Where It Pays To Trade

The afternoon bridge party given Saturday by Mrs. John F. Robinson, Mrs. Charles Hamilton and Mrs. Frank Frazier at the Robinson home, on Jackson street proved to be an attractive affair, and completed a series of very enjoyable parties given by these ladies during the week. The rooms were very pretty in carnations and tulips. About sixty ladies were present for the plays and honors were won by Mrs. Clarence Whitman, Mrs. I. L. Temple and Mrs. J. N. Burgess.

Many Pendleton people motored to Bingham Springs yesterday for the formal opening of that popular resort. The day proved a delightful one, the roads being good for travel, the sun warm and bright and the hospitality of the spring's management hearty. The swimming pool proved to be the principal attraction and half of the proceeds were given to Miss Muriel Saling for the purchase of votes in the Rose Festival contest. Her half was almost enough to purchase one hundred thousand votes.

A unique ante-election social event will be the candidates' ball at Standfield this evening. All of the candidates for nomination at the primaries have been invited to attend and many have promised to be present.

One of the chief social events of the week will be the bridge party to-morrow afternoon at the home of Mrs. Slusher on Jefferson street. The party is planned in honor of Mrs. J. Sterrett and Mrs. Frederick Gulick of Portland.

Mr. and Mrs. Herbert Thompson and Misses Frances and Muriel Saling were among the guests at Bingham Springs yesterday.

Miss Pearl Wilson gave a surprise birthday party for her mother, Mrs. J. A. Drake, at their home on Garden street, Saturday afternoon. The guests were Mrs. Mary Marsh, Mrs. Hassell, Mrs. Wm. Humphrey, Mrs. Kim Morton, Mrs. Lee Drake, Mrs. Alvin Craig, Mrs. James Dunham, Mrs.

O. F. Adam. There was music during the afternoon and dainty refreshments were served.

Irwin G. Brooks of Athena was here for the ball game yesterday.

How Mrs. Harold of Evid of Her Stomach Trouble.

"I suffered with stomach trouble for years and tried everything I heard of, but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them at our drug store. I got immediate relief from that dreadful heaviness after eating and from pain in the stomach," writes Mrs. Linda Harrod, Fort Wayne, Ind. Obtainable everywhere.—Adv.

GRAIN FIELDS NEAR MILTON SHOW POOR QUALITY OF WHEAT

SHOOTS 4 TO 10 INCHES WHILE AS THEY SHOULD BE 12 OR 13 HIGH.

(East Oregonian Special.)

Victor Canfield is manager of the Milton-Freewater bureau of the East Oregonian. Phone 952 or 484.

MILTON-FREEWATER, Ore May 15.—Grain fields near Milton-Freewater are far from showing their usual advancement for this time of year. Wheat that this season should average twelve or fifteen inches high is from four to ten inches, and yellow and sickly looking. Continued cold weather and too much rain have held growth back until it is almost certain to make harvest a little late and probably shorten the crop. There are plenty of the farmers near here who are still plowing and harrowing, some three or four weeks later than usual, and the weather has been such that the weeds have gained a good start, where the plowing has been done earlier.

The recent heavy frosts struck in spots over the valley and killed all the beans, corn and other tender vegetables wherever it was heavy, but did not damage the fruit much. There were other localities that suffered not at all from the cold nights, and the entire damage is thought to be light. Roads in all directions from Milton-Freewater are in pretty good shape for automobile travel now, although in places showing ruts and bad wash-outs as the result of the heavy Sunday night rain several weeks ago. The up-river road is in fair shape clear to the P. P. & L. dam, and is being used by many fishermen and picnic parties.

Russell Vaughn was arraigned before Justice of the Peace J. L. Miller Saturday morning on a charge of assault and battery and another of carrying concealed weapons, and fined \$25 on each count. Deputy Prosecuting Attorney R. I. Keator conducted the prosecution, which came near being delayed until Monday on account of the non-appearance of the witnesses for the state, but who later were rounded up by the constable, and by their evidence proved both charges to the satisfaction of the judge. Vaughn is one of the young men arrested last winter for breaking into a Freewater store but who was acquitted of the charge.

S. J. Campbell has purchased a new Ford touring car to help him in disposing of his 1914 crop of fruit and vegetables.

H. H. Corey, republican candidate for nomination at the primaries for public service commissioner was in the twin cities Saturday looking after votes.

Freewater Commercial club has announced a dance to be given Saturday night, May 20 for the benefit of the club treasury. The club has recently added another table to their billiard room equipment and is contemplating further improvements.

The Milton Nursery Company is making almost daily shipments of peonies now, and expects to have 1500 dozen for the trade there in this flower Memorial Day.

Mrs. F. B. Sypher left Saturday for a visit with friends and relatives at Spokane and vicinity, expecting to be gone about two weeks.

Mrs. L. D. Butler left Friday afternoon for La Grande to join her husband who is associated at that place in the practice of law with Jerry Rusk, candidate for public service commissioner from eastern Oregon. Mr. Butler has had a couple of serious attacks of heart trouble within the past month.

