Got Worse. Affected Ears, Neck and Face. Scratched Day and Night. Terribly Disfigured.

**HEALED BY CUTICURA SOAP AND OINTMENT**

"When four months old my boy suffered with blisters and a kind of scaly skin on his head. I got some Cuticura and he didn't seem to improve but got worse and his ears, neck, and face were affected. He scratched day and night the itching was so intense, and we had to keep his hands pinned the whole time. The skin was sore and inflamed and he didn't have a hair on his head. It was just a case of severe eruptions, and his face was terribly disfigured."

"He got so bad we had to keep a mask on his face. The trouble lasted for months, when a lady told my husband about Cuticura Soap and Ointment, and we got that. The third day I noticed a big improvement and in two weeks my boy was healed." (Signed) Mrs. H. A. Thiele, 268 Oak St., Milwaukee, Wis., Oct. 25, 1915.

**FASHION NOTES.**

A new hat trimming is heavy dark ribbon with light fancy ribbon woven in and out of it.

Never in all that is known of the fur business has there been such a tremendous vogue for furs.

A few jackets are made of contrasting materials; for instance, of golden brown silk velvet over navy taffeta skirts.

For bouffant dress effects the flimsy stuffs are, of course, chosen; for long-line draperies, velvet and other firm, rich fabrics are best.

Many dresses are built on the lines of the chemise; that is, the bodice portion extends to the hips and the skirt attached is of a contrasting color.

### COUNTY W. C. T. U. MEET AT WESTON

The annual Umatilla county convention of the W. C. T. U. held in the Methodist church at Weston was the largest and best convention ever held in eastern Oregon.

At 12:30 the delegates were ushered into the basement where a bountiful banquet was served and all enjoyed themselves for one and one-half hours.

The afternoon session began at 2 p. m. Devotional services were led by Mrs. Smith of Weston.

A vocal solo was given by Mrs. Leila Saling of Weston.

"How we can help in the campaign" was ably presented by the three Hellix delegates.

A paper "Effective State Work," by Mrs. J. C. Woodworth was very instructive.

Mrs. F. W. Watts of Weston, contributed a piano solo.

"Co-operation in County Uplift," by Mrs. W. S. Ahern of Milton was ably given.

"Our Publications," by Mrs. Sewell of Milton impressed every member that they should take the Union Signal, White Ribbon Review and the Young Crusader, for the children.

Several songs were sung from the W. C. T. U. campaign song book, after which the resolutions committee brought in the following resolutions:

We, your committee on resolutions, wish to express our thanks to the ladies of Weston for their royal entertainment, to those who furnished special music flowers and in any way contributed to the success of the convention.

We wish to express our appreciation of the faithful services of our president and other county officers.

We wish to heartily commend our State President Mrs. Jennie Kemp and recommend that we as a convention support her at the coming annual election.

We further recommend that we, as a convention, go on record as announcing the term, "Nursing Mother's Bill" as applied to the Brewer's amendment. Respectfully submitted—Resolution Committee.

**OYSTERS ONCE MORE.**

Every lover of oysters feels glad when he tears the August leaf from the calendar and realizes that another oyster season has arrived.

So many are the ways in which oysters can be served, that it is doubtful if any other food known to man has more recipes for its preparation, and what is best of all, every one of

### THE NEWEST REMEDY FOR Backache, Rheumatism and Dropsy.

Kidney, Bladder and Uric Acid troubles bring misery to many. When the kidneys are weak or diseased, these natural filters do not cleanse the blood sufficiently, and the poisons are carried to all parts of the body. There follow depression, aches and pains, heaviness, drowsiness, irritability, headaches, chilliness and rheumatism. In some people there are sharp pains in the back and limbs, distressing bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, and gout. This is the time to try "Anuria."

During digestion uric acid is absorbed into the system from meat, sugar, and even from some vegetables. The poor kidneys get tired and backache begins. This is a good time to take "Anuria," the new discovery of Dr. Pierce for kidney trouble and backache. Neglected kidney trouble is a responsible for many bladder disorders and sometimes obstinate dropsy. The uric acid sometimes forms into gravel or kidney stones. When the uric acid affects the muscles and joints, it causes lumbago, rheumatism, and gout. This is the time to try "Anuria."

Have you ever set aside a bottle of water for twenty-four hours? A heavy sediment of uric acid sometimes indicates kidney trouble. The true nature and character of disease, especially those of the kidneys and urinary organs, can often be determined by a careful chemical analysis and microscopic examination—this is done by expert chemists of the Medical Staff of the Invalids' Hotel. If you wish to know your condition send a sample of your water to Doctor Pierce's Invalids' Hotel, Buffalo, N. Y., and describe your symptoms. It will be examined without any expense to you, and Doctor Pierce or his staff of assisting Physicians will inform you truthfully.

**KNOW YOURSELF!**

Read all about yourself, your system, physiology, anatomy, hygiene, simple home cures, etc., in the "Common Sense Medical Advisor," a book of 1008 pages. Send to Dr. V. M. Pierce, Buffalo, N. Y., three dimes or thirty cents in one-cent stamps for a cloth-bound copy.

These can be depended upon to be gratifying to the taste.

**WOMAN AND WAR.**

A western woman doctor declares that women are physically fit for service at the battle-front. Probably some exceptional women may be, but are not the majority prone to ailments which make even household cares a burden? Hence the necessity for that great remedy which during forty years has done more than any other to relieve such ailments and mitigate the suffering of American Women—Lydia E. Pinkham's Vegetable Compound.—Adv.

**OYSTERS AND CELERY SALAD.**

Cook oysters in their own liquor until they begin to curl. Drain, chill and mix with cut celery, and add mayonnaise dressing. Garnish with celery tips.

**Worms Sap Your Child's Strength.**

Is your child pale and fretful? Does he cry out in sleep or grind his teeth? These symptoms may mean worms and you should obtain relief at once. Kickapoo Worm Killer is a pleasant remedy that kills the worm and by its mildly laxative quality expels it from the system. Worms sap the vitality and make your child more susceptible to other ailments. Your druggist sells Kickapoo Worm Killer, 25c a box.—Adv.

**Dave White Injured.**

Dave White, well known and popular cowboy, sustained a badly injured ankle yesterday while riding a fall-over horse at the trout at Round-Up park. The animal fell over with White once and the cowboy was ranked on beneath the horse. White mounted the bucked again and the second fall he suffered a cracked ankle. It is very doubtful if he will be able to compete in the Round-Up.

**A. C. Wydenor of North Yakima is in town.**

**"IF IGNORANCE is bliss, 'tis folly to be wise."**

Wrong, brother. "Ignorance" might mean that you didn't know about the OWL cigar. Of course the bliss comes from being an OWL "regular"—which is something the post didn't know anything about.
