Where It Pays To Trade

A PAIR OF THEM.

A man was walking down the street when he was overtaken by a dog that began to snap at his heels. The man tried to make no effort to call it off, so he gave the dog an admiring kick. "Brute!" cried the woman. "To kick a little defenseless animal! That little creature is a pet and is not accustomed to such treatment!" "I beg your pardon, madam," the man said. "I did not mean to hurt your dog. But you should have called him off."

"He would not have hurt you," replied the woman in a pained tone. "He is a pet."
"I did not care to be bitten by him, nevertheless madam," returned the man. "I am somewhat of a favorite at home myself."

Politics.

A candidate at a political meeting was heckled by a fat man. This heckling after a while got on the nerves of another member of the audience and he roared at the fat man: "Shut up, you ass!"
At this a third member of the audience shouted:
"Oh, you shut up, too! The pair of you are asses!"
The candidate on the platform took a sip of water. Then he said:
"There seems to be a lot of asses on hand here tonight, but, gentle for the love of Mike, let's hear one of a time."

"Well, you go on, then!" yelled a chap in the gallery.

Keep Your Bowels Regular.

As everyone knows, the bowels are the sewerage system of the body and it is of the greatest importance that they move once each day. If your bowels become constipated, take a dose of Chamberlain's Tablets just after supper and they will correct the disorder. Obtainable everywhere.—Adv.

REASON HE MOVED.

"Would you mind telling me off 15 minutes earlier after this?" asked the bookkeeper. "You see, I've moved to the suburbs and I can't catch my train unless I leave the office at a quarter of five."
"You should have thought of that before you moved," said his employer.

"I did," was the reply. "That's the reason I moved."

KEEP YOUR SKIN CLEAR AND HEALTHY.

There is only one way to have a clear, healthy complexion and that is to keep the bowels active and regular. Dr. King's New Life Pills will make your complexion healthy and clear, move the bowels gently, stimulate the liver, cleanse the system and purify the blood. A splendid spring medicine. 25c at your druggist.—Adv.

SOCIAL AND PERSONAL

Mrs. T. M. Henderson and Mrs. William C. McKinney entertained Saturday with a musical afternoon at the home of Mrs. Henderson on East 11th street. The guests were the members of the Thursday Afternoon Club. Groups of piano numbers were given by Miss Helen Burnett and Mrs. Nellie Whiting of Walla Walla, and Misses Dorothy Henderson and Lola Swagartz and a group of violin solos was played by Miss Margaret Lowell. The program was entirely of popular music and proved very enjoyable.

Speaking of the anniversary celebration of Mr. and Mrs. Charles Samuel Jackson of Portland at which Pendleton people were the principal guests, the Oregon Journal of yesterday says in part:
Thursday evening festivities opened with a luncheon at the Jackson residence in Salmon street. Friday a trip up the Columbia highway with a dinner at Mrs. Henderson's Crown Point chalet was enjoyed and Saturday a luncheon and theater party followed by dancing at the Hotel Portland.

The party was planned as a reunion of old time friends, many of whom were present at the wedding of Mr. and Mrs. Jackson and some since that time have all enjoyed many good times together. Thursday evening the dinner was a beautifully appointed affair. The table with its pink and white flowers in the center and pink crystal bowl of the flowers and special chairs radiated to another world in which more roses were arranged. Beyond this orange bouquets of the same rose hue, combined with sweet peas, lilacs of the valley and maiden hair ferns, were laid in a wreath around the board, pink ribbons extending to the place of each woman. Mrs. Jackson was gowned beautifully in a pink silk crepe and shifon gown elaborated with crystal beaded trimming and which shaded exactly in tones of pink with the general color scheme.

Just before the guests took their places Mrs. Jackson was presented with a beautiful bride's bouquet of white roses and lilies of the valley arranged in a shower with cascades of white ribbon and flowers. Between courses many fun provoking favors were distributed. The guests presented the hosts with a handsome silver coffee urn and tray which was brought on a complete surprise for the hostess to receive. Silver teaspoons were also discovered on the tray marked with the first name of each of the guests. After dinner, the bride took her place on the stairway and threw her bouquet, while the women assembled below and vied with one another in catching it. Mrs. Johnson was the fortunate one. The house was a bower of beautiful flowers, the gifts of the many friends of Mr. and Mrs. Jackson. Their guests included: From Pendleton: Mr. and Mrs. F. E. Judd, Mr. and Mrs. John P. Robinson, Dr. and Mrs. F. W. Vincent, Mr. and Mrs. C. E. Roosevelt and Mr. and Mrs. Leon Cohen. Other friends from Portland were Mr. and Mrs. T. C. Taylor, Mr. and Mrs. H. F. Johnson and Miss Vera Lane.

