NEWS OF PENDLETON

MILK DOLLARS FOR HOSPITAL HONOR JACOBI

DR. ABRAHAM JACOBI

Suit Is Dismissed.
Without prejudice to plaintiff the suit of D. H. Nelson vs. B. D. Smith has been dismissed.

Hospital Employee Operated On.
Mrs. Ode, who works at the Eastern Oregon State Hospital, underwent an operation this morning at St. Anthony's hospital.

Chief of Hotel Clerks.
G. D. Gunn, secretary of the Oregon Hotel Clerks' association and chief clerk for the Nortonia Hotel in Portland, is here today to meet the local greeters and interest them in the organization.

Candidate Corey Here.
H. H. Corey of Baker, present secretary of the public service commission and candidate for the republican nomination for commissioner from eastern Oregon, is in Pendleton making the acquaintance of voters.

Some Wheat Is Selling.
In the last week or longer a number of quiet wheat sales have been made here, the different local buyers sharing in the purchases. Between 30,000 and 40,000 bushels were sold and the price was around 53 cents. The market is slightly off today.

Visited in Union Co.
Postmaster T. J. Tweedy has returned from a trip into Union county and reports he found considerable sentiment in that county for the election of Will M. Peterson as a delegate to the democratic national convention.

Don Rice Leaves Pendleton.
Donald B. Rice, for the past year and a half employed at the Hartman Abstract Co. and coach of the high school basketball team last season, has resigned his position and left on No. 17 for Portland. He plans to locate soon in Harney county.

Suit To Collect.
Linus Anderson today filed suit in the circuit court against Nellie Blackman to collect \$100 alleged to have been loaned her on Feb. 16 and \$73 alleged to be due for hay furnished by F. G. Lucas. W. M. Peterson is attorney for the plaintiff.

Cummins Not Coming.
Senator Cummins, candidate for the republican nomination for president who is now in Oregon in the interest of his candidacy, may come to Pendleton but local republican leaders are under the impression that he will not. They state that there is little sentiment here for the Iowa man and they would have insisted upon a stop here.

Party Refreshments Stolen.
A quart of cream, some apples and other "eats" intended for refreshments at a party given last evening by Miss Jaunita Friedly for her Sunday school class at her home, 109 Stonewall Jackson street, were stolen last evening. The marauder was in the act of reaching through a window and purloining a cake when detected and frightened away.

Delta Benefit Tonight.
The second benefit for Pendleton's Rose Queen contest will be given this afternoon and this evening by The Delta and half of the entire receipts will be turned over to the campaign fund. George C. Hill, proprietor of the place, has arranged for a three piece orchestra to furnish dance music in the Pullman tea room. Miss Muriel Saling, the Pendleton candidate, will be present to act as cashier.

Plan Golf Tournament.
A four city golfing tournament is to be staged in Walla Walla on Saturday and Sunday, May 27 and 28, and Pendleton will be represented by her best golfers. Walla Walla, Lewiston and Baker each have teams entered and the play promises to be very keen. Each town will probably enter a team of seven men. The players to represent Pendleton have not yet been selected but the best players are out each day on the local links and final selection will be made upon their daily records.

Temporary Injunction Issued.
In the divorce suit of Rose Bogert vs. W. G. Bogert, Judge Phelps has issued a temporary injunction restraining the defendant from going to the home of the plaintiff or from mortgaging or concealing any of his property during the pendency of the suit. He has also ordered the defendant to pay to the county clerk \$500 for attorney fees, \$200 for court costs, \$100 for the maintenance of the plaintiff and children during the pendency of the suit.

Where To Leave Vote Money.
Many inquiries have been made by local residents who wish to contribute small amounts toward the fund for buying votes to elect a Pendleton girl queen of the Rose Festival, as to where they can leave their contributions. This money may be left at the Commercial association, with Miss Muriel Saling at the county clerk's office or at the East Oregonian office. Such contributions should be made today or tomorrow as the special offer of 5000 votes for a dollar will expire tomorrow night. This is the last special offer. Miss Saling now has 214,000 votes to her credit and is only a short distance behind the leader.

Attendance at Rumford, Me. school is encouraged by a peculiar method; each room is permitted to choose a favorite model of automobile to represent it; every pupil absent or tardy reduces the speed at which this car is running. In this way rivalry in attendance has been developed.

NEW YORK, May 12.—Guests attending a dinner in honor of the eighty-sixth birthday of Dr. Abraham Jacobi, decided to raise to \$1,000,000 the fund intended to complete the proposed new group of buildings for the hospital for deformities and joint diseases. The work of raising the fund will be carried on as a tribute to Dr. Jacobi, who is described as the "dean, peer and shining light of the medical profession." Dr. Jacobi has long been identified with surgery in the curing of joint diseases and deformities.

Friends of Mrs. George Meeker gave her a pleasant surprise on Wednesday evening at her home, 816 Jackson street, on the occasion of her birthday.

Ladies' Suits and Dresses

BUICK

PROOF

THESE 52 car-owners have expended \$64,425 for 1916 Buick sixes, since August 10th, 1915.

They are successful in their individual lines of business, because of their good business judgment—they have used this same judgment in the selection of their motor car. Many have bought from experience with different makes of cars, the others after a thorough investigation of the merits of each.

What further or more conclusive proof could be demanded that BUICK is the car to stand the hard tests of Umatilla County's rough roads and steep hills?

Profit by their knowledge.
