WASHINGTON IS LOSING HOPE OF AN ADJUSTMENT

Indications Point to Fact That Germany Will Refuse to Yield in the Submarine Question.

U. S. TO STAND BY DEMANDS

No Modification Will Be Made in Note Sent to Berlin; Administration Will Leave Germany to Decide Whether It Can Control Its Diver Operations.

WASHINGTON, April 22.—The German embassy intimated that the situation resulting from the arrest of Wolf Von Igel was so serious that perhaps it would warrant Germany recalling Bernstorff. It was hinted that Germany will ask for a formal apology.

WASHINGTON, April 22.—Little hope that Germany will meet fully the American submarine demands was apparent today. Some officials concluded that a modification of Wilson's demand will be the only chance of avoiding a break. A modification is out of the question, it was said.

The administration is leaving Germany to decide whether it can conduct submarine operations effectively without a violation of international law. Lansing believes that if the submarine visit and search vessels before attacking and assure the safety of passengers, the campaign will be robbed of its destructiveness and also its effectiveness.

Ackerman's interview with Von Holtendorff yesterday was the first definite information of Germany's attitude that officials have had. Authorities felt that Von Holtendorff indicated an unwillingness to meet the demands, but desired to shift the responsibility for a break to America, if Germany agrees to visit and search vessels, America may accept these assurances, but Germany must adhere to its pledges.

ROME, April 22.—Austria will exert pressure on Germany to prevent a break with America, neutral diplomats stated today. Austria desired Germany to yield. It was declared that Austria's influence caused Germany's backdown in the Ancona case.

Police Begin a Search for Body of Arnold Girl

STORY OF RHODE ISLAND CONVICT THAT HE HELPED BURIAL BELIEVED

NEW YORK, April 22.—Policemen today are digging in the basement of a rambling old house on the banks of the Hudson near West Point searching for the body of Dorothy Arnold, the missing heiress. Inspector Fauro now believes the story which a Rhode Island convict tells that he helped a wealthy New Yorker bury the girl's corpse after she had died from the effects of an operation. The minute description which the prisoner gave led to the discovery of the house.

E. L. COOPER TAKES HALF INTEREST IN THE ORPHEUM

NAME OF MOVIE HOUSE WILL BE CHANGED TO COSY; PLAN VAUDEVILLE.

Yesterday marked the return of a well known figure to the moving picture world of Pendleton when E. L. Cooper, former owner and manager of the Orpheum theater, purchased a half-interest in the Orpheum theater from Frank Greulich who recently secured the theater from H. A. Medernach. Hereafter, Mr. Cooper will be associated with Mr. Greulich in conducting the popular playhouse.

The change of ownership will be attended by a change of name also. Henceforth the theater will be called the Cosy, this having been the name of the theater which Mr. Cooper opened and operated successfully here for several years. It was located in the Temple building and, when the new owners remodeled it, christened it the Temple.

MANY BABIES TAKE PART IN FIRST ANNUAL PARADE HERE

With a warm sun and blue skies smiling down upon them and hundreds of people gathered along the street to admire, the babies of Pendleton paraded before their elders this afternoon in the first baby parade ever held in the city.

There have been parades and parades in Pendleton, circus parades, Fourth of July parades, automobile parades, Round-Up parades and many others but never one so universally admired as that of this afternoon. Something like a hundred babies were in line, and they were not all white babies either.

On Shetland ponies, in perambulators, go-carts, express wagons, fancy floats of unique design and in costumes quaint and beautiful they made their way down Main street, marshalled by ladies and school girls. There were a dozen or more of divisions and the exhibit in each was something in which all of the townspeople took pride.

The judges of the parade are Mrs. Bailey of Portland, Miss Margaret Wishart of Salem, Mrs. A. Phinister Proctor of Pendleton, F. V. Everts of Cleveland, Ohio, private secretary to Senator Burton, and C. B. Moores of Portland. Senator Burton was asked to assist in the judging but, because of his desire to rest, requested that his secretary be permitted to act.