Mrs. W. P. Temple and Mrs. Westbrook Dickson will entertain informally tomorrow afternoon at the home of Mrs. Dickson on South Main street.

Miss Lola Rogers and Miss Marie Selma arrived home last evening from a short visit in Portland.

Miss Leta Koussick left today for Portland where she will enter the

High School. She was accompanied by Mrs. Earl Gillingham.

Miss Harriet Johnson and Miss Helen Gregg of Portland will visit in Pendleton this week the former as the guest of Mrs. John P. Robinson and the latter as a guest of Mrs. C. E. Roosevelt.

Walter Owens entertained a number of high school friends Saturday evening at a clam bake at the golf plant. Delicious clam with all the necessary side dishes were the special resistance of the evening and at the close of the dinner, a social time was enjoyed. R. E. Chalmers was chairman to the young people, the following being the guests of Mr. Owens: Margaret Phelps, Hester Proctor, Jean Reber, Beulah Smith, Catherine Thompson, Madeline Burgess, Ralph Burgess, Ned Fowler, Ernest Boston, Tom Murphy and Donald Robinson.

Miss Elina H. Burton became the bride of Le Roy S. Sullivan Saturday afternoon when Rev. Hodge of the Methodist church pronounced the words that made them man and wife. The ceremony was at the parsonage and only the immediate friends of the young couple were present. Both are popular residents of Hermiston, at which place they will make their home.

William Thomas Spence and Miss Margaret Mary Parsons were joined in matrimony at the Catholic rectory on Saturday, November 27, by Rev. Joseph C. De Ruy, officiating. The groom is from Ukiah, the bride comes from Rossland, Alberta.

Mr. and Mrs. Frank S. Carl are at Hot Lake.

AVOID SPRING COLDS.

Sudden changes, high winds shifting seasons cause colds and grippe, and these spring colds are annoying and dangerous and are likely to turn into a chronic summer cough. In such cases take a treatment of Dr. King's New Discovery, a pleasant Laxative Tar Syrup. It soothes the cough, checks the cold and helps break up an attack of grippe. It's already prepared, no mixing or fussing. Just ask your druggist for a bottle of Dr. King's New Discovery. Tested and tried for over 40 years.—Adv.

\$12,000 For Road Sought.

WASHINGTON, March 13.—Representative Hawley introduced a bill authorizing an advance from forest receipts in Oregon of \$12,000 to build a road connecting the county road out of Grants Pass with the Oregon Caves in Josephine county, the entire road lying in the Siskiyou national forest. The money advanced is to be reimbursed from Oregon's 25 per cent of forest receipts. The bill is referred to the forest committee.

The Court of Last Resort.

Around the stove of the cross roads grocery is the real court of last resort for it finally overrules all others. Chamberlain's Cough Remedy has been brought before this court in almost every cross roads grocery in this country and has always received a favorable verdict. It is in the country where man expects to receive full value for his money that this remedy is most appreciated. Obtainable everywhere.—Adv.

KAISER'S SON AND PRINCESS WHO WED

BEELIN, March 11.—The Kaiser's youngest son, Prince Joachim, has wedded Marie Auguste of Anhalt, a beautiful of German princesses. The wedding ceremonies at the Neues Palais, Potsdam, the imperial residence, were of the simplest, as befits war time. The only guests were the parents of the bride and bridegroom, their brothers and sisters, a few other very near relatives and a half dozen high officials. The Kaiser himself gave orders that there be no pomp or extravagance. The princess is the oldest daughter of Prince George of Anhalt and a niece of the reigning Duke Frederick II. of Anhalt-Dessau. She will not be 18 years old until June 16, next. This is according to general belief a romantic match. The young folks fell in love at sight before the war began. The sanction of the parents was readily secured, but the war and the youth of the bride delayed the ceremony.

FARMERS' WORK LAND IN NOLIN SECTION; RIVER STILL HIGH

LOW LANDS ARE FLOODED AND WILL DELAY CROP PLANTING THERE.

Leap Year Basket Social Is a Success—Mud and Dead Jackrabbits Are Plentiful in the Butter Creek Country According to Deputy Assessor Steel—Other News.

