**MORE IMPROVEMENTS
TO BE MADE AT THE
YARDS AT JUNCTION**

**ROADMASTER WETZEL LOOKS
OVER SITUATION—FENCES
WILL BE CONSTRUCTED.**

Trucks will be protected so as to keep cattle off—Assistant Foreman is named to look after yards pending assignment of regular section crew at Terminal.

(East Oregonian Special.)
PILOT ROCK JUNCTION, Ore., Feb. 23.—Roadmaster Ed Wetzol of La Grande, spent a few hours looking over the yards Monday with a view of improving conditions and protecting the tracks from wandering business by fencing, etc.

Mrs. C. H. Campbell, Mrs. C. Powell and Mrs. E. J. Anthony were passengers to Pendleton on the motor Monday.

Hostler Chas. Weaver went to Umatilla Monday evening to visit his family and look after some business matters.

Section Foreman Bryant of Barnhart has been given an assistant foreman to look after Pilot Rock Junction yards until such time as a regular section crew is assigned to look after the yard tracks along the trackage of a terminal being greater than the average main line section.

Herbert McGill, night car clerk and our official cartoonist, was on the sick list Sunday night but was able to resume his usual duties again Monday night.

W. Ryan, G. S. McCellan, C. D. McNair and P. McDonald, employees at the round house, were all Pendleton visitors Tuesday.

Quite a number of the ladies have signified their intention of visiting the Domestic Science department of the high school, evidently mistaking the professor's kitchen for a room of instruction and probably it would be in case the ladies call the professor playing the roll of pupil.

Camel Cigarettes

are wide-open for comparison with any cigarette at any price! Most sensitive smokers appreciate the pleasure Camel quality offers. They prefer it to premiums or coupons! Freedom from tongue-bite and throat-parch is as welcome as is the absence of any unpleasant cigarette after-taste!

Camels are blended choice Turkish and choice Domestic tobaccos; you'll prefer their new flavor and mild-smoothness to either kind of tobacco smoked straight! That desirable, satisfying "body" is all there—without any come-back! No matter how many you smoke!

Camels are sold everywhere in essentially sealed packages, 20 for 10c; or ten packages (200 cigarettes) in a glassine-paper-covered carton for \$1.00. We strongly recommend this carton for the home or office supply or when you travel.

Married Men Face Draft.
LONDON, Feb. 18.—Young married men who have not enlisted are soon to receive the attention of the war office. All single men who are listed under the Earl of Derby's plan have been called up.

Married men who attested under the Derby plan will next be called to arms. Most of them are men between 30 and 40 years old. There are large numbers of married men below 30 years of age who have not attested the appeal to take up arms and the authorities are searching for a method to bring them into line.

A Roosevelt in Tears.
NEW YORK, Feb. 19.—Seeking solace in his marriage to Edith Roosevelt, aged 21, John Ellis Roosevelt, aged 41, a cousin of Colonel Theodore Roosevelt, sobbed out in court a pathetic story of his marital troubles.

Before marriage Edith declared the disparity in our ages would make for difference," he cried, "but afterwards she repelled me and would never remain alone with me. She never even allowed me a goodnight kiss."

Ballot May Help Cupid.
WINNEPEG, Man., Feb. 18.—The ballot may help Cupid. The Manitoba legislature, in a diagnosis of the temperance act, ruled that married men will be allowed to keep liquor in their homes but bachelors will not be allowed to have intoxicants in their possession if the province goes dry at an election March 15.

Berkeley Gets Eddy Mahan.
BOSTON, Feb. 19.—The definite statement that Eddie Mahan, the famous Harvard football star, will coach the back field of the University of California next season was made by persons in a position to know.

It is understood that Mahan plans to purchase a vineyard in California as he has completed his college course and has taken his degree and that he expects to make his home in the golden state. It is reported that he will be paid \$2,000 for his services at Berkeley.

Girls Ransomed from Parks.
NEW YORK, Feb. 19.—The American committee for Armenian and Syrian relief is now engaged in the work of ransoming captured girls and women from the hands of Turks and Kurds, according to a statement issued by the committee. The missionaries, the committee says, report that the cost of reclaiming these girls varies from \$20 to \$50.

Won't Affect Bald Heads.
HARRISBURG, Pa., Feb. 18.—Prices were boosted in every one of Harrisburg's 115 tonsorial parlors, which hadn't boosted them February 1. A hair cut now costs 25 cents and a shampoo the same, advances of a nickel each. Plain shaves remain at 10 cents, but a simple luxury like hot towels costs half as much more.

A clear brain and healthy body are essential for success. Business men, teachers, students, housewives, and other workers say Hood's Sarsaparilla gives them appetite and strength, and makes their work seem easy. It overcomes that tired feeling. — Adv.

TEXAN SHERIFF KILLED BY FIVE JAILBREAKERS

EL PASO, Tex., Feb. 21.—Dwight B. Stephens, sheriff of Luna county, New Mexico, was killed and a deputy sheriff, Buck Sevier, seriously wounded in a battle at Rincon, N. M., Sunday with five fugitives who had previously escaped from the jail at Deming, according to a report received here. One of the fugitives also was killed, it was said.

Four of the fugitives are reported to have overpowered City Marshal Tabor and Deming, and locked him in a cell. Tabor was relieved of his watch, pistol and \$5 and several rifles were taken from the jail office.

The men then obtained an automobile belonging to D. O. Snodgrass. Snodgrass was robbed of \$20 and also thrown into jail. Joe Cranston, held for vagrancy, was put at the wheel, and the party started toward Rincon.

Tabor and Snodgrass were found in the jail in an hour after the escape and Sheriff Stephens, with Deputy Sevier and a small posse, started in pursuit. The posse came to the fugitives at Rincon. Stephens fell dead in the ensuing fight.

LOOKING FOR WORK

Everywhere men complain about work; even boys and girls in school or business find work tedious and irksome, but it isn't the work half so much as their own lack of physical strength that makes it hard.

Rich blood, strong lungs and healthy digestion make work pleasurable in business, in school or even housework, and if those who are easily tired—who are not sick, but weak and nervous—would just take Scott's Emulsion for one month and let its pure concentrated food create richer blood to pulsate through every artery and vein—let it build a structure of healthy tissue and give you vigorous strength—you would find work easy and would look for more. Insist on Scott's.
