Where It Pays To Trade

## STOMACH MISERY QUICKLY VANISHES

Your money back if you want it is the way in which Tallman & Co., the popular druggists are selling Mi-o-na, the great dyspepsia remedy.

This is an unusual plan, but Mi-o-na has so much merit and is so almost invariably successful in relieving all forms of indigestion that they run but little risk in selling under a guarantee of this kind.

Do not be miserable or make your friends miserable with your dyspepsia. Mi-o-na will help you. If it doesn't, tell Tallman & Co. that you want your money back and they will cheerfully refund it.

A change for the better will be seen from the first few doses of Mi-o-na and its continued use will soon start you on the road to perfect digestion and enjoyment of the food.

Mi-o-na has been so uniformly successful that every box is sold under a positive guarantee to refund the money if it does not relieve. What fair proposition could be made?

Tallman & Co. give their personal guarantee of "money back if you want it" with every box of Mi-o-na that they sell. A guarantee like this speaks volumes for the merit of the remedy.

## Hagen Has Fought 200 Battles During His Career in Ring

### WILL MEET MCCABOLL HERE THURSDAY EVENING IN A TEN ROUND GO.

Though but 25 years old Roman Hagen, who fights Ray McCaboll in this city Thursday evening, is a veteran of 200 battles and in all that time he has known the sensation of being knocked out but twice. Once he took a sleep producing punch in the eighth round of a bout with Frank Barrieau, the Canadian welterweight champion, and in 1912 Billie Weeks, middleweight champion of Canada, slipped across a haymaker two seconds after their fight began.

Hagen is a native of Seattle, one of 15 children. He is of German and Irish parentage. He began as an amateur in 1908 and never lost an amateur bout. Until a year and a half ago he was a welterweight but now

has advanced to the middleweight class. He won the welterweight championship of the northwest from Tony Austin and successfully defended it by defeating Jack Carpenter of Boise at Walla Walla two years ago. He was the middleweight champion of the northwest from Jim O'Brien at Tacoma a year ago.

Among Hagen's notable battles was a 29 round draw in San Francisco with Antonio Lagrave who once fought Ad Wolcott for the championship of the world.

Among the men he has knocked out are Andy Stone, Charlie Hubbard, Mexican Mitchell, Eddie Hubbard, Tom Martin, Harry Gilliam, Marshall Claybourne, and Henry Tallier. He has won decisions over such men as Carpenter, Ike Kohn, Tony Austin, Sunshine McClure, Earl Miobus, Joe Wain, Hallie Giles and Frank Street. He has fought draws with Billie Weeks three times, with Al Summers, Billy Chapman and Frank Barrieau.

Hagen is reputed to be a fighter rather than a clever boxer. His record is one of willingness to exchange blows, taking more than he gives in order to get him his smashing fists in Ray McCaboll of Montana he has a hard man but he expects to win the bout.

## Military Camp Stays Put.

PORTLAND, March 21.—Members of the committee of civilians in Portland who have been cooperating with officers at Vancouver barracks in planning a civilian military camp at Vancouver, Wash., this summer ex-

pressed gratification over the announcement by Major General Hugh L. Scott that the plans had not been abandoned. It was learned here that the report of the abandonment of the undertaking had not come from official sources in Washington.

## A MEDICINE OF MERIT

The great sale of Lydia E. Pinkham's Vegetable Compound all over this land is the result of genuine merit. The reason is that this good old fashioned root and herb medicine actually helps those suffering from ailments peculiar to women. If it did not, would not the women of America have found it out in 40 years, so that few of them would buy?

## New War Credit \$75,000,000

OTTAWA, March 21.—Canadian bankers have undertaken to extend a new credit of \$75,000,000 to be drawn upon for the payment of war munitions made in Canada for the British government. Like the credit of \$50,000,000, established last December, the new credit will be spent upon orders placed by the imperial munitions board, of which J. W. Flavell is the chairman.

Finance Minister White, in announcing the new credit to parliament, stated that as a result the British authorities already had called upon the Canadian munitions board to place in Canada new orders for munitions to the amount of \$20,000,000. He intimated that other orders would be received soon.

## LOCAL GIRL ENTERS CONTEST TO BECOME A MOVIE ACTRESS

René Collins Adams, Box 574, Pendleton, has entered the "Beauty and Brains" contest being conducted by Photoplay Magazine and the World Film Corporation.

The contest closed February 23th. The winners will be announced June 1st.

Approximately 15,000 young women from hundreds of cities in the United States and Canada submitted photographs and letters telling why they want to be photoplay stars. The photographs submitted are estimated to have cost more than \$15,000 and comprise one of the greatest collections of beauty ever gathered.

From the letters and photographs the judges will select the eleven girls who in their estimation are the most beautiful, brainiest and possess the most qualifications necessary for photoplay stardom. The judges, Miss Lillian Russell, chairman, are now studying the photographs and letters and find the task most difficult.

Some of the most beautiful girls do not always possess the other qualifications necessary for photoplay success. Some are not quite enough for the countless situations that arise while any photoplayers will tell you that some beautiful girls simply will not photograph well. These are only a few of the details that judges have to observe in judging each contestant.

The eleven young women selected will be taken to New York under the chaperonage of Sophia Irene Loeb, the famous writer. Their expenses will be paid while they are away from home. They will be given photoplayers "trysts" in the studios of the World Film Corporation at Fort Lee, New Jersey, just across the river from New York. If they show any ability they will be given contracts for not less than one year at salaries paid to stars.

Awaiting the decision of judges fifteen thousand young hearts are fluttering in expectancy. Upon this decision rests the fulfillment of their greatest ambition.