Theodore Burton Here Today Will Deliver Address

EX-CONGRESSMAN FROM OHIO WILL OUTLINE HIS POLITICAL PRINCIPLES

Theodore E. Burton, former congressman and senator from Ohio led one of the strongest of the republican presidential possibilities here in Pendleton today, and this afternoon is addressing a audience of Umatilla county citizens upon political issues. The address, originally set for 2 o'clock, was postponed an hour in order not to conflict with the baby parade.

Senator Burton arrived on No. 17 from Baker where he spoke last night. He was accompanied by ex-congressman Ralph D. Cole of Ohio, F. E. Everts of Cleveland, his private secretary, and O. C. Bortmeyer of Portland.

At the depot he was met by a committee from the Young Men's and Young Women's Republican Club and escorted to the Hotel Pendleton where an informal luncheon was held for him. It was attended by about 30 members of the club. Senator Burton talked informally at the luncheon and made a notable impression upon his hearers.

The speaking this afternoon is being held at the Happy Canyon open air pavilion. Charles B. Moores of Portland, candidate for the republican nomination for secretary of state, will also speak at the meeting.

Lurking Bands of Bandits Sighted Along the Border

AMERICAN EXPEDITION HAS NOT COMPLETELY REMOVED MENACE OF ATTACK.

NAMIQUIPA, April 22.—(Wireless to Columbus).—The operations of the American expedition have not removed the menace from Villista bandits. Nearly every day small bands of bandits are sighted. It was reported that the quest for Villa continues within narrowed limits since the Parral clash. Many wild and contradictory stories have been received. No concern is felt for the position of the advanced detachments nearest Parral. The jagged defiles and canyons in this region are ideal hiding places for the Villistas. A band can remain undiscovered until reconnoitering parties stumble over them. The Villistas, however, are keeping out of harm's way.

SUPPRESSED LETTER IS READ BEFORE THE SENATE

ADMIRAL FISKE DECLARES U. S. LUCKY IF IT ESCAPES GREAT WAR.

WASHINGTON, April 22.—"If the United States escapes a war with a great power in the next five years it will not be such a war as with Spain, but wholesale and ruthless."

This passage from a letter by Admiral Fiske, brought from the navy department files, was placed before the senate today. Daniels suppressed it, but a senate resolution demanded its publication. Daniels said that when Fiske wrote the letter he did not consider it sufficiently important to deliver it personally to the secretary and merely filed it. The report from the general navy board, which the resolution also requested, was refused on the advice of Admiral Dewey. He said it was incompatible with the public interest. It was understood the report dealt with international affairs.

CHURCHES WILL JOIN IN OBSERVING HUMANE SUNDAY

"The love of humanity is the foundation of all virtue."—Abraham Lincoln.

May 21st of this year has been selected by the American Humane Association for Humane Sunday, and the week following "Be Kind to Animals" week. This occasion will be observed throughout the United States in various ways.

Sermons and addresses by the clergymen of every denomination will be the order for Sunday in the different churches, and talks and exercises will be given during "Humane Week" bearing upon the subject in the schools.

We ask our clergymen and teachers of the Pendleton schools to join in this world wide campaign which is being waged to introduce practical humanity into human conduct toward God's helpless creatures, suffering little children and abused animals, and give it their aid and support in so far as they can.

OREGON HUMANE SOCIETY, By Mrs. P. W. Vincent.

