Wonderful Growth Shown in High School in Few Years

(BY PAUL CALLISON.)

The Pendleton high school, the leading institution of learning in this city, and the institution which is developing the future citizens of Pendleton, should be spoken of by the present citizen not in a degrading derogatory way, but rather in a praiseworthy, uplifting way. The institution as it stands today is second to none but the schools of Portland. Never before has Pendleton had an institution equal to the one at present.

Several years ago Supt. A. C. Hampton took charge of the high school. The students were then attending school in the old building, but through the able leadership of Mr. Hampton the school gradually rose toward the top. Now the students attend a new \$100,000 building. Prof. S. P. Gambee has now taken the principalship and is rapidly bringing the school to a high standing.

Mr. Gambee, a graduate of the Oregon Agricultural College, is a very able instructor and leader and has already become a friend of all the students in school.

The instructors under Mr. Gambee are Miss E. Linse, Miss C. E. Bohney, Mrs. M. Webb, Miss A. Butler, Mrs. C. Smith, Miss A. Slater, Miss M. Grover, Mrs. Tucker, Miss M. Wilson, Mr. R. E. Cloupek, Mr. C. E. Tubbs and Mr. W. K. Livingston. All these are very able instructors and are well liked among the students.

Marvel of Completeness.

The courses offered are wonderful for an elementary school. Besides the regular courses of college preparation work, both science and classic, there are the commercial, the agricultural, the normal, the domestic art and science, manual arts, commerce and general courses.

The college preparatory courses prepare the student to enter college to study classics for English work or

science for the work of chemists or physicians. The commercial fits the student to enter immediately into office work, typewriting and shorthand being the main divisions. A course in commerce is also offered as a subdivision. The agriculture course is taught by Prof. Gambee and is wonderful in its completeness, agronomy, biology, factiology, stock judging and such other courses and really fitting the boy to become a competent farmer without further study. The normal art course teaches the student the art of shop forgery, the handling of tools, cabinet making, mechanical drawing for drafting engineers. The boys have a separate building for their forge work. In the domestic art work the girls are taught all the principles of cooking and sewing. She becomes a competent housekeeper when she graduates from school. Miss Butler and Miss Wilson are the instructors in this course. They are now applying for a separate building for their work next year. Both are graduates of O. A. C. A splendid equipment is furnished and all the latest ideas are worked out in this department.

In the normal work, of which Miss Graves from the normal school at Monmouth, has charge, is taught the first year work of the normal school of the state, the science of teaching and other such subjects. Practical work in the form of teaching is worked in and the students visit the grade schools every day for this work.

The school now has an enrollment of about three hundred. They carried on their work in an organized way. They have their student officers and to them is left the student-body officers. The spirit of the students is one of appreciation for what is being done for them and they are working with the faculty to make the Pendleton high school the best in the state.

Again We Wish to Remind You

WITH EASTER BUT A FEW DAYS AWAY, IT IS HIGH TIME FOR YOU TO PURCHASE THOSE FEW ARTICLES NECESSARY TO COMPLETE YOUR EASTER APPAREL. OUR LINES ARE COMPLETE AND WE ARE EVER READY TO SERVE YOU. SHOP EARLY.

Having had three shipments of
NEW NECKWEAR

in the past week, our line is the largest and most complete in the city, consisting of lawns, organdies, voils, crepe de chine and kid and patent leathers.

Everything from the small dainty crepe de chine collar up to the large cape effects and ranging in price from... 25¢ to \$2.00

HIGH WATER WARNINGS ISSUED TO RESIDENTS

PORTLAND, Ore., April 11.—The weather bureau issued a warning to residents of the lowlands along the Columbia and Willamette and the business houses along Front street. Higher water than usual is anticipated, owing to a heavy snowfall. It was said that snow in the mountains is well packed and will yield a high percentage of water.

KEEP YOUR SKIN CLEAR AND HEALTHY.

There is only one way to have a clear, healthy complexion and that is to keep the bowels active and regular. Dr. King's New Life Pills will make your complexion healthy and clear, move the bowels gently, stimulate the liver, cleanse the system and purify the blood. A splendid spring medicine. 35c at your druggist.—Adv.

Canal Found Favorable.

PANAMA, April 12.—Major General George W. Goethals, governor of the canal zone, made an examination of the slide area in the Gaillard cut. He said that the situation looked even more favorable to him than he had expected and that April 15 would remain unchanged as the date for reopening the waterway.

General Goethals expressed the belief that the canal would not again be closed to traffic on account of slides in the cut.

FARMERS OF HELIX SECTION OVERJOYED TO SEE RAIN COME

GENTLE FALL WILL BE BOOM TO CROPS; OTHER NEWS NOTES OF DISTRICT.

(East Oregonian Special.)
HELIX, Ore., April 12.—A gentle rain has been falling for 36 hours, welcomed by the farmers.

W. H. Albee, H. W. Drew and J. Griswold went to Cayuse Station fishing Sunday—caught one.

Miss Sarah Montgomery left Sunday for a month's visit with her sister Mrs. Dave Howard at Woodburn, Ore. Mr. and Mrs. B. H. Shafer of Walla Walla, are visiting relatives and friends here for a few days.

Miss Elinor Stockton of Adams visited her sister Mrs. E. L. Norvell Saturday and Sunday.

W. H. Musselman of Freewater visited his daughter Mrs. J. H. King Saturday.
Archie McKinnon is quite sick and

will probably be taken to St. Anthony's hospital, Pendleton today.

Mrs. W. H. Albee took a party of friends to Pendleton Saturday in her car.

