GREATEST BLOOD REMEDY
Gives Results When Others Fail
Nature's Remedy For the Blood.

The purifying and curative properties of Nature's great remedy have made "S. S. S. for the Blood" a household name. Thousands today enjoying perfect health owe their recovery from blood or skin diseases to this universally used blood purifier. S. S. S. is made entirely from roots, herbs and barks, which possess cleansing and healing ingredients. You cannot be well when your blood is impure; you lack strength and energy natural with health; your complexion becomes pale and sallow; your vitality is weakened. When waste or refuse matter, which Nature intends shall be thrown off, is left in the system, it is absorbed into the blood and boils, pimples, rashes, blotches and other eruptions of the skin appear.
