"HEEZA BOOB," A fool there was and it's Heeza.

By Mort. M. Burger

Chinese is Hanged.

FOLSOM, Cal., Feb. 18.—Ung Sing was hanged for murdering a Japanese at Stockton in November, 1914. He mounted the gallows without emotion and died in 12 minutes.

DRINK HOT WATER BEFORE BREAKFAST

Says you really feel clean, sweet and fresh inside, and are seldom ill.

If you are accustomed to wake up with a coated tongue, foul breath or a dull, dizzy headache; or, if your meals sour and turn into gas and acids, you have a real surprise awaiting you.

Tomorrow morning, immediately upon arising, drink a glass of hot water with a teaspoonful of limestone phosphate in it. This is intended to first neutralize and then wash out of your stomach, liver, kidneys and thirty feet of intestines all the indigestible waste, poisons, sour bile and toxins, thus cleansing, sweetening and purifying the entire alimentary canal.

Those subject to sick headaches, backache, bilious attacks, constipation or any form of stomach trouble, are urged to get a quarter pound of limestone phosphate from the drug store and begin enjoying this morning inside bath. It is said that men and women who try this become enthusiastic and keep it up daily. It is a splendid health measure for it is more important to keep clean and pure on the inside than on the outside, because the skin pores do not absorb impurities into the blood, causing disease, while the bowel pores do.

The principle of bathing inside is not new, as millions of people practice it. Just as hot water and soap cleanse, purify and freshen the skin so hot water and a teaspoonful of limestone phosphate act on the stomach, liver, kidneys and bowels. Limestone phosphate is an inexpensive white powder and almost tasteless.

Hog Market Flat at $8 for Tops in N. Portland Yards

(Courtesy the Journal.)

PORTLAND, Ore.—Hog market showed extreme tops of Willamette valley stuff weighed up during the day at $8. This is the guarantee price offering by a local meat company for the entire week. The price also represents practically the top for anything in the swine division of the local market at this time.

There was a rather fair supply of swine reported in the yards over night. Half of them were from the valley and the remainder from eastern Oregon and Idaho.

General hog market range:

Choice light weights ......$	8.00
Good light weights	7.90@7.95
Medium weights	7.75@7.80
Rough and heavy	7.50@7.60

Cattle Market Is Easy.

Market for cattle in general is somewhat easier at North Portland, although for extreme quality the trend of the trade remains quite favorable.

Only one full load came forward to the yards over night, and this was from Idaho. The others were from the valley.

General cattle market range:

Choice pulp fed steers ...$	7.60@7.75
Choice grain fed steers....	7.40@7.50

Ordinary to common cows	6.00@6.10

Handful of Mutton Arrives.

There was only a handful of mutton reported in the North Portland yards overnight, and none came forward the previous 24 hours. The limited stocks that came forward were from the Willamette valley, and came with a bunch of hogs.

General trend of the entire mutton and lamb trade remains favorable.

General mutton and lamb range:

Choice weight lambs.....$	8.70@9.00
Good to common lambs...	8.00@8.50

MEN DRAG WOMAN 15 MILES THROUGH SNOW

BAKER, Ore., Feb. 18.—The only means of communication between Granite, Ore., and the outside world is by walking the roads still being piled deep with snow. Desiring to get to Portland, J. J. O'Dair, a Granite merchant, constructed a sled by mounting a box on skis in which his wife as a passenger rode out the 15 miles over the snow to Sumpter, her husband and three assistants acting as the "team." They reached here Tuesday afternoon and left that evening for Portland.

Mrs. Grant Thornburg and two nephews also arrived from Granite Tuesday, the three having walked out over the snow to Sumpter.

Coyotes Are Killing Deer.

KLAMATH FALLS, Feb. 18.—That at least 100 deer have been killed recently by coyotes, and that at least twice that number are imperiled, was the information brought here recently by Harry and Wilbur Telford, who returned from a three days trip to the upper Jenny Creek country, on the Klamath-Jackson county line.

The deer have been practically surrounded by a pack of coyotes and these animals kill the deer at will by driving them from the trails into the deep snow. Several freshly killed carcasses were found by the Telfords, besides the remains of about 100 others killed more or less recently.

Willapa Needs Mill Men.

DRYAD, Wash., Feb. 18.—A serious shortage of men is reported in the mills and logging camps in this vicinity. A representative of the Pacific Eastern of Raymond, was at Dryad, Doty and Pe Ell a few days ago and induced a number of men to go to the Willapa country, where he promised them much better wages. Seven families from Dryad, besides a number of single men moved there the past week.

The Doty Lumber & Shingle company's camps opened up Monday. Their shingle mill has again started also after a shutdown of about six weeks. The lumber and shingle business here looks exceedingly bright.