Good Records are Made on Track by High School Men

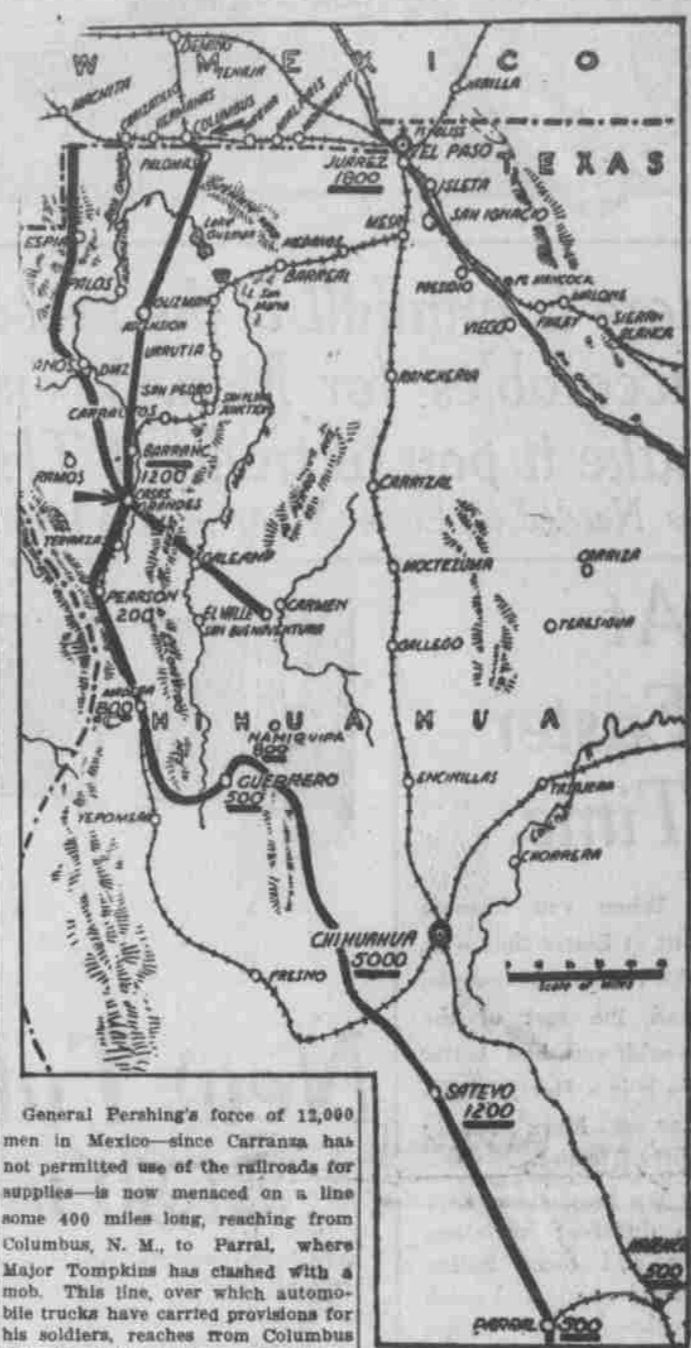

Due to weather conditions and the absence of a few men, the high school track meet scheduled for yesterday afternoon did not take place, but instead Coach Gordon put his men through some of the events to try them out. Searcy won the fifty yard dash in 5 2-5 seconds; Latourelle took the 100 yards in 10 1-5 seconds. Coach Gordon thinks that he has a track team unequaled in the eastern part of the state. As yet it is early in the season, but already several of the eastern Oregon marks of last year have been broken.

Siebert is doing the quarter in record time. Boylen has already run the half in 2:06 1-2, which is two seconds better than eastern Oregon time.

Brown has hurled the discus 199 feet, while last year 98 was the best made. Hayden tossed the shot 33 feet, 3 inches and is rapidly improving. Mims is throwing the javelin around 150 feet consistently. Gordon has already cleared the bar in the pole vault at 12 feet, Minnie is doing the mile in exceptionally fast time. Myers is working hard on the high hurdles and high jump. Chisholm and Siebert are doing about 13 1-2 in the broad jump.

The next meet of the season will be the inter-class meet held next Friday. At this meet Gordon will have a good line on the men he will place against Walla Walla in the dual meet held here on May 5th.

American Line Communications Menaced

General Pershing's force of 12,000 men in Mexico—since Carranza has not permitted use of the railroads for supplies—is now menaced on a line some 400 miles long, reaching from Columbus, N. M., to Parral, where Major Tompkins has clashed with a mob. This line, over which automobile trucks have carried provisions for his soldiers, reaches from Columbus through Casas Grandes, Chihuahua, and Stateo. Whether or not supply auto Major Tompkins is not known. Carranza has many thousand soldiers scattered through this territory. They would be used at once against American troops if the clash came. They are distributed as follows: At Chihuahua, General Gutierrez with 2,000; at Parral 500; at Jimenez 500; northern Sonora, General Calles with 12,000; Satevo, General Herrera with 1200; at Juarez, General Gavira with 1800; at Madera, General Bantari with 800; at Namaquipa, General Cano with 700; at Guerrero, General Cavasson with 500, and at Casas Grandes, General Davilla with 1200. At Torreon, southeast of Parral, General Trevino has 4000. The Arrieta brothers are operating in Durango with about 3000 men and then there are the Villa bandits.

