

### SUGGESTIONS TO SICK WOMEN

#### How Many Are Restored To Health.

**First.**—Almost every operation in our hospitals performed upon women becomes necessary through neglect of such symptoms as backache, irregular and painful periods, displacements, pain in the side, burning sensation in the stomach, bearing down pains, nervousness, dizziness and sleeplessness.

**Second.**—The medicine most successful in relieving female ills is Lydia E. Pinkham's Vegetable Compound. It regulates and strengthens the organism; it overcomes disease.

For forty years it has been making women strong and well, relieving backache, nervousness, ulceration and inflammation, weakness, displacements, irregularity and periodic pains. It has also proved invaluable in preparing for childbirth and the Change of Life.

**Third.**—The great number of unsolicited testimonials on file at the Pinkham Laboratory at Lynn, Mass., many of which are from time to time published by permission, are proof of the value of Lydia E. Pinkham's Vegetable Compound, in the treatment of female ills.

**Fourth.**—Every ailing woman in the United States is cordially invited to write to the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass., for special advice. It is free, will bring you health and may save your life.

### Makes Your Stuffed, Germ-Laden, Catarrhal Head Clear as a Bell

When you wake in the morning plagued with the tortures of head colds and catarrh, head, nose and throat stopped up, air passages clogged with obnoxious catarrhal discharges that have collected during the night and you can hardly breathe—just put a little Hyomei Pocket Inhaler charged with the pleasant healing oil of Hyomei between your lips. Hold it there while dressing and breathe the medicated, antiseptic, germ killing air deep into your nose, throat and lungs with every breath you draw.

By the time you are dressed your head will be clear as a bell, you will breathe with ease and comfort, eat your breakfast with a relish and go about your day's work with a clear brain and steady eye.

This clean smelling, germ destroying air of Hyomei penetrates deep down into every fold and crevice of the membranous linings of your nose, throat and lungs where no liquid spray could possibly get and absolutely kills and drives out of your system every germ it finds there, heals the inflamed swollen tissues and after the very first trial you notice a wonderful improvement. A few weeks' use and every catarrhal germ is killed and driven out of your system.

Broughts everywhere think so well of Hyomei that they agree to give you a guarantee with every complete inhaler set you purchase that if it does not satisfy they will gladly return every cent you paid for it, but if using for the first time be sure to ask for the complete Hyomei Pocket Inhaler outfit as the smaller package does not contain the inhaler. Tallman & Co. or most any other reliable druggist, will gladly supply you on request.

### Sleeping Man is Attacked by Thug at Terminal Yards

W. A. MARSHALL, EMPLOYED BY CONTRACTING FIRM, STRUCK ON THE HEAD.

Blunt Weapon Is Used, Cutting Ugly Gash; No Motive Is Known for the Attack; No Evidence of Robbery; Injury Will Not Prove Serious; Other Junction Notes

(East Oregonian Special.)  
**PILOT ROCK JUNCTION, Ore., March 12.**—W. A. Marshall, who has been employed by Moore Bros., contractors here, was assaulted some time early Sunday morning while asleep in his tent near the round house. The miscreant cut a hole through the tent and struck Marshall a hard blow on the head with some blunt weapon as he lay in his bunk. It is not known what the motive for the attack could have been as there was no evidence of robbery and Marshall had no enemies so far as known. It is not thought the injury will result in anything serious.

Professor Copeland went to Heppner Friday morning on business, returning on No. 2 Sunday evening.

Chas. Weaver, formerly hostler at the round-house here, has returned to Umatilla and will be located there again.

Clifford McNurlen, hostler's helper has been transferred to the station force and is now working the car desk nights in place of F. J. Martin, promoted to day work. R. D. Bunnell takes the position as manifest clerk, relieving W. T. Marten.

C. H. Campbell, formerly employed in the store department, has taken outside work as car repairer in the yard.

Foreman D. W. Jackson has received and distributed about 25 garbage cans to the various outfit cars and cabooses occupied by employees and their families, for the purpose of keeping sanitary conditions to what they should be. The ordinary garbage from kitchens must not be thrown out on the ground to decay and cause sickness. This feature will be watched closely and parties guilty of such unsanitary carelessness will be reminded of it in no gentle terms when the "super" shows up, no doubt.

These beautiful moonlight nights with the gentle breezes of springtime takes us back to the days of our youth when sporting was the chief pastime during the long, pleasant evenings. It's time now for a little social element to be injected into the life of our city. We heard rumor there was to be a "test acquainted" gathering at the school house some evening this week but as yet we have no invite, possibly they don't want a correspondent around to tell on them. Don't fear, ladies. We know a pretty gown whenever we get our lamps on one and will take great pleasure in describing it and awarding the blue ribbon to the lady that makes the best cake.

P. S.—Don't forget the cats.

### Romeo Hagen

Romeo Hagen, well known middle-weight fighter is in Pendleton today en route to Walla Walla to visit friends. Hagen is willing to meet any middleweight or lightweight in these parts. Local fans remember him the best as the man who stopped Jack Carpenter in eight rounds in Walla Walla a couple of years ago. Hagen was in New York training with Pauly DePinto last September when he was called to fight. His next fight in Pendleton was had down shot to a knockout. His brother is a policeman and his experience with the franchise has incapacitated him from any further ring service.

## "I'M THE GUY" - - - - - By GOLDBERG

When you get puffing along at a Smile-a-Minute gait behind a pipeful of mild, mellow, good-for-a-fellow "Tux" you're bound to become the Cheer Leader on the road to Success.

# Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo develops more joy-power to the pipeful than any other tobacco—why? Because it's the only tobacco made that will not "bite"—nor even try to "bite"—the most sensitive tongue and throat.

CHRISTY MATHEWSON Famous Baseball Pitcher, says:

"Tuxedo gets to me in a natural, pleasant way. It's what I call good, honest, companionable tobacco—the kind to stick to."

*Christy Mathewson*

Tuxedo is made by the original, secret "Tuxedo Process"—the only process that removes all sting and harshness from tobacco. And the tobacco used in Tuxedo is the ripest, mildest leaf grown—aged 3 to 5 years to delightful fragrance and mellowness.

Tuxedo is widely imitated (did you ever hear of anything original and worth while that wasn't?), but—when you call for a show-down in your pipe, imitation brands will quickly bite their way out and leave you and Tuxedo together in peace.

## Suffered The Agony Of a Dozen Deaths

PROMINENT FARMER IN CANADA DESCRIBES HIS RECOVERY AND ESCAPE FROM THE OPERATING TABLE.

In a letter to friends at Saskatoon, Mr. F. Gifford, of the Ball Rock Farm, Maymont, Saskatchewan, Canada, says: "Thanks to Fruitola and Traxo I am alive. I lay on my back for sixteen days, suffering the agonies of a dozen deaths. I began taking Fruitola and was relieved of a great many gall-stones. My health is now fully restored.  
 Fruitola possesses properties that act directly upon the intestinal parts. It is a great system cleanser, softening the congested waste and disintegrating the hardened particles that cause so much suffering, and quickly expels the accumulation to the great relief of the patient. Traxo is a tonic-alternative that acts on the liver and kidneys, stimulates the flow of gastric juices to aid digestion and removes bile from the general circulation. It serves to build up and strengthen the weakened, run-down system.  
 Fruitola and Traxo are prepared in the Pinus laboratories at Monticello, Ill., and arrangements have been made to supply them through representative druggists. In Pendleton they can be obtained at Tallman & Co., 623 Main street.
