

Quick as a flash on the "get away"

You're off with a rush, quickly, silently, smoothly, powerfully.

But "responsiveness" is only one of the many distinctive features that will make you thrill with pride when you drive this big—beautiful—powerful—dependable Mitchell—"THE Six of Sixteen."

See the Mitchell "Six"—the graceful, sweeping lines of its long, beautiful, roomy, full five or seven passenger body. Drive it. Feel the power that answers to your will—power to carry you at 60 miles an hour on the straightaway—to climb the fiercest grade or, throttled, creep at a 2-mile gait—all on high. That's the test that tells.

STOMACH JOY, OR STOMACH MISERY--CHOOSE

Needless to Suffer the Agonies of Indigestion. Famous Mi-o-na Prescription Relieves Almost Instantly.

A good, strong, vigorous stomach; one that goes about its work of digesting the food sent down to it without a pain and with such efficiency that its owner is unaware of its presence, is indeed a priceless possession. It is the source of ruddy, glowing health and strength.

And, why shouldn't at least the vast majority of us have a good stomach? The law of Nature is perfection. It is unnatural to be sick and it is only when the stomach through abuse or accident becomes weak and run down that it will refuse to digest your food as Nature intended. Then you suffer the untold miseries of indigestion.

In all such cases it would be a hard matter indeed to find a better remedy than the famous, inexpensive Mi-o-na prescription. Mi-o-na tablets give almost instant relief to all stomach distress, and they do more.

They usually build up the stomach and put new strength in its weakened muscular walls so quickly that in a few days all belching, bloating, sourness, heartburn, heaviness, biliousness, sick headache and dizziness disappear. You sleep better, your appetite is improved and you are again on the road to perfect digestion and enjoyment of food.

Mi-o-na is sold by nearly all leading druggists under a positive guarantee to refund your money if it does not stop all stomach distress. In fact, do all it is advertised to do, and you can always buy it of Tallman & Co. on such a plain without any restrictions.

Nothing lessens a man's success in his work or a woman's fascinating personality more than a weak stomach, with its attending evils. With such a guarantee back of Mi-o-na there no longer seems any need for anyone suffering or making their friends suffer on account of indigestion without making an effort to recover good health and happiness.

Home Celebration of Wonder Interest

The arrival of a baby in the household completely changes the entire aspect of the future. But in the meantime, during the anxious period of expectancy, there is a splendid remedy known as "Mother's Friend" that does wonders. It is for external use, relieves the pain of muscle expansion, soothes and quiets the nerves, extends its influence to the internal organs and removes to a great extent the tendency to worry and apprehension. It is a natural treatment, safe for the mother, has no drug effect whatsoever and for this reason must exert a most beneficial influence upon those functions directly connected with motherhood. In a very interesting book the subject is freely discussed and a copy will be mailed free to all expectant mothers by Brodie's Regulator Co., 406 Lamar Bldg., Atlanta, Ga. Get a bottle of "Mother's Friend" today of any druggist. Use as directed and you will then know why mothers for nearly half a century have used and recommended this splendid aid to motherhood. Their letters are messages of cheer, that breathe comfort in every word.
