

Why pay Tire Bills for Others— —i. e., for RECKLESS Drivers

AMERICANS who want their money's worth,—who dislike to pay for the Reckless-driving extravagance of Others,—in the price of their own Tires, should sit up and take notice of following FACTS:—

The current Goodrich "Fair-List" price on Tires, is based upon what it costs the largest, and best equipped, Rubber Factory in America to produce them.

No "Insurance" Premium added to the NORMAL retail price of Goodrich Tires, in order to protect the Reckless Driver at the expense of the Careful Driver, through a fancy List Price which is high enough to absorb that Premium.

The excess Mileage each Goodrich Tire is reasonably certain to deliver, when given reasonable care in driving, thus becomes clear "Velvet" to the Owner of GOODRICH Tires.

Money can't make, and can't buy, better Tires of Fabric construction, than Goodrich Safety-Tread Tires, as Test will prove.

And, money can't buy the B. F. Goodrich Co. to produce Tires which would discredit the 289 other lines of Rubber Goods made by the B. F. Goodrich Co., for which its name stands Sponsor.

COMPARE prices on Goodrich "Fair-List" Tires with present prices on any other responsible Tires in the field, bearing in mind that NO "LARGER-SIZED" Tires (type for type and size for size) than Goodrich Black-Treads, are made in America.

Then, Test out at least ONE pair of Goodrich black-tread Tires, on their per-DELIVERED-Mile cost to you, against any other Tires in the field, at any price, and,— abide by the Result.

Why (if YOU are not a Reckless Driver) should YOU pay MORE than the "BUSINESS" price of the Goodrich Tire, for ANY Fabric Tire in the field?

Get a sliver of the new Goodrich "Barefoot" Rubber from your nearest Goodrich Dealer or Branch.

HIGH SCHOOL NOTES

In the domestic science department of the high school, Miss Butler is carrying on an extensive program in breadmaking. Several contests have already been held.

The advanced classes will also prepare a portion of the dinner to be served at the banquet of the forum's Monday night.

With the arrival of the warmer days and the coming of spring the high school cafeteria has closed to the students. Miss Butler announces that it has more than paid for the cost throughout the season it was running.

A book used in 1873 in Farmington, Me., reveals the fact that in November of that year prices of beef ranged from 5 cents to 10 cents; chickens, 15 cents; pork, 12 cents; lamb, 10 cents to 12 cents; turkeys, 17 cents.

CARRY STOMACH JOY IN YOUR VEST POCKET
Tallman & Co. Have Such Faith in This Dyspepsia Remedy that They Guarantee It.
One of the greatest successes in the sale of medicine has been achieved by Mi-o-na, the standard dyspepsia remedy, and its sale is increasing so rapidly that Tallman & Co., the popular druggists, have had work to keep a stock on hand. It is very popular with bankers, ministers, lawyers and others whose business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry, or other causes, have found relief in this reliable remedy. Mi-o-na comes in tablet form and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take, gives quick relief and should help any case, no matter of how long a standing. This remedy has been so uniformly successful that Tallman & Co. will in future sell Mi-o-na under a positive guarantee to refund the money if it should not prove entirely satisfactory. No other dyspepsia medicine ever had a large enough percentage of cures so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.

There is no time like the present to do a thing that ought to be done. If any one has dyspepsia, today is the best time to begin curing it.

ITCHY SALT RHEUM

Sometimes Called Eczema—Removed by Hood's Sarsaparilla.

Salt rheum is one of the worst and unfortunately one of the most common of all diseases. How it reddens the skin, itches, oozes, dries and scales, and then does this all over again! Sometimes it covers the whole body with inflamed, burning patches and causes intense suffering, which is commonly worse at night. Local applications may do some good, but they cannot permanently relieve. The disease will continue to annoy, pain and perhaps agonize, until the blood has been purified and the general health improved.

Ask your druggist for Hood's Sarsaparilla, the good old reliable family remedy. It has given perfect satisfaction in thousands of cases. Insist on having Hood's Sarsaparilla, for no substitute acts like it. Get it today.
