### LAUNDRYMEN PRESENT SILVER COFFEE SERVICE

Mr and Mrs. J. F. Robinson Are Recipients of Handsome Gift in Appreciation of Hospitality.

As an appreciation of the hospitality shown them, the laundrymen who are here attending the Round-Up last night presented Mr and Mrs. J. F. Robinson with a beautiful silver coffee service. The funny part of it is that Mr. Robinson almost helped to pay for his own present. Last evening he entertained a number of the visitors at his home at a dinner party. Following the dinner James Welch, the Hawaiian orchestra and the remaining laundrymen quietly slipped over to the Robinson home and serenaded the party.

During yesterday afternoon Mr. Robinson had contributed to a fund supposedly for the purpose of giving a present to John Tait of Portland. Last night "Rimrock" Warriner, veteran laundryman of the Pacific coast, after commencing on an eulogy upon Tait turned his remarks and ended up with presenting the service to Mr. and Mrs. Robinson.

Opening up the coffee pot, Mr. Warriner poured out into Robinson's hand the money he had contributed to his present.

As understudies, Messrs. Fairbanks and Marshall are great silent drama actors.

### MRS. SANGER TO ESTABLISH BIRTH CONTROL CLINICS

MRS. MARGARET SANGER.

NEW YORK, Sept. 22.—Mrs. Margaret Sanger, whose trial on a charge of disseminating birth control literature, created a stir all over the country a few months ago, has announced plans to open birth control clinics in New York and Brooklyn.

Dr. Frederick Bronson, former manager of the Associated Charities of Cleveland, will have charge of the work here. Mrs. Sanger has just returned from a coast to coast lecture tour and says that the fifth birth control league which she has founded in various cities are growing in numbers and influence.

Regarding her plans, here, she said: "I expect that the police will try to prevent us from helping the wives of poor workmen to limit the size of their families so therefore we are going to start quietly and collect statistics to present to the next session of the legislature in this state which will horrify them and I am sure that they will repeal the law now on the books of this state prohibiting the dissemination of birth control knowledge."
