Strikers Return to Work.

SAN FRANCISCO, July 20.—The second strike of the River Bay boatmen ended. The men resumed work and accepted the conditions prevailing before the walkout. It was understood that strikebreakers will be eliminated.

SISTER: READ MY FREE OFFER!

I am a woman.
I know a woman's trials.
I know her need of sympathy and help.

If you, my sister, are unhappy because of ill-health, if you feel unfit for household duties, social pleasures, or daily employment, write and tell me just how you suffer, and ask for my **free ten days' trial** of a **home treatment** suited to your needs. **Men cannot understand women's sufferings.** What we women know from experience, we know better than any man. I want to tell you how to cure yourself at home at a cost of about 12 cents a week.

If you suffer from women's peculiar ailments causing pain in the head, back, or bowels, feeling of weight and dragging-down sensation, falling or displacement of pelvic organs, causing kidney and bladder weakness or constipation and piles, painful or irregular periods, catarrhal conditions and discharges, extreme nervousness, depressed spirits, melancholy, desire to cry, fear of something evil about to happen, creeping feeling along the spine, palpitation, hot flashes, weariness, sallow complexion with dark circles under the eyes, pain in the left breast, or a general feeling that life is not worth living,

I INVITE YOU TO SEND TODAY FOR MY FREE TEN DAYS' TREATMENT

and learn how these ailments can be easily and surely conquered at home without the dangers and expense of an operation. When you are cured, and able to enjoy life again, you can pass the good word along to some other sufferer. My home treatment is for young or old. To Mothers of Daughters, I will explain how to overcome [illegible], irregularities, headaches, and lassitude in young women and restore them to plumpness and health. Tell me if you are worried about your daughter. **Remember, it costs you nothing** to give my home treatment a ten days' trial, and does not interfere with daily work. **If health is worth asking for, then accept my generous offer and write for the free treatment,** including my illustrated booklet, "Woman's Own Medical Adviser." I will send all in plain wrappers postpaid. To save time, you can cut out this offer, mark your feelings, and return to me. Send today, as you may not see this offer again. Address,

MRS. M. SUMMERS. . . . . Box H, SOUTH BEND, IND.

COMPANY WILL BUILD BEET SUGAR FACTORY

MEDFORD, Ore., July 20.—The Sams Valley-Medford Beet Sugar Factory company has secured by purchase nearly 20,000 acres of fine sugar-beet land in Sams valley and between Medford and the Rogue river, which territory it will colonize with Russian-Germans from the sugar-beet districts of Colorado.

In the acreage thus obtained is a sufficient area of sugar-beet soil to supply beets for two sugar mills. It has been definitely settled that one of these factories will be erectd and operated next year.

Work of preparing the seed beds for sugar beets must begin in the fall. October 1 is set as the date on which work will begin in the Sams valley district this year. That portion of the lands secured in Sams valley not adopted to the production of sugar beets will be devoted to gardens and other field products by the colonists.

The Idaho-Utah Sugar company now erecting a sugar mill at Grants Pass, has also asked for a factory site near Medford, proposing to erect thereon a sugar mill next year.

The capital involved in the erection of these two mills will be upward of $1,200,000.

STOCK SANITATION IS AIM.

Special Committee Named to Aid Secretary of Agriculture.

WASHINGTON, July 22.—The secretary of agriculture has appointed the following named members of the Bureau of Animal Industry as an advisory committee on livestock sanitary affairs:

Dr. A. D. Melvin, chief of the bureau of animal industry, chairman; George M. Rommel, chief, animal husbandry division, bureau of animal industry; B. H. Rawl, chief dairy division, bureau of animal industry; Dr. R. A. Ramsay, chief, field inspection division, bureau of animal industry; Dr. R. W. Hickman, chief, quarantine division bureau of animal industry.

The committee will act in an advisory capacity on all livestock sanitary questions and will consider such matters as may be referred to it by the chairman or by the secretary. Also on its own initiative it will consider related questions, suggest means for the control and eradication of animal diseases and recommend such measures as seem suited best for livestock sanitary control work and for the general welfare of the animal industry.

THE VITAL QUESTION

IT STRIKES HOME

DEER BROUSE NEAR TOWN.

Two Bucks Enjoyed Feed of Oats on Farm at Lake Wapato.

GASTON, Ore., July 20.—The appearance of two deer quietly grazing in a field of oats on the Lake Wapato tract in full view of the townspeople created not a little interest and excitement here, especially among the numerous local sportsmen. They were three and four-point bucks, and were first seen on the J. B. Ward farm, just north of town, and made their way across the main county road into the lake grain fields.

Several in automobiles went near enough for a good view but the deer were not molested and remained.

FLYING AX HITS LOGGER.

Harry Laurance Dangerously Cut on Head by Implement.

BAKER, Ore., July 21.—A flying ax, catapulted by a falling tree, may cause the death of Harry Laurance of Prairie City, who is in a very serious condition.

Young Laurance was helping to fell trees in Logan valley, when the tree struck the ax handle and the implement sped through the air and struck him on the head. A deep gash was cut and it was feared he would bleed to death before getting help. He was taken to Warm Springs health resort and a doctor dressed his wounds.

TANKER LITTLE DAMAGED.

Gold Shell's Cargo Intact, Except for Little Leakage.

BORDEAUX, France, July 22.—The American tank steamship Gold Shell, which struck a mine off the mouth of the Gironde while on her way from Newport News for Bordeaux with a cargo of oil, has been examined and found not to have been damaged seriously.

The explosion occurred under the forehold. The cargo is intact, except for a small leakage from a few tanks.
