Cost and Hat Eschewed.
WHEELING, W. Va., Feb. 22.—A new health cult may be founded here following the great success achieved by Joseph Heflus, who has not worn a hat in two years and has not had even the semblance of a cold in that

time. Heflus has not only gone hatless for two years, but he has also gone coatless. In all kinds of weather he has gone about without hat, coat or overcoat and he has not been sick during that time. Heflus is a big, strapping fellow, not yet out of his teens, and with his

brothers conducts a meat market. He is regarded as one of the finest specimens of physical manhood in the city. Bicycle riding induced him to shed surplus clothing. He found hats and coats cumbersome and superfluous, got out of the habit of wearing them and then passed them up altogether.

BEAUTIFUL HUNGARIAN ACTRESS SHOTASSPY

Sari Petross.

Sari Petross, the beautiful Hungarian actress, has been shot in Budapest as a British spy, according to cable dispatches received by residents of Cleveland who knew her. Miss Petross was put to death, the dispatches said, almost immediately after the court martial found her guilty of luring military secrets from high army officials and communicating them to the British war effort by means of smuggled letters. Until she was executed the public was unaware that Miss Petross was even a prisoner, and the official announcement of the execution was a national shock. Miss Petross was not only a reigning favorite of the Hungarian theatergoers, but of a family of famous Hungarian patriots.

When war was declared the actress was starring in "The Marriage Market," a Hungarian operetta, at Daly's Theater in London. She immediately returned to Budapest, but instead of continuing on the stage began an elaborate round of social work.

Child Saved From Sewer.

NEW YORK, Feb. 22.—Attracted by the screams of children who had been playing around an open manhole, Policeman James Connors investigated and learned that a child had fallen into the sewer. Connors quickly took off his coat and sweater and climbed down the iron ladder. Almost submerged in snow and slush, moving toward the sewer opening, a little girl, Connors was forced to drop from the ladder and struggle neck deep in snow and water to reach the girl. Almost as she was being swept into the dark tunnel, whose outlet is the East River, the police caught hold of the child.

Connors had a desperate struggle to get back to the ladder, the current almost sweeping his legs from under him. A member of the snow shoveling gang went down and took the child from Connors and the policeman climbed back to the street level.

WHY WOMEN WRITE LETTERS

To Lydia E. Pinkham Medicine Co.

Women who are well often ask "Are the letters which the Lydia E. Pinkham Medicine Co. are continually publishing, genuine?" "Are they truthful?" "Why do women write such letters?"

In answer we say that never have we published a fictitious letter or name. Never, knowingly, have we published an untruthful letter, or one without the full and written consent of the woman who wrote it.

The reason that thousands of women from all parts of the country write such grateful letters to the Lydia E. Pinkham Medicine Co. is that Lydia E. Pinkham's Vegetable Compound has brought health and happiness into their lives, once burdened with pain and suffering.

It has relieved women from some of the worst forms of female ills, from displacements, inflammation, ulceration, irregularities, nervousness, weakness, stomach troubles and from the blues.

It is impossible for any woman who is well and who has never suffered to realize how these poor, suffering women feel when restored to health; their keen desire to help other women who are suffering as they did.

The Most Popular Cake This Season
By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

This is considered by many cooking authorities the finest cake that can be made, though in reality it is not at all difficult.

K C Lady Baltimore Cake

One cup butter; 2 cups granulated sugar; 1 cup milk; 1 teaspoonful rose water; 3 1/2 cups flour; 3 level teaspoonfuls K C Baking Powder; whites of 5 eggs, beaten dry.

Cream the butter and beat in the sugar gradually. Sift together, three times, the flour and baking powder, and add to the butter and sugar, alternately with the milk and rose water. Lastly, add the egg whites. Bake in three-layer cake pans. Put the layers together with the following frosting.

Frosting for Lady Baltimore Cake

Three cups granulated sugar; 2 cup boiling water; whites of 3 eggs; 1 cup chopped nutmeats; 1 cup chopped nutmeats; 3 eggs out in thin slices.

Stir the sugar and water until the sugar is dissolved, then let boil without stirring until the syrup from a spoon will spin a long thread; pour upon the whites of the eggs, beaten dry, beating constantly meanwhile. Continue the beating until the frosting is cold; add the fruit and spread upon the cake.
