ing local floral show. The Tallman and Pendleton drug stores, Popular Cash Store, Sayre and other stores have these displays in the windows. All persons having roses who would like to have them on display may send them to any of the stores accompanied by a card giving the name of the rose, by whom grown and calling attention to the floral show.

**Leave For East.**  
Mrs. J. L. Stockman and nephew, Lowell, are leaving today for an extended visit in the east. They will go to Niagara Falls, Washington, D. C. for a time and later spend two of three months in Ohio.

**Made a Good Catch.**  
James Bowler, Lyman Rice, Robert Ludwig and Chester Martin made a trip up Birch creek 25 miles yesterday and spent the day fishing. They brought back a good catch. Many anglers were out yesterday despite the wind and dust.

**Ralph Left \$7100.**  
James A. Ralph of Hermiston, who was murdered recently, left personal property worth \$7100, according to a petition filed for the appointment of an administrator. The property consists of stock in the Hermiston light company, an auto and other personal property. Frank Ralph, a brother, was appointed administrator.

**Got \$100 and Then Deserted.**  
Married March 4, 1915, to Doyle H. Goodman, Elizabeth M. Goodman alleges that in the following May she desired to sell a piece of property and that before he would sign the deed, compelled her to pay him \$100. Immediately afterwards he deserted her, she alleges. She asks that her maiden name of Linsner be restored to her. Carter & Smythe are her attorneys.

**June Weddings Numerous.**  
Dan Cupid's business is picking up, now that June, the fabled month of marriages, has arrived. Five licenses were issued Saturday and today. One was secured by Thomas Carvassa Reese and Miss Lois Shangle of Milton and one was secured yesterday by Cephus C. Mustard of Nye and Vashita Morse of Freewater. Saturday licenses were issued to Harry M. Chambers and Phyllis C. Parkes of this city and William Arthur Robinson and Maude Edith Emmerson.

**Echo Defeats Colored Boys.**  
The Colored Tigers of Pendleton went down to Echo yesterday and played the crack team of that town. Though they lost by a score of 3 to 9 they put up a strong game that surprised the Echo people. A grand total of five hits was made by both teams, Krause for Echo holding the Tigers to two and Bracken for Pendleton holding the leaguers to three. However, the colored boys were weaker in the field. Krause struck out 15 men and Bracken six. Neither allowed a walk. The game was played in the fast time of 1 hour and 35 minutes.

**Wind Defeats Umatilla's Plan.**  
The heavy wind of yesterday defeated the plan of the citizens of Umatilla to pay Queen Muriel of the Rose Festival a pretty compliment. They had made all arrangements to send her a huge bouquet of roses so that she might wear roses from her home county. W. E. Pound of that place has some white Frau Carl Druski roses that viewers declare cannot be surpassed in Portland or elsewhere. The wind of yesterday however whipped them so badly that the buds and blooms were both so damaged that a creditable display could not be picked. The citizens of Umatilla are very much disappointed in not being able to carry out their plans but declare that when Queen Muriel returns, they will send her a bouquet just to prove the claims they have made for the beauty of their roses.