(East Oregonian Special.)

NOLIN, Ore., March 13.—The past few days have been a great improvement over the weather which has been so disagreeable for several weeks past. Farmers are working their land as fast as it becomes dry enough to be tilled.

The Umatilla river is on a rampage and is out over the lower lands. No particular damage is being done other than that it will be a long time before the submerged territory can be planted to crop.

Berg and Byron Moll, Pendleton high school students and sons of Gus Moll, the well known state line wheat farmer spent Saturday and Sunday in our vicinity, visiting as guests of the families of J. R. Hendricks and O. F. Steele. They were accompanied by Freeman Hendricks of Nolin, who is attending the same school.

Yvonne Cates, an employe of the Shuster ranch during the winter, left last week for Cascade Locks.

Mr. and Mrs. Dale Shuster and 31 Shuster, went to the county seat Saturday evening to remain over Sunday.

D. B. Wolford, Lester Lane and Joe F. Fisher, were delegates to the Sunday school convention at Milton last week.

Theodore Marple, son of Charles Marple, who formerly lived here, but now of near Farmington Wash., with his bride of a few days, visited the family of Jas. B. Marple last week.

Several people from our vicinity attended a leap-year basket social Saturday night at the North Yonkum school Saturday night at the North Yonkum school. The ladies didn't run the bids on the baskets very high, the prices ranging from 25 cents to one dollar each.

The proceeds of the evening amounted to about \$13 which will be used to buy library books for the school.

Deputy Assessor Steel spent Sunday with his family after spending the past week in the Butter creek country, where he states that he saw more mud, more dead jack rabbits, more farmers wanting his upon which to do their spring work, and fewer leaders than he ever saw before in that country.

The damage done on the "creek" by the recent floods will soon be repaired and the precipitation, being much greater than it has been for several years, the little valley will soon regain its beauty.

MANY FINGERS ARE TAKEN BY SQUARE-HEAD JOINTERS

UNIVERSITY OF OREGON, Eugene, March 13.—A workman in Umatilla county was joining a small piece of oak moulting, it caught and was thrown by the machine, causing his hand to drop into the knives. Five twelfths of the first, all the second, all the third and one third of the fourth finger were cut off.

"Such an accident would have been impossible had a round-head jointer been used. Only a fraction of the finger tip would have resulted," writes Ben Williams, state chairman of the state industrial accident commission, to the state university members of the Safety Forum. The cost of this one accident to the commission is estimated equal to the expense of installing round-head jointers in 25 establishments.

Mr. O. P. Hoff, state labor commissioner, has ordered discontinuance of square jointer heads and replacement of them by round heads in all Oregon establishments, on or before March 1, 1917.

Seventy one fingers were lost in Wisconsin in one year through use of square head jointers.

The state labor commissioner has also ordered the boards to be put in all walkways and platforms where practicable; solid webs to be put on all exposed printing press flywheels; discontinuance of use of circular saws that are cracked more than one-half inch deep; placing a valve on the exhaust of each unit where two or

What to Do for Itching Skins

There is usually immediate relief for skins itching, burning and discolored by venoms, ringworms, or similar tormenting skin-trouble, in a warm bath with resinol soap and a simple application of resinol ointment. The soothing, healing resinol medication stops itching at once, and soon clears away all traces of eruption, even in severe and stubborn cases, unless the trouble is due to some serious internal disorder. You need never hesitate to use resinol. It is a doctor's prescription that has been used by other physicians for twenty years in the treatment of skin afflictions. It contains absolutely nothing that could injure the tenderest skin. Every dermatologist sells resinol ointment and resinol soap. Resinol Soap soothes tender skins and helps to make poor complexions clear, fresh and velvety, because it contains this resinol prescription.

ABOUT 300,000 BABIES DIE BEFORE ONE YEAR

The Census Bureau estimates that 300,000 babies died in this country last year before the age of one year, and it is stated that one-half of these deaths were needless if all mothers were strong and infants were breast-fed.

Expectant mothers should strive to increase their strength with the strength-building fats in Scott's Emulsion which improves the blood, suppresses nervousness, aids the quality of milk, and feeds the very life cells.

Physicians prescribe Scott's Emulsion; it is doubly important during nursing. No alcohol. Every druggist has it. Insist on Scott's—the white-food medicine. No advanced prices. Scott & Bower, Bloomfield, N. J.