Miss Beatrice Littlefield, seventh grade teacher the past year at Central building, expects to leave Tuesday afternoon for her home near Walla Walla, Oregon. She has been engaged to teach in Sharpstein school in Walla Walla next year.

The engagement of Lois Shangie and Larrossa Reese of Gilbert, Idaho, has been announced, the wedding to take place in June.

H. E. Vancil has purchased a new Ford car from the Milton Garage.

T. A. Williams is expecting delivery the early part of this week on a little Buick six automobile.

W. W. Barnes who has been suffering from rheumatism ever since early winter is reported to be somewhat improved in condition, although taking daily treatments of Dr. H. E. McQuarby of Milton.

The seventh grade of the Central building gave a pretty little play and Maypole dance on the lawn at P. H. Wilson's Saturday afternoon, which was attended by a large number of friends. The only drawback to the afternoon's performance was about ten minutes of driving rain which stopped things effectually until it ceased.

By the first part of June the Milton Ice Plant will have all their storage space filled, making a total of about 2600 tons of ice for using in killing cars and in shipments to Walla Walla and other nearby places. From that time on the supply will diminish until judging by past experience, September first will find the entire quantity stored and what can be made in the meantime almost shipped out.

W. H. Frazier will construct this summer a large modern barn, made necessary by the increasing acreage he is farming and the number of stock he will be working.

Freewater's new establishment, the Twin City Garage, is now in operation with a full equipment of repair machinery, housed in a modern fire proof concrete structure built especially for that purpose.

PENDLETON TRACK TEAM TAKES MEET BY TWELVE POINTS

LOCAL BOYS WIN INTERSCHOOLASTIC TRACK AND FIELD MEET ONCE MORE.

Several New Records Are Made; Relay Is Captured by Pendleton by 23 Yards and Cup Is Won; Event Will Be Held Next Year in Pendleton for Silver Cup.

Pendleton's Points

Siebert	54
Bowman	64
Gordon	54
Minnie	5
Mims	5
Searcey	44
Huey	3
Latourelle	2
Chalmers	1
Boyle	1
Total	41

When Siebert, the last man for the local high school team in the half mile relay race at Baker Saturday crossed the tape in the lead, the annual eastern Oregon interscholastic track and field meet was captured for the third consecutive time in the name of Pendleton High School and in all three meets Siebert has been the last man to cross the tape for the local team.

The famous sprinter, Conkey of La Grande, was beaten by Bowman of Pendleton in the 50 yard dash and lost the 100 yard dash to Gorman of Baker and Searcey and Latourelle of Pendleton. But when the 225-yard dash came up, he got away for 22 seconds, breaking the eastern Oregon record. Gorman of Baker also made a new record in the century of 10 seconds flat, breaking the state record held by Chester Gordon of Pendleton at 10.1. Both of these may not stand because of the high wind at the runners' backs.

The relay event was captured by Pendleton with a lead of 25 yards. For this event the boys brought home a very beautiful cup. The runners were Bowman, Searcey, Gordon and Siebert.

Francis of Baker, was disqualified for being over age and Millering of La Grande for being low in his studies, and as a result both teams were handicapped.

Greer of Wallowa romped away with two firsts and one second for 13 points as high point man. Siebert with 8 1-4 points was first place for the locals.

Pendleton, with five first places, won with 41 points. La Grande, with four firsts, was second with 29 points, and Baker third with 26. The other schools were Wallowa 19, Ontario 8, Enterprise 5, Halfway 5 and Union 4.

The big silver cup presented to the eastern Oregon track meet by the Oregon Agricultural College, was brought back home for the second time for first honors. Pendleton must win the meet one more time before the cup becomes permanent property. A cup for the relay and bronze medals for first places were the prizes brought back by the local team. Next year the meet will be held in Pendleton and the locals believe that the silver cup will once more be retained.

The results were:

- 100-yard dash—Gorman, Baker; Searcey, Pendleton; Latourelle, Pendleton. Time, :10.
- 50-yard run—Young, Wallowa; Coyne, Baker; Boyle, Pendleton. Time, 2:07.

- Shotput—Conkey, La Grande; Larson, La Grande; Greer, Wallowa. Distance, 39 feet 5 inches.

"I DON'T SUFFER ANY MORE"

"Feel Like a New Person," says Mrs. Hamilton.

New Castle, Ind.—"From the time I was eleven years old until I was seventeen I suffered each month so I had to be in bed. I had headache, backache and such pains I would cramp double every month. I did not know what it was to be easy a minute. My health was all run down and the doctors did not do me any good. A neighbor told my mother about Lydia E. Pinkham's Vegetable Compound and I took it, and now I feel like a new person. I don't suffer any more and I am regular every month."—Mrs. HAZEL HAMILTON, 822 South 15th St.

When a remedy has lived for forty years, steadily growing in popularity and influence, and thousands upon thousands of women declare they owe their health to it, it is not reasonable to believe that it is an article of great merit?

If you want special advice write to Lydia E. Pinkham's Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
