Miss Alberta McMonie was the winner last evening of the silver medal declamatory contest held by the W. C. T. U. in the Presbyterian church. There were eight contestants and the competition was very close. Miss McMonie won over Miss Lois Swagart by only one-tenth of a point. In announcing the decision of the judges, Clarence Tubbs, who presided, made a mistake in the second place, awarding the winning number with the one following.

The title of Miss McMonie's declamation was "A Father's Story" and of Miss Swagart's "Who Killed Joe's Baby?" A good audience was present to enjoy the program.

This was the tenth silver medal contest held by the local W. C. T. U. and on Friday, April 28, a gold medal contest will be held with the winners of the silver medals as the contestants. At the same time a silver medal contest will be held.

## Give your Child Dr. King's New Discovery for Coughs and Colds.

Dr. King's New Discovery is a Doctor's Prescription used for over 45 years. It is pleasant and children like it.

You cannot use anything better for your child's cough and cold than Dr. King's New Discovery. It is prepared from Pine Tar mixed with healing and soothing balsams. It does not contain anything harmful and is slightly laxative, just enough to expel the poisons from the system. Dr. King's New Discovery is antiseptic—kills the cold germs—raises the phlegm—loosens the cough and soothes the irritation.

There is much interest in the game between Pilot Rock and Echo and the clubs look at this time to be pretty well matched.

Local sport fans are much interested in the wrestling bout scheduled for tomorrow evening at the opera house between Tony Ajax and Frank McCarroll. Ajax is a champion to the title of world's welterweight champion and has many victories over toughsters, including Eddie O'Connell, to his credit. McCarroll will be remembered as the strong man who gave exhibitions in Happy Canyon last year. He is heavier than Ajax and a grappler of much ability.

**1000 CASES OF BEER TAKEN FROM A SCOW.**  
POLICE BREAK UP LANDING PARTY WITH BIG CARGO NEAR SEATTLE.

SEATTLE, Wash., April 12.—One thousand cases of beer were seized by the police after they had been unloaded from a scow in the East Waterway.

The beer is consigned to "R. Juncos," according to the marks on the cases, and it is believed that it was sent from California and loaded onto the scow from boats under cover of darkness.

The police obtained word that the scow carrying approximately a carload of beer, was making its way up East Waterway. Sergeants Smart and Melvin, with eight patrolmen watched all night for the landing. A police patrol boat with two officers aboard trailed the unsuspecting scow.

When the scow landed, laborers started unloading the cases.

In the meantime officers obtained a search warrant from the prosecuting attorney and took charge of the beer.

## 25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

SAVE YOUR HAIR! MAKE IT THICK, WAVY AND BEAUTIFUL—TRY THIS!

This, brittle, colorless and graying hair is sure evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life, eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness; but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.
