KIDNEY DISORDERS QUICKLY RELIEVED

Tallman & Co. the popular druggists, have established a new record in the sale of medicine. They say they don't believe any medicine ought to be paid for unless it does the user some good and they have adopted the plan of selling Solvax, the standard kidney remedy, under a positive guarantee of quick relief from all kidney or bladder misery, or money back without a question. This speaks eloquently for the virtues of the remedy that already has created such a widespread demand in Pendleton. Hundreds of people in every walk of life have been relieved of the agonies attendant on weak, disarranged or clogged-up kidneys and bladder by this remarkable money. It is not just merely a kidney treatment. It is a medicine that puts the entire, pain-racked body into normal condition and gives vigorous health after the many painful disorders caused directly or indirectly by sick kidneys. A change for the better will be seen after the first few doses of Solvax and its continued use will soon tone up the entire system of improperly working organs and give you the desire to live and enjoy life to its fullest.

Solvax is considered the best kidney remedy on the market today because it aims to cure by striking directly at the cause of all the trouble. The many pains and aches caused by improperly working kidneys cannot be permanently cured unless the cause is removed.

Solvax is sold under a positive guarantee to refund the money if it does not cure. This is the strongest proof that can be offered as to the merit of the medicine. You are cheating yourself out of your slice of life if you don't give Solvax a chance.

ers in her stage is a daily round trip between Hoquiam and Humptulips City, a total distance of 54 miles over the Olympic Highway.

WOMAN WEAK, DIZZY, NERVOUS

Health Restored by Lydia E. Pinkham's Vegetable Compound.

Jamaica, N. Y.—"I suffered greatly with my head and with backache, was weak, dizzy, nervous, with hot flashes and felt very miserable, as I was irregular for two years. One day when I was feeling unusually bad my sister-in-law came in and said, 'I wish you would try Lydia E. Pinkham's Compound.' So I began taking it and I am now in good health and am cured. I took the Compound three times a day after meals, and on retiring at night. I always keep a bottle in the house."—Mrs. L. N. BURNHAM, 35 Globe Ave., Jamaica, N. Y.

Women who recover their health naturally tell others what helped them. Some write and allow their names and photographs to be published with testimonials. Many more tell their friends.

If you need a medicine for Women's Ailments, try Lydia E. Pinkham's Vegetable Compound. Write Lydia E. Pinkham Medicine Co. (confidential) for anything you need to know about these troubles.
