WOMEN'S BUILDING AT UNIVERSITY OF OREGON IS PLANNED

FUND HAS REACHED OVER \$7,000 AND MORE DONATIONS ARE BEING MADE.

UNIVERSITY OF OREGON, Eugene, June 22.—The Women's Neighborhood Club of La Grande by making a donation of \$75 has just sent the fund which the women of the state are raising for a state women's building at the University of Oregon up past the \$7000 mark. This amount, however, does not represent the whole of the women's accomplishment in their effort to build this structure since Mrs. George T. Geringer of Dallas, was appointed the first woman regent the university has ever had, and immediately took hold of the campaign to raise \$100,000 by private subscription. There are numerous pledges that have been received to the effect that subscriptions will be forthcoming in amounts not stated, or a little later in the campaign or in conjunction with other subscriptions. The total financial effect of the first year of effort on the part of the women is estimated as the equivalent of raising \$20,000 towards the women's building.

An interesting feature of the women's campaign is the large amount raised by the undergraduate girls now in the university. This has already reached over \$1500, most of it acquired by the giving of concerts and other entertainments.

Greatly Benefited by Chamberlain's Liniment.

"I have used Chamberlain's Liniment for sprains, bruises and rheumatic pains, and the great benefit I have received justifies my recommending it in the highest terms," writes Mrs. Florence Silfe, Dabash, Ind. "If you are troubled with rheumatic pains you will certainly be pleased with the prompt relief which Chamberlain's Liniment affords. Obtainable everywhere.—Adv.

In the discussions about preparedness it has been prominently suggested that a belt line road be built around the United States near the seacoast.

Chamberlain's Colic, Cholera and Diarrhea Remedy.

This is a remedy that every family should be provided with, and especially during the summer months. Think of the pain and suffering that must be endured when medicine must be sent for before relief can be obtained. This remedy is thoroughly reliable. Ask anyone who has used it. Obtainable everywhere.—Adv.
