**DOUBLE QUICK** Tapioca is true to name. It is extraordinarily quick in action and makes delicious and economical puddings. Diamond "W" Double Quick Tapioca maintains in every particular the high standard of the entire Diamond "W" line of pure foods. The housewife who will specify Diamond "W" products when placing her orders with her grocer will be assured the highest quality with the lowest price consistent therewith.

**THE HOUSEWIFE** is unquestionably deeply interested in pure food products. The great increase in the sales in the Pacific Northwest of DIAMOND "W" PRODUCTS during the past 10 years proves this conclusively. It is not necessary to urge the merit of these goods upon those who have given them a trial. But we do want to say a word at this time to those who are unacquainted with DIAMOND "W" PRODUCTS, and who are accordingly unaware of the untiring effort, the unflinching determination, and the consequent great success that has attended our efforts to produce the purest and the very highest quality goods that it is possible to manufacture.

Diamond "W" Products stand for the best—nothing less. We were the pioneers in Steel Cut Coffee on this coast. Diamond "W" Coffee is not only a leader in this respect, but in flavor, in purity, in the perfection of the blend, in uniformity, in strength, we believe it to be the best coffee that can be made. This is a strong statement, but the goods will justify it. Diamond "W" Baking Powder is manufactured with the same care and with the same ideals. It is a pure phosphate leavener, and produces light, sweet, digestible, healthful foods. It is endorsed by physicians, chemists and bakers.

A few of our extensive line of DIAMOND "W" PURE FOOD PRODUCTS are shown on this page. Back of every one of these products stands a firm long established in this state, strong financially, and of sterling worth and integrity. These goods are manufactured in Portland. They are the equal or the superior of the same line of goods manufactured elsewhere. Women of Oregon should buy DIAMOND "W" PURE FOODS, first, because of their superior quality, and second, because they are manufactured locally. If you have never tried any of the DIAMOND "W" LINE, specify them the next time you place an order with us. You will be delighted with the delicious taste and fragrant aroma of DIAMOND "W" COFFEE. Ask us for the Cake Filler, the Fruits and Vegetables and the Jelly Powder. After you have given DIAMOND "W" PURE FOODS a trial, you will never be satisfied with anything else, and you will save money besides.
