AS WE GROW OLDER

our minds are quite as active as in former years but our strength does not respond when we need it most; perhaps the kidneys are weak, the liver torpid, rheumatic pains or stiffened joints beset us, and we cannot easily throw off the colds that winter brings.

What we need is the rich cod liver oil in Scott's Emulsion to renew the blood and carry strength to every organ of the body, while its glycerine soothes the respiratory tract, and its hypophosphites strengthen the excitable nerves.

Scott's Emulsion is a scientific oil-food, of unusual benefit to those past fifty years—particularly during the colder seasons, it imparts warmth and creates strength. One bottle will prove its worth. No alcohol or harmful drugs.

May Develop Offensive.

BERLIN, March 30.—Fighting around St. Etio, where the British destroyed German trenches, may de-

velop into a strong offensive, headquarters announced.

The British are continuing their pounding, although no important gains have been made. Improved weather brought out English aeroplanes. The suggested extensive aviation, and the heavy attacks indicate the British are beginning a drive to relieve the pressure on Verdun. The situation there is unchanged. The Russians continued assaults at Postawy without result.

GERMANS TRAIN SAVAGES TO FIGHT THE BRITISH

SAN FRANCISCO, March 28.—German officers have trained 60,000 savages who are waiting in the jungles of German East Africa for a battle with the British. Thus reported J. K. Eaton, a mining engineer, arriving on the liner Sierra from South Africa.

The English had thousands of soldiers rushing the railroad from British to German East Africa, five weeks ago. For months the Germans have been training the savages. They will fight to the last ditch, but I believe the British are too powerful. The British have an immense army ready to transport over the new railroad. The Transvaal country has been the scene of half a dozen anti-British uprisings.

KLAMATH FALLS, Ore., March 26.—There will be an election in this city May 1 on the question of whether or not the city shall purchase an automobile fire truck. At a meeting of the city council it was decided to advertise for bids on such a machine at once, to be opened May 2.

Bids will be invited on a combination chemical engine and hose cart, and on a combination chemical engine, hose cart and power pump. The advertisements will be run at once in order that there may be no delay in the purchase if the vote should be favorable.

To Take Philippine Post.

WASHINGTON, March 30.—H. Parker Willis, secretary of the federal reserve board, left Washington for San Francisco en route to Manila, where he will assume the presidency of the Philippine National bank and direct Philippine finances.
