Sheep Losses Heavy in Northwest

Shorn Stock Has Suffered Because of Cold Weather

PORTLAND, Ore., May 24.—Severe losses to lambs as a result of recent shearing and extreme cold weather, are reported at several of the leading northwest centers. Shearing operations are still being carried on in a limited way in the interior and the outlook is for a much smaller clip than first anticipated. The market for wool is showing a fairly active tone in the Pacific northwest states with practically no recent change in quotations. Business in the Yakima section is still being done, but the parity of other American centers and this is keeping the other markets from showing climbing values.

Eastern mill interests continue aggressive ladders for wool and full price are being paid in all sections of the west with the possible exception of Yakima, where the sheep interests are inclined to favor buying. Eastern wool markets are showing strength with well maintained prices. Foreign markets remain firm at full prices. This is one of the chief aids toward maintaining full strength in the United States.

VALLEY SHEEP ARE SHOWING VERY GOOD CALL AT PORTLAND

PORTLAND, Ore., May 24.—There was a fair marketing of sheep in the North Portland yards for the day with practically all arrivals in that line from the Willamette valley. In general the mutton and lamb trade continues steady with former values maintained.

General shorn mutton and lamb range:

Hog Market is Steady

With stock selling at practically the same price as on Monday, the swine trade at North Portland was continued steady. General market for good stuff remains around \$8.95 to \$9.00 here and only a limited supply brought a fraction above this during the last 24 hours.

Choice light weights, nominal \$8.95 to \$9.00
Good light weights, \$8.90 to \$8.95
Medium weights, \$8.50 to \$8.75
Rough and heavy, \$8.00 to \$8.25

STRAWBERRY PRICE IS CUT IN PORTLAND TRADE

PORTLAND, Ore., May 24.—The local strawberry season really opened during the day. While small receipts have been shown along the whole sale way for some days, still the volume of home arrivals has been comparatively limited, and for that reason the higher average prices known have ruled here, as well as at other Pacific northwest markets.

During the day with increased offerings of Willamette valley berries, there was the first sharp cut in prices for the season to date. Sales of best offerings were made around 3 a crate while some of the good stock ruled around 2.75.

The extreme prices which have ruled of late in the strawberry market were the result of furnished offerings. The berries generally were sour and really unfit for use, but the public's appetite had to be satisfied. It did not take many crates to fill this high priced taste and the moment that arrivals began to show up in earnest down went the market. General indications are for price declines from day to day.

TAKE SALTS TO FLUSH KIDNEYS

EAT LESS MEAT IF YOU FEEL BACKRACHY OR HAVE BLADDER TROUBLE.

Meat forms uric acid which excites and overworks the kidneys in their efforts to filter it from the system. Regular eaters of meat must flush the kidneys occasionally. You must relieve them like you relieve the bowels; removing all the acids, waste and poison, else you feel a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sour, tongue is coated and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment; the channels often get irritated, obliging you to get up two or three times during the night.

To neutralize these irritating acids and flush out the body's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and stimulates sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive, harmless and makes a delightful effervescent lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder disease.

DELINQUENCY OF GIRL IS BLAMED UPON HER MOTHER

FRANCES HODGES, 15 YEARS OLD, FORMERLY LIVED IN THIS CITY.

The delinquency of fifteen year old Frances Hodges, formerly of this city, was charged to her mother yesterday in a Portland court by a jury. Relating the story the Oregonian says in part:

After deliberating but 30 minutes a jury in Judge Morrow's court late yesterday found Mrs. Will Hodge, 114 East Twenty-sixth street, guilty of contributing to the delinquency of her 15-year-old daughter, Frances, in that she permitted her to frequent public dances and all-night restaurants, associating with men of doubtful character.

The jury returned but two ballots to come to an agreement. The first stood 11 for conviction to one for acquittal and the second was unanimous.

Conviction is First of Kind.

The case is said to be the first ever tried in Oregon in which an attempt was made to fix the responsibility of a parent for a child's downfall. The decision is, in the opinion of attorneys, an important one, in that it will affect the status of all parents with regard to their responsibility before the law for their children's actions.

Deputy District Attorney Robison, who handled the case for the state, declared last night that the effect of the decision would be far-reaching, in that it would no doubt act as a preventive in a large percentage of the cases ending in the juvenile court as the result of the delinquency of parents.

Only three witnesses were examined, Mrs. Hodge, herself, her daughter, Frances, and R. S. Flack, city dance inspector. Testimony showed that the girl had been permitted by her mother to go to public dances unchaperoned, and was allowed to come home alone with men she met at the dances.

The girl admitted having improper relations with one of these men, Orville Acton, on the way home from a dance about December 28 of last year. She said she had previously been taken by the same man to a Chinese grill where she had drunk beer.

Girl Shields Mother.

The girl made an effort to shield her mother and she wept when she declared that Mrs. Hodge was in no way responsible for her delinquency. She also said that her mother had forbidden her drinking and attending all-night restaurants.

Death Hour Also Widow's.

PITTSBURG, May 23.—At exactly the same hour and from the same cause, Mrs. Mary Elizabeth McCrawley, 59 years old, widow of Rev. W. E. McCrawley, a former pastor of the First Presbyterian church of McKeesport, dropped dead in her home recently, 13 months from the death of her husband. Mr. McCrawley fell dead of heart disease from a chair in his study. Mrs. McCrawley fell dead from a chair at the luncheon table.

Mrs. McCrawley died before a physician arrived. She had resided with her mother, Mrs. Sara Wherry, and a nephew, Mrs. Sara Wherry, and a nephew, Glenn T. McCawley, in 119 Orchard street, McKeesport, since the death of her husband. Two brothers live near Canton, O.

SAGE TEA KEEPS YOUR HAIR DARK

WHEN MIXED WITH SULPHUR IT BRINGS BACK ITS BEAUTIFUL LUSTRE AT ONCE.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully, besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite. It is not intended for the cure, mitigation or prevention of disease.
