The way it is kept makes all the difference between the fruit sold by this store and the kind you see elsewhere.

**CHOICE FRUIT MUST BE TREATED "CHOICELY"**

—both for our sake and yours. Apart from exposing it for sale in an appetizing way—which is really part of our method of selling—we make a point of seeing that every possible care is taken to keep it as clean and fresh as if our whole reputation depended on that alone. Our choice fruits are consequently well named—it is the best you can buy or eat in this town.
