### Girl of 18 Is Prisoner.

NEW YORK, March 16.—Marion Atreus, 18 years old, told the police of the West One Hundred and Twenty-fifth street station an exciting tale of being kidnaped in a taxicab, drugged and locked in a furnished room in Manhattan for several days. Her father, Joseph Atreus, of Teaneck, N. J., who with his wife is in the clown and acrobat business with Barnum & Bailey, refused to aid anything to the girl's story.

The police quote the girl as saying that she had been visiting her aunt Mrs. Mabel Owen, of 255 Union street, Jersey City, and was returning home when two young men offered to take her in a taxicab to the Fort Lee ferry. She accepted their offer. A handkerchief was thrust down her

### throat. She awoke in a furnished room "somewhere down town."

The men threatened to kill her if she raised an outcry, and forced her to drink the contents of a small bottle. They repeated the process continually until several days later when she awoke and found herself alone. She escaped and ran 15 blocks, she said, before finding a policeman.

### In Teaneck officials are investigating the theory that it was an elopement.

### Osmer E. Smith is Now Formally in Attorneyship Race

#### SENDS DECLARATION OF CANDIDACY TO SALEM; ANNOUNCES PLATFORM.

Osmer E. Smith, well known young Pendleton attorney, is now a formal candidate for the republican nomination for district attorney. Yesterday he sent his declaration of candidacy and platform to the secretary of state to be filed.

In his formal declaration he promises strict enforcement of the prohibition and all other laws and equal protection to the rich and poor. His statement of his position is as follows:

Immediately following Mr. Steiwer's decision to the effect that he would not be a candidate to succeed himself as district attorney of Umatilla county, the county urged that I seek the nomination. However, I am frank to admit that I am not entering the race under the guise that others want me to make the run but, as in the case with all candidates I am in the race because I want the office.

There can be only one platform for those who seek the office of district attorney if they seek it in good faith. Mine is as follows: The office of district attorney is a public office and therefore all persons are entitled to like treatment and benefits. If I am nominated and elected I shall conduct the affairs of the office in an economical and business like manner, with equal consideration to all, whether they be rich or poor, I shall endeavor to enforce all laws regardless of who the violators may be. I shall do my very best to apprehend and prosecute all violators of the prohibition and all other laws and if nominated and elected it will be my earnest desire that the public co-operate with me in their enforcement.

### DYSPEPSIA OVERCOME

Tone Up the Stomach with Hood's Sarsaparilla.

When you have dyspepsia your life is miserable. You have a bad taste in your mouth, a tenderness at the pit of your stomach, a feeling of puffy fullness, headache, heartburn, and sometimes nausea. Dyspepsia is difficult digestion—that is what the word means—and the only way to get rid of it is to give vigor and tone to the stomach and the whole digestive system. Hood's Sarsaparilla, sold by all druggists, is the one medicine which acts on the stomach through the blood and also directly. Its beneficial effects are felt at once. Improvement begins immediately.

Hood's Sarsaparilla purifies the blood, makes the rich red blood that is needed for perfect digestion, and builds up the whole system. No other medicine can take its place.

### Every Girl Should "Know a Job"

By Ada Patterson.  
"Know what the people (near, relatively) feel for the law of heaven (as) it is dimly written there; may do not neglect. If you have the opportunity to ascertain what they vote and say."—Carlyle.

As you hurry up the street, intent upon your individual errand, a scarp of wisdom assaults your ears. It is important because it is the crystallized wisdom of some one's experience. No one lives in vain and no one should speak in vain. This overhead wisdom of the streets should not be ignored nor forgotten.

### YES—IT IS POSSIBLE TO STOP RHEUMATISM

Rheumatism is a tormenting and stubborn malady. In some cases it yields to treatment which is without avail in other cases. The darting pains, lame muscles or stiffened joints only disappear by gradually expelling the uric acid, and so many thousands have been relieved by the blood-enriching oil-food in Scott's Emulsion that you should give it a faithful trial. Scott's Emulsion acts as a powerful blood-purifier by increasing the red corpuscles and it strengthens the organs to carry off the acids which cause the trouble. Scott's Emulsion. It cannot harm. It has saved thousands and may be exactly what you need. No Alcohol. Scott's Emulsion. Bottled in U.S.A.

Even then you will occasionally take a cold, especially when colds are epidemic, and when you do you will find Chamberlain's Cough Remedy a great help in enabling you to get rid of it. Obtainable everywhere.—Adv.

Man Has Money; No Food.  
WILLOWS, Cal., March 16.—A Russian who says his name is Jack Pavlov, is in the county hospital here suffering from starvation. A rancher of the Grand country found him lying by his barn simply "all in."

The farmer took him to his home, put him in bed and tried to feed him but he was too far gone to eat. Then the good Samaritan, who did not give his name at the hospital, brought the suffering "moujik" to this city where Dr. F. M. Lawson, county physician, admitted him.

Pavlov wore two suits of underwear, two shirts, two pairs of trousers, two coats, two hats and two pairs of shoes. To achieve the last feat he drew a larger pair over the first and wired them there. Wearing two hats was simplicity itself—a large stiff one was worn over a smaller soft hat.

After a hot bath the luckless Slav could eat.

Dr. Lawson said a few more hours' hunger, cold and exposure would have killed him. Pavlov had several dollars in his pocket. He said he wanted to save this and thought he could get through until he found a job without eating.

General von Hindenburg, chief of the German army, is an expert chess player.

Pendleton people are astonished at the INSTANT action of simple buckthorn, glycerine, etc., as mixed in Adler's-ka ONE SPOONFUL removes such surprising foul matter it relieves almost ANY CASE constipation, sour stomach or gas. Because Adler's-ka acts on BOTH lower and upper bowel, a few doses often relieve or prevent appendicitis. A short treatment helps chronic stomach trouble. Tallman & Co.—Adv.
