HER HOME NO LONGER CHILDLESS

Operation not Necessary after Taking the Great Medicine for Women.

Miller's Falls, Mass.—"Doctors said I had displacement very badly and I would have to have an operation. I had a soreness in both sides and a pulling sensation in my right side. I could not do much work the pain was so bad. I was also troubled with irregularity and other weaknesses. My blood was poor. We had been married four years and had no children.

After using Lydia E. Pinkham's Vegetable Compound and Blood Purifier I became well and strong and was saved from the operation. We are now the parents of a big baby girl and I praise your remedies to others and give you permission to publish my letter."—Mrs. JOSEPH GUILBERT, Jr., Bridge Street, Miller's Falls, Mass.

Lydia E. Pinkham's Vegetable Compound is famous for restoring women to normal health and strength. When this is done wives no longer despair of having children.

A woman should be reluctant to submit to a surgical operation until she has given Lydia E. Pinkham's Vegetable Compound a fair trial. If you have a case that needs special advice, write the Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. It is free and always helpful.

GLASSY WRESTLING BOUT IS PROMISED FOR TONIGHT

The classiest wrestling card that Pendleton has been offered for a long time is that of this evening when Tony Ajax, one of the world's best mat men in his class, meets Frank McCarroll of Boise, the Happy Canyon strong man. The match will be for the best two out of three falls. As a preliminary, Ray McCarroll, brother of the other and himself a clever grappler, will meet two different men. The main event will start at 9 and the preliminaries at 8:30. Ajax and McCarroll have both been working out here for the past week or more and are in fine condition. McCarroll is a little the heavier but Ajax figures to overcome this by cleverness. Ajax hasn't tasted defeat for a long time and is going after the world's title in his division. He figures that a victory over McCarroll will do much toward securing for him a match with Walter Miller, holder of the belt.

For Croup-- Mothers-- Always Keep this Handy

The day of the Croup spore is over for those parents who wisely keep Foley's Honey and Tar Compound in the home ready for instant use.
W. C. Allen, Bosely, Mo., writes: "I have raised a family of four children, and have used Foley's Honey and Tar Compound with all of them. I find it the best croup and cough medicine I have ever used and I have used it for eight or ten years, and can recommend it for croup."
If toward nightfall the little ones grow hoarse or croupy, if their breathing becomes wheezy and stuffy, give them Foley's Honey and Tar Compound promptly and it will ward off an attack of croup.
If you are awakened by the hoarse brassy cough that means croup, give Foley's Honey and Tar Compound at once. It will ease the little sufferers quickly, cut the thick choking phlegm, and soon they will have easy breathing and peaceful quiet sleep.
