You can be sure about CLOTHES QUALITY

THERE'S A LOT OF TALK GOING AROUND ABOUT THE BAD CONDITION OF THE CLOTHING MARKET. SOME ARE SAYING THAT ON ACCOUNT OF THE WAR DYES ARE DOUBTFUL, ALL-WOOL FABRICS ARE HARD TO GET, PRICES ARE UNCERTAIN. BUT WE'RE NOT WORRYING, AND YOU NEEDN'T; JUST LEAVE IT TO US.

Hart Schaffner & Marx

HAVE JUST SENT US A LETTER ABOUT IT; HERE'S WHAT THEY SAY:

"Our fabrics will continue to be, as in the past, absolutely all-wool; our colors will be, as in the past, reliable. There is no need to be worried about market conditions, or anxious over what we are going to do for our customers. We shall do what we have always done—make the best clothes possible, sell them at the lowest prices possible, deliver them as promptly as possible; and put behind every article we produce a positive and unequalled guarantee of the complete satisfaction of the wearer. Conditions of the market may change; we may come or go; but the policy of this house will not change; and you may rest absolutely in that assurance."

YOU SEE WHERE YOUR INTEREST AS A CLOTHES-BUYER POINTS; YOU'LL PROBABLY BE SORRY IF YOU TRY TO GET SATISFACTION IN "CHEAP" CLOTHES—OUR PRICES ARE \$15.00 TO \$30.00.

BARGAIN BASEMENT NEWS

We're going to make this month the biggest month the Bargain Basement has yet seen. It shows already a great big increase over last month and the month is only fairly begun.

Did you come in and look over that lot over to this department? Your shopping of high class Tailored Suits we just turned trip isn't complete until you have seen them. Special prices\$4.95 and \$7.95.

One customer from Echo came in yesterday and fitted out his whole family, his wife, himself and four boys, with shoes and it cost him less than half what it ordinarily did. Is this saving money?

We're selling a mighty good blue hit overall for 79c and we're not making much loss about it, either. It's a whole lot better than some you've bought for \$1.00.

"Why do you sell Boys' up to date Suits at the price of \$3.35?" This question has been asked us a dozen times a day. The answer is, "All single suits. One suit of a kind."

You'll find no "cheap, trashy" merchandise in the Bargain Basement. Our big store supplies this department and this tells the story.

If you have a purchase to make and feel "economical," go all over town and look at your goods and remember the prices; then come to the Bargain Basement, buy your goods and save money.

Tell your neighbor, "I bought it in the Bargain Basement," and tell him what you paid for it. Your neighbor will classify your judgment.

When you dress up in your "best" do you want to have that feeling that comes from knowing that your "best" is of the most acceptable style, made by a reputable concern and backed by Pendleton's greatest store, or would you rather buy some unknown, take-a-chance article from some so-called "cheap" store and feel that everyone you meet is "picking it to pieces."

To Install New Alarm Box

At the meeting of the council last evening it was voted to grant the petition for a new alarm box on West Court and Oak streets. The petition was presented by the Hewitt Harvesting Co. and the Round-up directors.

Lights for Hospital Drive

Electric lights for the improved driveway into St. Anthony's hospital will be installed in the near future. The council last night voted to defray the expense of installation upon the representation that the cost of the electricity would be provided for elsewhere. Councilman Vaughan estimated the cost of installation at \$140 and the light committee was instructed to ask for bids.

Call It River Drive

The paved highway along the Walters' millrace from Main street to Bush will hereafter be known as River Drive, the city attorney to draw up an ordinance officially christening it with that name. Heretofore it has been known mostly as Riverside Drive or Riverside Boulevard, but because of the locality just across the bridge east of the city is known as Riverside, it was thought that the old name would lead to confusion.

Finleys Pass Through

W. L. Finley, state biologist, and Mrs. Finley passed through Pendleton on 17 yesterday en route home from Washington, D. C. after two months spent in the east. Mr. Finley delivered a series of lectures in the east and, as a result, received an offer of \$4000 a year to remain back there in the capacity of lecturer on wild

WHY THE BEST OF CHEWS IS "SPEAR HEAD"

Its Rich, Sweet, Mellow Flavor Has Been Famous for a Generation

MADE OF CHOICEST RED BURLEY

The secret of tobacco satisfaction is known only to the man who chews *plug tobacco*. The reason is that a good chew gets right next to your taste, while the leaf in *fine tobacco* is in a state of fresh, juicy richness that is not possible in any other form of tobacco.

There's no tobacco in the world that can give you the hearty, wholesome flavor that you get from a delicious chew of *Spear Head*.

Spear Head is made exclusively of ripe, red Kentucky Burley—the most richly-flavored chewing tobacco that grows. Still more, only the very choicest red Burley leaf is used for *Spear Head*.

This choice leaf is selected with the most painstaking care, is stemmed by hand, is thoroughly washed free of all foreign matter, and is pressed into *Spear Head* plugs so slowly that not a drop of juice or an atom of the natural flavor escapes.

Try *Spear Head*, and you'll get a sweet, mellow, luscious, satisfying chew that cannot be obtained in any other tobacco. In 10c cuts, wrapped in wax paper.

life. However, he is hesitating about accepting as he is reluctant to leave the Pacific coast. The Finleys were met at the train here by C. K. Cranston.

Dr. Best Files Declaration

Dr. J. A. Best, who several weeks ago announced his candidacy for the republican nomination for representative, yesterday forwarded his declaration to the secretary of state, thus disposing of the rumor that, since Senator Burgess' resignation, he would likely run for senator. The time for filing with the secretary of state expires on Saturday and it begins to appear that Best and Riter will have no opposition for the republican nominations for representative and that the democrats will have no one on their ticket for these nominations.

Wrestling Bout Postponed

The wrestling bout between Tony Ajax and Frank McCarroll, scheduled for this evening, has been postponed until next Monday evening in order to give McCarroll an opportunity to take off a little weight. McCarroll arrived yesterday from his home in Boise and was accompanied by his wife, Bonny McCarroll, who will be remembered as the little woman who rode in the bucking contest for cowgirls at the last Round-Up and who rode a steer each evening at Happy Canyon. McCarroll himself took part both in the Round-Up and Happy Canyon performances. He is a wrestler of considerable reputation and expects to win from Ajax, the clever California welterweight who has not tasted defeat for a long time.
