

The Dean Tatom Co.

Something about scales. Perhaps no part of the equipment of our modern grocery store so greatly affects the customer's interest as the scales. We are told that 4 1/2 c of every dollar earned by the average family is spent for food, and a very slight variation in scales would mean considerable loss to the wage earners.

You well know we have state and county scale and weight officers and often merchants are found guilty of errors in their weights. This is not because the merchant is dishonest but because he is not up on the latest in scales and is using some old worn out equipment that should be in the junk pile.

The thing of renting an old dingy building and buying a few groceries and calling yourself a groceryman is a thing of the past. That was all right years ago but not so in Pendleton today.

We have the very latest in Toledo electric lighted scales. There are no springs to get out of order, electrically lighted to help make the dial more easily read—to assist you in knowing at the time of weighing just exactly the weight of your purchase. As a result we guarantee every purchase. All our scales are finished in gold with heavy plate glass showing mechanism.

We also have in front of our store a Toledo person weigher which you are perfectly welcome to use at all and as many times as you like.

10 Year Old Echo Boy Injured When Thrown From Horse

FRED GOULD MEETS WITH ACCIDENT WHILE ON HIS WAY TO SCHOOL.

Left Arm is Fractured; Rev. George E. Van Waters of Portland Will Preach on Sunday Morning in Masonic Hall; School Students Take Part in Essay Contest.

(East Oregonian Special.) ECHO, Ore., May 18.—Fred Gould, the ten year old son of Mr. and Mrs. S. P. Gould met with a serious and painful accident Wednesday morning. While on his way to school he was thrown from his horse and suffered a compound fracture of his left arm just above the elbow. He was immediately brought to town and the fracture reduced. The boy is resting as easily as could be expected.

Word has been received that Rev. George E. Van Waters of Portland will be here Sunday morning and hold services at the Masonic hall, going on to Hermiston in the evening for services at that place. Heretofore the doctor has held evening preaching services here but the time hereafter may be 11 a. m.

The Echo school participated in the state wide contest promoted by the W. C. T. U. for the best essay on alcohol and its effects.

Those accredited with the best essays were Gale Sherman of the high school, Jack Stanfield of the eighth grade and Veda Wattenburger of the sixth grade. The local W. C. T. U. is going to recognize their success by suitable rewards.

Earl Keesler returned yesterday from Starbuck, Wash., where he has been the past month in charge of the Tum-a-Lum Lumber Co.'s yards, while the local manager was away on his vacation.

Mrs. Mary Houser, an Echo girl, who is a graduate of the Behrke-Walker Business College of Portland, has a position with the George and Miller Co.

Henry Miller left this morning for Spokane, Wash., where he will spend the summer.

Wm. Clark of Walla Walla was here yesterday looking after his land interests on Little Butter Creek.

Mammoth Fountain of Roses Will be Festival Feature

PORTLAND, Ore., May 18.—(Special.)—The whole world will pay homage to Rose, Queen of Flowers, at Portland June 7, 8 and 9.

The annual festival in the state's metropolis has attracted world wide attention to recent years and Portland is now known as the "Rose City" in all lands.

This year a mammoth rose fountain will be the central feature of the floral display to occupy more than 10,000 square feet in the park blocks bounded by Park, West Park, Salmon and Madison streets.

In 1906 Paris featured a rose fountain as an attraction. The festival fountain will be twice as large as that offered by the French metropolis, and will be the first floral feature of the kind ever built in the United States. It will stand forty feet in height.

More than 15,000 Dorothy Perkins blossoms will be on review in this display. It will require 6000 plants to produce roses to complete the picture.

The fountain will be dedicated by the festival queen, who is to be crowned at the center of the evening of June 6. The promenades through the center will be wide and 12,000 people may view the flowers at one time without crowding. The center will accommodate more than 250,000 visitors daily. In 1915 it was estimated 500,000 people viewed the beds of bloom and community displays, in the park blocks.

Had Terrible Pains in Kidneys and Back.

Dear Mr. Editor—I want to write you about "Anurie." I was very sick, could hardly be up; I was in bed most of the time. Had terrible pains in my kidneys and back, so much so that I had to scream sometimes when I was sitting down and wanted to get up, the pain was so great. I had tried a well-known kidney medicine but it didn't help me. I heard of Dr. Pierce's Anurie Tablets so I thought I would try them. I took only one box of the Tablets, and my back is now free from pain and I can work and take care of my family. I feel I cannot say enough for this medicine. Sincerely, Mrs. Wm. KELLER.

NOTE: This "Anurie" is adapted especially for kidney complaints and diseases arising from disorders of the kidneys and bladder, such as backache, weak back, rheumatism, dropsy, congestion of the kidneys, inflammation of the bladder, scalding urine and urinary troubles. The physicians and specialists at Dr. Pierce's great Institution, at Buffalo, N. Y., have thoroughly tested this prescription and have been with one accord successful in eradicating these troubles, and in most cases absolutely curing the diseased kidneys.

Patients having once used "Anurie" at Dr. Pierce's Invalids' Hotel, have repeatedly sent back for more. Such a demand has been created that Dr. Pierce has decided to put "Anurie" in the drug stores of this country, in a ready-to-use form. If not obtainable send one dime by mail to Dr. Pierce for trial packages or 50 cents for full treatment.

Dr. Pierce's Golden Medical Discovery is a blood cleanser and alterative that starts the liver and stomach into vigorous action. It thus assists the body to make rich, red blood, which feeds the heart, nerves, brain and organs of the body. You feel clean, strong and strenuous.

ENRICH THE BLOOD

Hood's Sarsaparilla, a Spring Tonic. Medicine, is Necessary.

Everybody is troubled at this season with loss of vitality, failure of appetite, that tired feeling, or with bilious turns, dull headaches, indigestion and other stomach troubles, or with pimples and other eruptions on the face and body. The reason is that the blood is impure and impoverished.

Hood's Sarsaparilla relieves all these ailments. It is the old reliable medicine that has stood the test of forty years—that makes pure, rich, red blood—that strengthens every organ and builds up the whole system. It is the all-the-year-round blood-purifier and health-giver. Nothing else acts like it, for nothing else is like it. There is no real substitute; so be sure to get Hood's. Ask your druggist for it today, and begin taking it at once.
