CHILD WAS BADLY CONSTIPATED UNTIL MOTHER TRIED SIMPLE REMEDY.

In spite of every care and attention to diet, children are very apt to become constipated, a condition responsible for many a life in after life unless promptly relieved.

Mrs. C. W. Wilson, of Shelbyville, Tenn., had trouble with her baby boy, Woodrow, until she read of Dr. Caldwell's Syrup Pepsin. She writes: "I can safely say Dr. Caldwell's Syrup Pepsin is the best remedy of its kind on earth. It acts so gently and yet so surely. Little Woodrow was very constipated and we could find nothing that gave relief until we tried your Syrup Pepsin, which gave immediate relief."
