### PEONS TEAR UP FLAGS AND THREATEN HARM

SAN DIEGO, Cal., March 26.—Mexican peons thronged the streets of Masatlan, tore up American flags and threatened to do bodily harm to American residents there when they learned of the punitive expedition sent after Villa, according to Captain Frank Paschall, of the schooner Pa-

nama, which arrived from the Sinaloa port.

Mexicans of the better class as well as officials of the port cooperated in stopping the rioting, Captain Paschall said. He said there is no apparent anti-American feeling among the more educated natives, but that the peons are easily inflamed.

Pekin, China, has an extensive telephone system.

### "Tell Me the Secret"

"How do you make such delicious muffins? Mine are always so dry. And if I make the batter thin they fall. How do you do it?"

"I make them about as you do, only I use K C Baking Powder. Mine always turn out well, so it must be the baking powder."

It is the baking powder. To make muffins, cakes and pastry rich and moist, yet light and fluffy, a modern double acting baking powder must be used—one that will give off leavening gas in the oven as well as in the mixing bowl.

## KC BAKING POWDER

is really a blend of two baking powders, one of which starts to raise as soon as moisture is added. The other is inactive until heat is applied. This sustains the raise until your muffins, biscuits or cake is done.

K C Baking Powder costs less than the old fashioned quick acting kinds, yet you need use no more and it is superior to them in every way.

Try a can at our risk and be convinced.

## The World Invited to Portland's Rose Festival

The world has been invited to Portland for the opening of the Tenth Annual Rose Festival, June 7, and the National Dedication of the Columbia River Highway. Millions of rose flowers will be on review in

June to send forth their delightful fragrance, a fitting welcome for the guests from every land.

The Columbia River Highway is the new roadway completed in the fall of 1915 to make passable for the first time in history the gorge of the river from which it derives its name. The first forty miles of the roadway from Portland to the Multnomah county line cost \$2,000,000, but the people of Oregon consider it the best investment in road building ever made in the west since it has opened the door to a great storehouse of scenic wonders.

Dedication exercises will take place at Multnomah Falls, one of 11 great falls in 10 miles of travel along the highway. Multnomah is also the second highest waterfall in the United States.

Portland is this year talking roses and highways. The annual fiesta is probably one of the best demonstrations of community spirit in the country. The Oregon metropolis each year produces more than 2,000,000 rose flowers.

Tourists in Portland festival week are always urged to visit Peninsula Park where in one mammoth rose garden more than 1,000,000 roses covering 700 varieties are in bloom at one time.

Through the business heart of Portland extend the park blocks. This year two blocks will be transformed into a down-town rose garden where a dozen beds of blooms will feature the rose and other beautiful flowers. It will have as an attraction a Rose Fountain consisting of 15,000 "Dorothy Perkins" roses. It will be the first fountain of the kind ever built in the United States. Paris exhibited a similar fountain at the 1900 exposition, but Portland's Rose Festival fountain will be twice as large.

"For You a Rose in Portland"

British Take German Line. LONDON, March 31.—The British infantry stormed and took first and second-line German trenches along a front of 600 yards at St. Eloi.

Grows" is the slogan for the 1916 Festival and Oregon's chief city is sending this poetic reminder that there grows a rose in Portland each year for all visitors fiesta days, June 7, 8 and 9.

### IS YOUR HEALTH WORTH \$5.00?

Woman Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Lima, Ohio.—"I was all broken down in health from a displacement. One of my lady friends came to see me and she advised me to commence taking Lydia E. Pinkham's Vegetable Compound and to use Lydia E. Pinkham's Sanative Wash. I began taking your remedies and took \$5.00 worth and in two months was a well woman after three doctors said I never would stand up straight again. I was a midwife for seven years and I recommended the Vegetable Compound to every woman to take before birth and afterwards, and they all got along so nicely that it surely is a godsend to suffering women. If women wish to write to me I will be delighted to answer them." —Mrs. JENNIE MOYER, 342 E. North St., Lima, Ohio.

Women who suffer from displacements, weakness, irregularities, nervousness, backache or bearing-down pains, need the tonic-strengthening properties of the roots and herbs contained in Lydia E. Pinkham's Vegetable Compound.

## On the Subject of—Commercial Integrity

THE REO FOLK BELIEVE—have always believed and from the first have based the Reo Policy on the belief—that ultimate supremacy in the automobile industry will redound to that concern that has the most scrupulously fulfilled its obligations to its customers.

IT MATTERS NOT whether those obligations are assumed in writing or merely implied in transactions as between man and man—the Reo Folk hold them as sacred.

IF THERE IS ANY REASON—aside from the inherent quality and value of Reo cars—for the splendid Reo success, it is to be found in the reputation Reo has for making good its guarantee.

OF COURSE YOU KNOW—all the world knows—that the Reo Motor Car Company is financially one of the strongest automobile companies in the world.

AND YOU KNOW that it is also one of the pioneers in the industry—so that financial strength is not due to lucky chance nor to a brief period of prosperity.

REO STANDING—financially and in the hearts of buyers—is the result of a policy firmly founded in the beginning and consistently carried out through a long period of years.

BUT ALL THAT would not matter if the heart of Reo were not sound.

IT WOULD NOT MATTER how much money there was back of the Reo guarantee if there were not also Reo Integrity and Reo Good Intent.

THAT IS WHY, knowing the Reo Folk and their ideals, you'll feel safer in selecting a Reo than any other car of similar size or price class.

SPEAKING OF SIZE—do you realize what a big, as well as beautiful car is that New Reo Six?

IT'S A FULL 7-PASSENGER CAR—126-inch wheelbase and on cantilever springs, giving the fullest passenger space and the utmost in luxurious qualities.

DEMAND IS TREMENDOUS—and output of this 7-passenger Six is limited. So if you'd have the most luxurious equipage and the sweetest running car the Reo Folk have ever turned out, your order should be in our hands at once. Today won't be a minute too soon.
