Farm Safer Than Cells. LEESBURG, N. J., June 2.—New York has Sing Sing; New Jersey has a state prison farm; and in the contrast New Jersey does not lose. This mem-

bers of the state legislature discovered in their first formal inspection of the farm.

Not a long-term prisoner has ever tried to escape from the prison farm here since it was first established, two and one-half years ago. Three hundred and fifteen convicts have been here in that time.

"Putting men behind stone walls and into cells makes animals of them," declared Superintendent Sisco today. "When they come down here we try to remove every restriction possible. When they realize that they are not forever watched they become more like normal beings again."

Convicts have been used economically to excellent advantage. They have attacked the encroaching wilderness of thick brush and timber and they have cleared half of the 1000-acre tract. An extensive system of drains is in process of installation and hilltops have been leveled to make them tillable.

It is believed that the big prison farm will in a few years be self-sustaining.

EASILY DECIDED. This Question Should Be Answered Satisfactorily by Pendleton People.

Which is wiser to have confidence in the opinions of your fellow-citizens, of people who know, or depend on statements made by utter strangers residing in far-away places? Read the following:

J. D. Morrow, rancher and butcher, 517 Marie street, Pendleton, says: "I had pain in the small of my back for about three months. If I did any work that obliged me to stoop, sharp twinges darted through my back, just over my right kidney. The kidney secretions pained when passing. One box of Doan's Kidney Pills removed all these troubles."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Morrow had. Foster-Milburn Co., Props., Buffalo, N. Y.

### Stock Market Regains Its Poise

#### Effects of Battle Becoming Lessened

NEW YORK, June 5.—The New York Evening Sun's financial review says: To the exclusion virtually of all other subjects Wall street discussions centered this morning on the great naval battle in the North Sea between the German and English fleets. Later advice tempered, to some extent at least, in the minds of the professional traders, the magnitude of the British reverse. Although prices opened irregularly, the initial decline in no instance exceeded the limits of a moderate fraction and recovering tendencies developed very early in the session.

As the trading progressed pool and clique operators, particularly in International Mercantile Marine preferred and in the motor stocks, resumed operations and sharp advances reflected in some of the special issues. Recoveries in the general list were not extensive. Speculative conditions were not modified to any important extent. Prices moved irregularly within a narrow range. But the undernote of the market was consistently strong.

### MARKET CONDITIONS

#### TRADE IN WHEAT DEPRESSED IN THE WORLD

PORTLAND, Ore., June 5.—Wheat market was a very weak affair all over the world during the last six days. The Chicago market was weaker and lower, Liverpool and London showed depression and in the Pacific northwest there was scarcely any

market to speak of, stagnation being the rule.

Notwithstanding the extremely poor crop reports coming from almost every section of the world, there has been little actual demand for wheat in the world's trade of late. Chief of the factors that has caused this unusual depression is perhaps that present stocks of wheat in Great Britain are somewhat above the normal and present requirements. Warehouse room is at a premium because of the needs of ammunition interests. Foreigners are not inclined to buy up any more money in cereals than necessary at this time.

This may perhaps be due to the fact that after all there is some real fire among smoke in the peace talkfest. There is every indication of cheaper freight rates after the war is over, if not before then. The allies are conserving their funds as much as possible and for that reason have not been anxious to take hold of additional supplies of wheat.

On the other hand crop damage has been so severe throughout the world that this bearish condition cannot always continue. Sooner or later buyers will be forced into the market for their requirements. While a bigger crop than world's requirements is likely to come this season.

### BIG RUN OF SWINE IS ON IN PORTLAND MARI

PORTLAND, Ore., June 5.—North Portland had the biggest run of swine for recent weeks during the last six days and this was clearly reflected in values. The entire swine trade of the country was a mass of weakness and this influenced the local trade to a great extent, although the dominating factor was that supplies were greater than immediate requirements of killers.

Values dropped steadily from day to day during the week and at the closing of the week looked still lower. General hog market ranges: Choice light weights, \$8.50@8.55; Good to light weights, \$8.40@8.45; Medium weights, \$8.25@8.35; Rough and heavy, \$7.50@8.00.

Cattle Run is Smaller.

There was a smaller run of cattle at North Portland during the week despite the fact that California was quite a liberal shipped in this direction.

Aside from the California offerings there was little stock reported in the local yards.

General cattle market trade conditions were steady with top grossers generally hugging \$8.50 quite closely in the steer division.

General cattle market range: Choice grass steers, \$8.25@8.50; Ordinary to common steers, \$6.00@7.00; Choice cows, \$7.50@8.00; Ordinary to common cows, \$7.25@7.75; Choice heifers, \$7.50@7.75; Ordinary heifers, \$7.00@7.25; Choice bulls, \$5.00@6.00; Good to fair bulls, \$4.00@5.00; Ordinary to common bulls, \$2.00@2.75; Best light calves, \$8.00; Good calves, \$7.00@7.50.

Select spring lambs, \$8.50@9.00; Best yearlings, \$7.50@8.00; Good to common wethers, \$7.00@7.25; Best ewes, \$5.75@6.00; Good to common ewes, \$5.00@5.50.

### Bilious Attacks.

When you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. Obtainable everywhere.—Adv.

### Chance for Barber Here.

NEW YORK, June 2.—If there are any barbers in this city who must commit crime, won't they arrange to be convicted soon and relieve a serious situation in Sing Sing prison? For the first time in many years there is a shortage of barbers in Sing Sing. Many of the men of that trade who have been sojourning there have gone home, and for months there has not been a barber sentenced to that institution. In other years the supply of barbers was far in excess of the demand, several arriving in a single week. Then only the most skillful were put to work.

Now any man who can use a razor or shears is welcome, and the term "prison cut" has come to have a real meaning.

Also the prison needs first-class pitchers if the Mutual Welfare League nine is to be up to its standards. Last season it had two excellent twirlers, but in a careless moment it let one of them be taken in a draft last winter.

### SYLVESTER LONG, MAN WHO SAYS THINGS

Prominent Lecturer One of Popular Speakers in America Today

A MAN'S success in this day and age depends a great deal on whether he can "come back." The man who can "come back" and make a bigger success than ever before is the man who forges ahead and in the end has won a way into the hearts of the people.

Sylvester A. Long is a man who can "come back." He is one of the lecturers on the Chautauqua, and he "puts it over" in a way that is unusual. He is so well liked over the country that he has lectured in some cities as many as fifteen times, and that is an unusual record. Mr. Long has lectured in Cincinnati, Portland, Kansas City, Ogden, Philadelphia and dozens of other large cities. Mr. Long will be in demand here after he has been heard at the Chautauqua. Mr. Long says things and says them fast and well.