Ed H. Graham of Hermiston, Ore., representing the Columbia Life Insurance Co., was here in the interest of the company Saturday.

Dr. J. Griswold made a professional visit to Pendleton Sunday.
Mrs. John Molestrom was a visitor from Adams Friday.

Humors Come to the Surface in the spring as in no other season. They don't run themselves all off that way, however, but mostly remain in the system. Hood's Sarsaparilla removes them, wards off danger, makes good health sure.—Adv.

HIGH SCHOOL NOTES

Tomorrow morning the tryouts for the representation of Pendleton high school in the county declamation contest will be held in the high school auditorium.

Three of the teachers of the high school will act as judges. The one chosen will represent Pendleton High in the contest held at Hermiston on April 25. At this time, the county track meet will also be held.

The annual high school elections will take place this afternoon. The candidates for the different offices having been nominated at a previous date. Close competition is expected in all the different nominations. Most all the officers have two candidates and one seems as popular as the other among the students at large.

HOME TALENT SHOW BY ARTISAN LODGE HERE FRIDAY NIGHT

"FOLLIES OF 1916" IS NAME OF OFFERING TO BE GIVEN AT OREGON.

Preparations for the home talent show to be given Friday night, under the auspices of the United Artisan Assembly No. 5, are well under way and "The Follies of 1916" promises to be one of the biggest amateur entertainments ever given in Pendleton.

There will be 14 acts, consisting of monologues, songs, drills, farces and dancing. Prof. Merrill of San Francisco, is busy with the talent and acknowledges that he has seldom had as good material.

About 50 of Pendleton's best talent are rehearsing night and day and he says by Friday night they will be equal to many professional troupes. As the show is a benefit and the abilities of Pendleton amateur entertainers are so well known it is expected a packed house will greet the performers.

Seats may be reserved at Warren's Music House.

Dr. Hyde Charged With Murder.
KANSAS CITY, April 11.—Basing his complaint on new evidence, the prosecutor today charged Dr. B. Clark Hyde with murder in the first degree, alleging he poisoned Colonel Swope with strychnine and cyanide of potassium. The previous trials were sensational.

FATHER WARNED IN DREAM OF DANGER TO HIS DAUGHTER

LETTER FOUND PREDICTED THE MURDER OF MISS MARY HAWN.

WALLA WALLA, April 12.—That L. O. Hawn, of Ellensburg, father of Mary Hawn, had a premonition of trouble if she had anything to do with her step-grandfather, C. M. Frazier, was shown here yesterday when a letter from her parent was found among the effects of the girl whose dead body with that of Frazier was found in a hotel room Monday afternoon.

A coroner's jury decided that death of the girl was due to poison and of the man to a gunshot wound. Whether it was murder and suicide or double suicide was not brought out.

Evidence of physicians who performed an autopsy on the body of the 18-year-old girl, was that she had been criminally attacked a few hours prior to her death. Evidence all points to Frazier as the assailant. They were last seen together about 9 o'clock the night before in the hotel elevator evidently on their way to Frazier's room.

The bodies were found on the bed the man's head at the foot, the girl's at the head resting on a pillow. The girl was lying as though sleeping, her hands folded across her breast. Her clothing was not disarranged and the bed had not been occupied during the night.

QUICKLY STOPS HEAD COLDS AND SNUFFLES

Catarrhal Germs Cause of Most Colds. New Germicidal Air Treatment. Best Remedy for These Common Ailments.

Reliable authorities say that upwards of 90 per cent of the so-called colds in the head and throat are in reality dangerous indications of the presence of acute catarrh. When you hear a person sneeze or cough its almost certain they are throwing catarrh germs into the air for some other person to breathe and its just as certain that the person breathing these germs will soon have catarrh or a catarrhal cold. The time to make these germs harmless and drive out your catarrhal cold is the very instant you feel a desire to sneeze or cough, or start to snuffle and wipe your nose every few minutes.

The quickest and surest way to stop a head cold and drive catarrh germs out of your system is to pour a few drops of the oil of Hyomel (pronounced High-o-me) into one of the Hyomel inhaling devices which comes with each large package and place the inhaler between your lips and breathe the germicidal but pleasant smelling air into your nose, throat and lungs. This air utterly destroys all catarrh germ life, quickly opens the closed air passages, makes breathing easy, clears your stuffed up head, cleans out your throat and ends your snuffling and nose blowing. There certainly is no quicker or more satisfactory way of breaking up a cold, even after it is well started, and a few weeks' use will do away with all danger of chronic catarrh. Sold by druggists everywhere including Tallman & Co., who agree to return the full purchase price to any who use it and are not satisfied. In buying Hyomel for the first time be very sure to get the large size which contains the inhaler as this is very essential for best results.

Hunter catamount King
CHAMBERSBURG, Pa., April 12.—William Wright, nearly 70 years old, is the catamount king of the east and is ready to defend against anyone denying this assertion. "Wildcat Bill," as he is commonly known, is from Horse Valley, Franklin county, and claims the distinction of killing the last wolf in the East Atlantic states. Wright killed this wolf about six years ago and still has the tanned fur of the beast among his many trophies of the forests.

YOU would rather take a clean, small chew, of course! Men who use W.B. CUT Chewing—the Real Tobacco Chew, new cut, long shred—get real satisfaction from less than a quarter their old size chew. And, naturally, they are passing the good word along. Get a pouch and see for yourself that the Real Tobacco Chew satisfies you better.

"Notice how the salt brings out the rich tobacco taste!"