Mignon Davis of Hermiston and Billy McKinney of This City Win First Baby Honors

With perfect scores to their credit, Mignon Davis of Hermiston and Billy McKinney of Pendleton were this afternoon pronounced the grand champion girl and boy baby respectively of Umatilla county, as a result of the first annual eugenic test held Thursday and yesterday.

Dorothy Hampton of Pendleton won the honor of being second high scoring girl and Burke Hayes of Pendleton won second in the boys' division. Both of these babies scored 99 1-2.

The grand champion girl is the daughter of Mr. and Mrs. Edmund I. Davis of Hermiston and the grand-daughter of Mrs. Laura Davis, well known here. She is one year old. The grand champion boy is the son of Mr. and Mrs. William C. McKinney of this city and is a little past two years.

Dorothy Hampton is the daughter of Mr. and Mrs. Thomas R. Hampton and will be two years old in May. Burke Hayes is the son of Mr. and Mrs. Frank B. Hayes and will be four years old this summer.

Americans Ready to Quit Germany

IN CASE OF SEVERANCE OF RELATIONS THEY CAN LEAVE IN SHORT TIME.

THE HAGUE, April 22.—Many Americans are preparing to close their affairs and leave Germany in two days' notice if relations are severed. Some arranged to come to Holland. There has been no exodus of Americans since the latest submarine crisis developed. The German-American excitement apparently is subsiding. The feeling is growing that Germany will prevent an early rupture of diplomatic relations.

More than 500 women are serving in the Russian army.

SCOTT'S REPORT BEING AWAITED AT WASHINGTON

President Wilson is Much Concerned Over the Mexican Situation and Carranza's Attitude.

ALARMING REPORTS HEARD

Mexicans Said to be Mobilizing South of Parral; American Cavalrymen Capture Four Villistas But Main Band Escapes; U. S. Officers Fired On By Mexicans.

COLUMBUS, April 22.—Unexpected activity followed the receipt of Funston's orders today. Three hundred infantrymen marched into Mexico.

SAN ANTONIO, April 22.—Secret orders were sent to Pershing today following Scott's arrival. A salute of 13 guns was fired when Scott detained. It is unknown whether Scott agreed to change the base of operations to Presidio. Renewed activity marked Scott's arrival.

WASHINGTON, April 22.—President Wilson was much concerned over the Mexican situation today. Word from Scott is anxiously awaited. Carranza's attitude toward the expedition is the big question. Since the Parral clash there have been persistent reports that Mexicans are mobilizing south of there. The Carranzistas are reported to have warned the Americans that Parral was a dead line beyond which they must not go. The administration believes that these officials followed orders from local chieftains instead of acting on a mandate from Carranza. The United States may send a note to Carranza.

NAMIQUIPA, April 22.—(Wireless to Columbus).—American cavalrymen have captured four Villistas and a number of horses near here. They found a warm camp where a hundred Villistas had just been but were unable to overtake the main force. A search followed the receipt of reports that Villista bands were heretofore. It is believed that General Cervantes headed the band. Two officers were fired on the outskirts of Namaquipa. Since the Parral clash an increased animosity is evident among the natives. Cervantes' held trysts with his sweetheart almost under the nose of the sentries of Pershing's headquarters. Another woman, Jessica, told the story. Cervantes fled to the hills.

COLUMBUS, April 22.—Albert Hartmann of the Thirteenth cavalry, died enroute from the front on a motortruck. He suffered from dementia as a result of his terrible hardships in Mexico.

Pope Sends Easter Greetings to the American People
