TIMELY HOME RUN GIVES PENDLETON THE WINNING END

GUMM'S SWAT PUTS NEW LIFE INTO LOCALS AT THE CRUCIAL MOMENT.

Final score 6 to 5; Game With Weston Is Close Up Until the Eighth Inning When Pendleton Player Makes the Circuit; Team Much Stronger Than Week Ago.

A homerun by Gumm and we won! While it wasn't exactly Gumm's circuit swat that gave the Bucks victory over Weston yesterday it did tie up the score when things looked hopeless and gave his teammates the punch to put over the winner. The final score was 6 to 5.

That four-ply blow came in the eighth inning with one man on, two men down and Pendleton two runs to the rear. The former Salem lad leaned against one of Brill's choices and the ball described an arc, the other end of which was some twenty feet or more beyond the right field fence. The end came in the ninth. Varian opened with a clean single and went to third when Kirkpatrick heaved wildly to first on Knight's bunt. Another bunt by McGarrigle on a squeeze signal and the game was all over. Varian was home almost as soon as the ball hit the bat and the ball was mishandled so that Knight followed him in. However, the game automatically ended when Varian touched the plate.

The game was a close one up until the eighth, both McGarrigle and Brill working well. Pendleton should have scored in the third but poor coaching held Gumm on third when Varian's two-sacker was sufficient to score him with seconds to spare. Pendleton practically gave Weston one in the fourth. Kirkpatrick started, took second when Gelsell overthrew first, started to steal third and came home on Coshow's high leg to catch him. Pendleton tied things up in the seventh and, but for the best of breaks for Weston, would have sacked the game right there. Coshow got life through an error. Eubanks singled and Coshow scored when Grindle heaved wide on Gumm's bunt. McGinnis walked, filling the bases

and Varian came at bat. He hit one to second but Eubanks was caught at the plate. Knight drove on a line over second but it flew straight into Barnes' hands and he completed a double play to second.

In the eighth Weston chased four men over, scratch hits by Blomgren, Kirkpatrick and Kennard, a couple of passes and an error doing the work. The Bucks were thus four runs behind when they came up in the eighth. McGarrigle was hit by a pitched ball and Gelsell walked. Both moved up on a wild pitch and, when Eubanks pounded one to third while Kirkpatrick threw far over first, both registered. Then came Gumm and his circuit poke, tying the score.

The Pendleton team, with Gumm on first, Coshow behind the bat, and Varian on third, looked much stronger yesterday than a week ago.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

D. S. GORDON Brigadier General, U.S. Army

"Tuxedo tobacco gives a mild, cool and soothing smoke. I would not use any other tobacco."

J. S. Gordon

Why have so many thousands of men forsaken all other smokes for Tuxedo?

Because they tried Tuxedo and found it the one tobacco with all the essentials of a perfect smoke—supremely mild, sweet, fragrant and without a particle of bite or irritation.

No such tobacco was ever known until the "Tuxedo Process" was invented by a doctor to refine and mellow the natural leaf and remove every trace of bite.

Other tobaccos make big claims about so-called processes—but the fact remains that none of these imitations has ever equalled the original "Tuxedo Process." That's why Tuxedo is the most wholesome tobacco—no other can be made by the "Tuxedo Process."

One week's trial will make you a permanent Tuxedo smoker.

Told That There Was No Cure for Him.

"After suffering for over twenty years and having some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months although I am a man of 55 years," writes Jul. Seattle Will War on Physicians Who Prescribe Whiskey

VIOLATION OF LAW IS FOUND FREQUENTLY MADE BY DRUGSTORES.

SEATTLE, April 15.—Prosecutor Lundin today announced that he would start a vigorous campaign against doctors who write prescriptions for liquor, giving saloon drugstores a legal excuse for existence. Dr. Emmons was arrested after giving a police sergeant a prescription for whiskey. One prescription demanded 24 quarts of beer to be used to cure a headache. Glen Scott was in from his ranch north of the city Saturday.

PAIGE The Standard of Value and Quality

The Fairfield "SIX-46"

"The Proof of the Pudding"

After all is said and done, sales are "the Proof of the Pudding"—so far as automobiles or any other manufactured products are concerned.

Therefore, please consider the significance of these figures—

During the month of March, the American people bought 1200 Paige "Fairfields" and paid for them one million, five hundred and fifty four thousand dollars.

When you remember that March was distinctly a winter month in most sections of the country, these figures are truly remarkable.

Could there be any stronger argument for the actual net worth of the Paige Fairfield "Six-46"?

Could there be any stronger proof that this model has taken the nation by storm and won for itself a place of undisputed leadership?

Think it over—and then remember to act while we can still make "immediate deliveries".
