotions, etc. In some instances they benefited, but the improvement was not lasting.

With Hyomei you take into the air passages of your throat and head a balsamic air that goes into the minute cells and should effectually kill all germs and microbes of catarrh.

Perhaps the strongest evidence that can be given to doubters, is the fact that Tallman & Co. have so much faith in Hyomei that they sell every package under a positive guarantee to refund the money if it does not relieve.

## LITTLE PRINCESS OF ITALY STILL PLAYS SANTA TO SOLDIERS

WOUNDED MEN IN ROME ARE REMEMBERED BY DAUGHTER OF ROYALTY.

Crown Prince Regards Disabled Troops As His Protégés — They Are Being Made Happy as Possible by Gifts and Kind Remembrances from Yolanda.

(By United Press.)  
ROME, Jan. 2.—(By Mail.)—Princess Yolanda is just finishing her task of playing Santa Claus to all the wounded soldiers in Rome. In the hospitals where this beautiful fourteen year old daughter of Italy's king could not appear in person there are plenty of Christmas reminders of her activity.

For months the Princess Yolanda worked with all her royal fourteen years of enthusiasm for the Christmas trees for wounded men. Indeed she was chairman of the Christmas tree committee composed of young women of the aristocracy whom thought and care it was to see that every hospital for the wounded was made bright and cheerful.

With what fervor the Princess Yolanda worked is evidenced by the wonderful Christmas trees laden with gifts which gladden these heavens for Italy's brave sons of battle.

The royal family of Italy in a sea transferred all its famed domesticity to these guests within their gates for among the hospitals the one in the Quirinal is regarded as the especial property of the royal children. When the Princesses Mafalda and Giovanni had birthday celebrations and the Marionette theater from down town was transferred to the Quirinal, all the wounded soldiers who were able to walk were invited in to see the birthday performance. They gave three cheers for their royal hostess.

WAR UPON PAIN!  
Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful.

Mervin B. Solter, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new."
