

Women of Larger Proportions Can Find Here DRESSES and WAISTS to Fit

Another stride in the progress of the Women's Ready-to-Wear industry is the perfection with which garments are now being made for larger women, who heretofore found it impossible to be properly fitted with waist or dress.

WE HAVE A WELL SELECTED ASSORTMENT OF DRESSES, both of serge and silk, made in the newest styles with lines especially adapted for stout figures.

THE COLORS are black satin, navy serge and charmeuse and taffeta in the new popular shades.

THE WAISTS are in newest tailored styles, of white or navy blue crepe de chine, vari-colored striped tub silk and taffeta. The bust and waist measures run as large as 52 and 38 inches respectively, while extra large sleeves and extreme length from shoulder seam to waist add to the efficiency in fitting.

STOUT SIZE DRESSES..... \$11.75 TO \$35.00
STOUT SIZE WAISTS \$3.95 TO \$7.50

SPECIAL

We bought the display of Fruits and Vegetables shown here by Hermiston in the "Hay Palace." THEY ARE NOW ON SALE IN OUR PURE FOOD DEPARTMENT IN OUR SANITARY BASEMENT. You'll find the prices to be very moderate.

THINGS YOU NEED

Attention to the little details of the toilet mark the well dressed woman. To buy little things does not take much money, but they fill big wants in woman's dress. Do you not need a new comb for your hair, pins for your hats, gloves "to match," neckwear, handkerchiefs, hosiery. Many little things? Our supply of the little things you need is great. Come to us first and you'll not need to hunt elsewhere for dress accessories.

Socially PERSONAL

Miss Helen Gregg and Miss Lella Coyle of Portland went to Walla Walla this morning to visit for a few days. They will return to Pendleton Wednesday.

Principal A. C. Hampton of the La Grande High school, formerly of Pendleton, and Superintendent McCullough were among the La Grande people aboard the special from that city Saturday.

The Maccabees' Social Club will meet tomorrow afternoon at the home of Mrs. Kenneth McRae on the North Side. All members are urged to be present.

Mrs. Fred Clarke of Ellensburg was a guest during the Round-Up of her parents, Mr. and Mrs. Bert Johnson.

Mrs. Younger who was a visitor here during Round-Up, has returned to her home in Portland.

Miss Edna Thompson left yesterday for Oakland, Cal., to resume her studies. She will visit in Portland a short time en route.

Miss Belle Tait, who has been a guest of Mr. and Mrs. J. F. Robinson for the past several months, left Sunday for her home in Portland.

Mrs. Robert Townsend, who was a house guest of Mrs. Willard Bond during the Round-Up, returned yesterday to her home in Portland.

Mr. and Mrs. Edgar Smith and Mrs. Thomas Vaughan of Portland have returned home after witnessing the Round-Up.

Mrs. Adam Ruppe returned yesterday to Portland after having visited here for a short time en route home from an extended Canadian trip.

John Shockley of Prairie City was a Round-Up visitor in Pendleton.

Mrs. Sara Roulstone of Walla Walla was a Saturday guest of Mrs. W. M. Blakely.

Ted Martin of Walla Walla, was over from that city Saturday for the big show.

Mrs. C. J. Broughton of Dayton, Wash., returned to her home this morning.

Fred Norris returned to Dayton, Wash., this morning after attending the Round-Up.

Mr. and Mrs. R. B. McEwen of Athena spent three days at the Round-Up.

P. C. Harley, chairman of the Astoria Regatta, returned to Portland Sunday morning after spending three days at the Round-Up.

Col. Potter, one of the chief government engineers of the northwest, was a guest of Mr. and Mrs. A. Phinley Proctor during the Round-Up.

Lieutenant Herbert Roesh, who visited relatives here during the Round-Up, and his companion, Lieutenant Renicke have returned to their ship at Bremerton.

CAME FROM CUBA JUST TO SEE THE ROUND-UP

All the way from Cuba came one of the visitors at the Round-Up just closed and he had no other purpose for visiting this country except to see the great frontier celebration for which Pendleton is famous. He is T. E. McDonna of Guayama, province of Comakuey and he has been the owner of a sugar plantation in Cuba for the past 14 years.

To say that he is enthusiastic over the Round-Up is to express his satisfaction mildly. It took him 12 days to make the trip to Pendleton and he arrived last Wednesday night. He occupied a box during the three days and this morning he declared that there is no show anywhere in the world to compare with the Pendleton Round-Up. "Unless I am farther away than I was this year," he said, "I will be back in 1917."

