Hog Market Strong at North Portland; Light Stuff High

(Courtesy The Journal.)
 PORTLAND, Ore.—While no sales were made during the morning at the high point established on Monday, the market for hogs showed strength at North Portland during the day. Sales of stuff that was not in the topper class indicated this much: In fact the morning's sales of real light weights at \$5.25 indicated a slight advance for toppers over the previous high point.
 There was a fair run of hogs in the yards available for the trade at the opening of the day's market. Buy- ing was of good character, which in- dicated continued strength.
 General hog market range:
 Good light weights, \$8.25@9.50
 Good light weights, 8.10@8.25
 Medium weights, 7.90@8.00
 Rough and heavy, 7.50@7.75
Cattle Market Nominal.
 With just a handful of drive-ins reported in the yards overnight, market for cattle was extremely quiet at North Portland during the day.

 Choice pulp fed steers, \$7.00@7.20
 Choice grain fed steers, 7.00@7.20
 Ordinary grain fed steers, 7.25@7.50
 Choice hay fed steers, 7.00@7.25

IF BACKACHY OR KIDNEYS BOTH

EAT LESS MEAT ALSO TAKE GLASS OF SALTS BEFORE EATING BREAKFAST.
 Uric acid in meat excites the kid- neys, they become overworked, get sluggish, ache and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from back- ache, sick headache, dizziness, stom- ach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.
 Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad salt; take a tablespoon- ful in a glass of water before break- fast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.
 Jad Salt is inexpensive, cannot in- jure; makes a delightful after-dinner litta-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here may tell you lots of Jads, but to folks who believe in overcoming kidney trouble while it is only trouble.
