DRESS WARM AND KEEP FEET DRY

THOSE RHEUMATISM SUFFERERS TO TAKE SALTS AND GET RID OF URIC ACID.

Rheumatism is no respecter of age, sex, color or rank. It is the most dangerous of human afflictions. It is one of the most painful. Those subject to rheumatism should act best most dress as warmly as possible, avoid any undue exposure and, above all, drink lots of pure water.

Rheumatism is caused by uric acid which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jod Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jod Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent, lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

Silver Thaw is Cause of Losses in Portland Yards

(Courtesy the Journal.)
PORTLAND, Ore.—The "Silver Thaw" was responsible for decreased offerings in all lines of livestock with the exception of cattle in the North Portland yards for the week.

Hog market offerings were affected considerably; total offerings for the six days being but 5154 head compared with 7944 last week and 4602 head this same week a year ago. High hog prices ruled in the local market at the start of the week and it is likely that still higher values would have been paid had not the freeze interfered with the shipment of top quality stock from the interior.

General hog market range:
Choice light weights... \$7.50@7.55
Good light weights... 7.20@7.40
Medium weights... 7.15@7.25
Rough and heavy... 6.00@6.50

Cattle Market by Farmer.
While there was a slight increase in offerings of cattle in the North Portland yards during the week as compared with the previous six days general trend of the market was better. Some extra fine pupped steers came forward to the market at the week's opening and sold at \$7.75 for tops with cows selling at proportionate values.

Killers' holdings of cattle are far smaller than for many months past while demand for fresh meat is showing an increase.

General cattle market range:
Choice pulp fed steers... \$4.75@4.75
Choice grain fed steers... 5.40@5.50
Ordinary grain fed steers... 5.25@5.25
Choice hay fed steers... 4.75@4.75
Good steers... 5.00@5.25
Ordinary to common steers... 4.25@4.50
Choice cows... 4.25@4.50
Ordinary to common cows... 3.50@4.00
Choice heifers... 4.25
Ordinary to good heifers... 4.00@4.25
Choice bulls... 4.75@4.75
Good to fair bulls... 3.00@3.50
Ordinary to common bulls... 2.00@2.75
Best light calves... 5.00
Good calves... 7.00@7.50

HEAVY SHELLING IS ON ALONG WESTERN FRONT

LONDON, Feb. 5.—Heavy bombardments are in progress at various points along the western line, especially in the region of Loos, held by the British, and around Neuville where the Germans recently captured French positions.

The British are carrying out mining operations around Hulluch. Near the Bois de Buttes, north of the Aisne, the French put down a German attack against their trenches. Unofficial advice says that floods in the Styr river region have compelled

SLIDE CATCHES WORKMEN

SEVEN LABORERS SERIOUSLY INJURED ARE BROUGHT TO WALLA WALLA.

WALLA WALLA, Wash., Feb. 7.—The tides of business continues as a result of the snow. Most of the grocery stores and meat markets have discontinued deliveries. Sidewalks in the business section are gradually being cleared.
Stockmen say that, while little damage has been done, a continuation of the present weather will mean heavy losses. Feed is scarce and a famine is feared. Prices are mounting daily. Stagnation of transportation is one of the worst features. Streets and taxicabs are not running.
The first bad accident of the storm in this district was a snowslide at Riparia, which covered 30 O-W. H. X. laborers. Seven of the men were seriously injured and were brought to Walla Walla for treatment. All will recover. Preparations for high water are being made by business men who are bringing goods out of the basements.
The snow is about 40 inches deep on the level.

A PENDLETON MAN'S EXPERIENCE.

Results Tell the Tale.
Can you doubt the evidence of this Pendleton citizen?
You can verify Pendleton endorsement. Read this:
C. S. Howard, grocer, 1616 W. Webb St., Pendleton, says: "For fifteen years I had a great deal of suffering from a dull pain through the small of my back and left side. For over a year I was annoyed by numbness in my shoulder blades and I couldn't lie comfortably on my back. The kidney secretions were too frequent in passage. I tried several well-known medicines, but nothing did me any good until I used Doan's Kidney Pills. They relieved the ache and pains and regulated the action of my kidneys." (Statement given May 18, 1919).

LATER TESTIMONY.
AFTER A LAPSE OF OVER TWO YEARS, Mr. Howard says: "All I have said in praise of Doan's Kidney Pills, still holds good. They are a splendid kidney medicine."
Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Howard has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.
