Then too, you should teach her the value of a good appearance, as ones appearance is the main part of an introduction and a proper introduction has been responsible for many a life's success.

These stylish little coats are made of silk poplin, wool serges and Summery mixtures in navy and Copenhagen blue, black and white checks, tan, etc. The prices range from \$2.95 to \$7.50

### To the "Solid" Business Man

DON'T SCORN THIS "DRESS UP WEEK" IDEA. WE KNOW YOU DO, SOME OF YOU, AND WE KNOW WHY, AND YOU'RE WRONG.

You think men's fashions and good clothes are all meant for college boys and lively young clerks; that the regular men can't be bothered.

That day has gone by—there was a time when men of standing couldn't risk dressing well; it injured their credit and made the bank suspicious of their seriousness. Not any more. If you don't believe it, look around you carefully, your eyes will be opened.

Remember that Hart, Schaffner & Marx make the kind of clothes you like, only they have the right touch of pattern and style that other people like. Ask us to show you.

**Army Bars Bald Heads**  
CHICAGO, March 25—Baldheaded men are not wanted in the pursuit of Villa. It is warm along the border and they might become affected by the heat. So announced Lieutenant Kenney in refusing to enlist Stanley Twooney of Syracuse.

Twooney sought enlistment and was rejected because of his baldness. He returned wearing a wig and was accepted. While he was awaiting transportation to Jefferson Barracks the deception was discovered and again he was rejected.

Lieutenant Kenney said army regulations would not permit his acceptance of baldheaded men.

GIVE "CALIFORNIA SYRUP OF FIGS" IF CROSS, SICK, FEVERISH, CONSTIPATED.

Look back at your childhood days. Remember the "dose" mother insisted on—castor oil, calomel, cathartics. How you hated them, how you fought against taking them.

With our children it's different. Mothers who cling to the old form of physic simply don't realize what they do. The children's revolt is well-founded. Their tender little "insides" are injured by them.

If your child's stomach, liver and bowels need cleansing, give only delicious "California Syrup of Figs." Its action is positive, but gentle. Millions of mothers keep this harmless "fruit laxative" handy; they know children love to take it; that it never fails to clean the liver and bowels and sweeten the stomach, and that a teaspoonful given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeiters sold here. See that it is made by "California Fig Syrup Company." Refuse any other kind with contempt.

### SPRING MEDICINE

Hood's Sarsaparilla, the Great Blood Purifier, is the Best.

Spring sickness comes in some degree to every man, woman and child in our climate.

It is that run-down condition of the system that results from impure, impoverished, devitalized blood.

It is marked by loss of appetite and that tired feeling, and in many cases by some form of eruption.

The best way to treat spring sickness is to take Hood's Sarsaparilla. This old reliable family medicine purifies, enriches and revitalizes the blood. It is an all-the-year-round alterative and tonic, and is absolutely the best Spring medicine.

Get your blood in good condition once—now. Delay may be dangerous. Ask your druggist for Hood's Sarsaparilla, and insist on having it, for nothing else can take its place.
