NEWS OF PENDLETON

Boys New Indek.

A 4-45 Buick was yesterday purchased of the Oregon Garage by V. A. Bott of Helix.

Fireman Gets Vacation.

The council voted to allow Fireman Bert Lovell a vacation of two weeks, beginning today.

New Principal Arrives.

Harry T. Drill, principal elect of Pendleton high school, has arrived from Yamhill. Mr. Drill has his work outlined for the year.

No Mid-Year Primary.

There will be no mid-year first grade class started at Fields school this year and all parents who intend to start children to school this fall are urged to do so on September 11.

Receive Carload Melons.

The Peoples Warehouse has received a carload of watermelons from Washington. A part of them were displayed yesterday morning on both sides of the grocery display window.

Moves to New Residence.

Mrs. William Roesch moved into her fine new home on Lewis street yesterday. The house formerly occupied by Mrs. Roesch has been taken by Mr. and Mrs. A. L. Schaefer.

Says Much Bust North Side.

A complaint was made to the council last night that some of the streets on the north side, especially Madison, were not being properly sprinkled and the streets as a consequence were very dusty.

Artesian Water Struck.

News that an artesian well flowing 200 gallons of water per minute has been tapped near Lexington, Morrow county, was received here this morning by M. L. Akers from W. D. Newlon of that place. This is the second artesian well discovered by Mr. Newlon.

Committee to Assist.

A motion was passed last night by the city council that Mayor Best appoint a committee to assist in the question of the parking of cars and providing camping places for automobiles during Round-Up. A number of places in the east end of the city have been offered for auto tourists to camp during the three days of the show.

To Move City School Office.

City School Superintendent A. T. Park appeared before the city council last night asking for suggestions as to where he should move his office. Furniture has been ordered for the present school superintendent's office and this room is to be occupied by the mayor of the city. The city hall committee will report on the proposition at the next meeting.

Footlights to Be Headlights.

Through the courtesy of William McMurray, general passenger agent of the O. W., six huge locomotive headlights with reflectors are on their way to Pendleton. These lights will be supplied with 500 candle power lights and used as foot lights for Happy Canyon stage. This is perhaps the most unique footlight any stage in the country can boast.

Sells Holdman Stock.

Arthur G. Means of Umatilla, who is soon to open a store at Doris, yesterday sold a large portion of the Fred McCrea merchandise stock at Holdman which he recently purchased from creditors. He sold the most of the groceries and the light hardware to Charles Vinson, a farmer of Holdman who plans to conduct the store. The balance of the stock he will move to Umatilla for the time being.

Committee Room is Open.

The committee room of the new library building will be used for the first time this evening. The room, large enough to accommodate a dozen people, is on the main floor near front of the building and overlooking the river. It is equipped with tables and chairs and may be used by any committee from any civic, social, literary or religious organization or any group of citizens. Notice should, however, be given the librarian a day in advance.

Cooler Today.

The temperature took a drop of six degrees today, the government thermometer registering 95 degrees at 2:30 o'clock. Cooler weather is predicted for tomorrow.

Five to Newark.

Chester A. Fee, star Pendleton athlete, will leave tonight for Newark, N. J., where he will compete for the Multnomah amateur athletic club in the national amateur athletic meet. Fee has been working out daily at Round-Up Park and is now in first class shape. He is looked to as a formidable contender for national decathlon honors. Fee will be joined there by Walter Hummel, star Multnomah hurdler. The men expect to return about October 1.

TRAINMEN WOULD ACCEPT LEGISLATION.

(Continued from Page 1.)

one-half for overtime—being more drastic in the last respect than the president's proposal—and providing a commission of three to report to congress on further legislation. Kitchen and Adamson said they would wait 48 hours for the senate to act in the railroad matter and that if action has not then been taken they will push their plan through the house.

Mails Depend on Strikers.

Postmaster Burleson said the question of whether mails would move during the strike entirely depended on the strikers.

He said: "If any train moves it will carry mail. If no train moves we'll make an effort to force mail movements. We can't force the men to move the mails except as a military necessity."

Santa Fe Has Crews Ready.

TOPEKA, Aug. 31.—The Santa Fe general offices announced that forty six train crews are stationed at division points ready to man the passenger, mail and express trains. Two crews are stationed at each twenty three division points ready to operate a train each way.

Yellowstone Hotels Close.

ST. PAUL, Aug. 31.—It is announced all Yellowstone Park hotels will close tomorrow on account of the unsettled transportation conditions.

Most young lawyers spend more time practicing economy than law.

A fool is a person who is not addicted to your own brand of folly.

NEW LIBRARY APPOINTEES.

(Continued from Page 1.)

clear they were refused admission to the council chambers by Street Commissioner John Heathman who stated that he was acting under instructions from the mayor.

Later in the evening when they asked the mayor for an explanation, he stated that at that time the council was in executive session. At the conclusion of the executive session, he states that he instructed the street commissioner to advise the ladies they could enter. They were waiting in the office of the city superintendent and declare they went into the council room as soon as told that they could. At any rate the appointments had been made before they entered and they did not learn of them until just before adjournment. The caucus lasted but a few minutes. The mayor stated his selections for the library board positions and asked if there were any other nominations from members of the council. There were none, according to the best information obtainable, and the executive session passed immediately into regular session, and the first thing done was the confirmation of the appointments. There were no dissenting votes. Motion for confirmation was made by Councilman Phelps who is a member of the library board.

At the conclusion of the meeting Mayor Best asked the ladies present if they had anything to take up with

BUICK

THE VOICE OF THE MAJORITY

Attainment by the Buick Car of high rank as a national institution is significant of the rewards which follow a notable public service.

In motor cars as in all who serve the nation the will of the majority prevails. The voice of the people is for Buick, and on this verdict Buick supremacy rests.

When miles are measured by the gallon, Buick gasoline economy is immediately proved beyond all argument.

This fuel-saving, with Buick power, speed and flexibility, indicates a quality of building which has made the Buick Car an important and a valued factor in our national greatness.
