S. S. S. IS PURELY VEGETABLE—NATURE'S BLOOD TREATMENT

Scientists have discovered that the forest and the field are abundantly supplied with vegetation of various kinds that furnish the ingredients for making a remedy for practically every ailment of mankind. Medicines made from roots, herbs and barks which Nature has placed at the disposal of man are better than strong mineral mixtures. Mineral medicines work dangerously on the delicate parts of the system, especially the stomach and bowels by eating out the lining membrane, producing chronic dyspepsia and often entirely ruining the health. S. S. S. is guaranteed to be a purely vegetable remedy. It is made entirely of gentle-acting, healing, purifying roots, herbs and barks, possessing properties that build up all parts of the system, in addition to removing all impurities and poisons from the blood. S. S. S. is a safe treatment for all disorders of the blood. It cleanses the entire system. Get S. S. S. at any drug store. S. S. S. is a standard remedy recognized everywhere as the greatest blood antiseptic ever discovered. If you are a peculiar case write to Swift Specialty Co., Atlanta, Ga.