Mr. McDonna is remaining in Pendleton for a few days to see the city under normal conditions and to meet a few of the citizens. "This certainly is a some little city," he said, "but I could find anybody here last week but visitors." He became interested in the Round-Up last fall through his friend, Bob Duncan, a traveling salesman who visited his plantation just after having attended the 1915 Round-Up.

Loss of Vitality is loss of the principle of life, and is early indicated by failing appetite and diminishing strength and endurance. Hood's Sarsaparilla is the greatest vitality—It acts on the organs and functions, and builds up the whole system.—Adv.

FORECAST FOR WEEK BEGINNING SUNDAY, SEPT. 24

WASHINGTON, Sept. 25.—Pacific States: The weather will be fair in California and overcast in the North Pacific states; there will probably be rains in the North Pacific states by the middle of the week. Temperatures will be near the seasonal average.

Rocky Mountain and Plateau Regions: Showers at the beginning of the week over the Rocky mountain region will be followed by generally fair weather in this district until about Thursday of Friday, when the weather will become unsettled with probably local rains. Temperatures will average near the normal.

AVIATOR'S LEG SMASHED BUT IT WAS ARTIFICIAL

PARIS, Sept. 25.—Flight Adjutant Tarascon, officially reported yesterday to have brought down his fifth German aeroplane, recently had a leg smashed by a shell splinter while in flight. He was able to land without assistance and to resume flying as soon as he had obtained a new leg. The smashed leg was an artificial one, the aviator having lost a leg in an aeroplane accident some time before the war.

Flight Lieutenant de Rochefort, who belongs to one of the oldest families in France, and who brought down his sixth German aeroplane on Saturday has been posted as missing.

How to Heal Skin-Diseases

A Baltimore doctor suggests this simple, but reliable and inexpensive, home treatment for people suffering with eczema, ring worm, rashes and similar itching, burning skin troubles.

At any reliable druggist's get a jar of resinol ointment and a cake of resinol soap.

These are not at all expensive. With the resinol soap and warm water bathe the affected parts thoroughly, until they are free from crusts and the skin is softened. Dry very gently, spread on a thin layer of the resinol ointment, and cover with a light bandage—if necessary to protect the clothing. This should be done twice a day. Usually the itching and burning stop with the first treatment, and the skin soon becomes clear and healthy again.

Almost any soap will clean the skin and hair. But those who want a soap which not only cleanses but actually helps the complexion and hair are wise to choose resinol soap.

ANSCO CAMERAS & SPEEDEX FILM

DON'T let another summer go by without an AnSCO. It will add more to the pleasure of your outings than anything else. All winter and long afterwards you can live over again with your pictures those good summer days. Let us show you the AnSCO line. \$2 to \$55.

Tallman & Co. Leading Druggists

Pendleton's Greatest Department Store

THE PEOPLES WAREHOUSE

Where It Pays To Trade

TWENTY-FIVE KILLED WHEN THIS GREAT SPAN FELL

Canadian cabinet officers and officials on a gala day saw twenty-five workmen killed when this great central span of the \$17,000,000 Quebec bridge over the St. Lawrence river broke loose and plunged to the bottom, 200 feet below. It was the second accident on the bridge, the first nine years ago, when another span fell, having resulted in the death of eighty-four workmen.

The bridge was built for the purpose of shortening the railway journey across the continent by about 200 miles. It was to be used by eight railways, the C. P. R., Grand Trunk, Delaware & Hudson, Intercolonial, Quebec Central, Quebec & Lake St. John, Quebec & Saguenay and Canadian Northern.

The principal dimensions of the bridge are: Length, from shore to shore, 3829 feet; length of central trestles, 1800 feet; length of central span, 640 feet; height of central span, 640 feet; height of central span above river, 150 feet.

bridge are: Length, from shore to shore, 3829 feet; length of central trestles, 1800 feet; length of central span, 640 feet; height of central span, 640 feet; height of central span above river, 150 feet.

STREET CAR RUNS AWAY DOWN GRADE—4 INJURED

Brakes Fail to Work Following a Collision—Two of Injured Men May Die.

OMAHA, Sept. 25.—A Benson street car brakes failed following a collision and the car ran wild twenty blocks down grade. It jumped the track, smashed a pole and turned over twice. It was completely demolished. Six were injured, two probably fatally.

Opens Recruiting Headquarters.

Captain Lee Clark has opened army recruiting headquarters in the Commercial association rooms for Oregon, Washington, California, Montana, Idaho and Utah troops now on the border. Captain Clark and his staff will be here a week.

Charity is a cloak that may cover a multitude of queer performances.

HOW MEN WHO SERVE IN PRISON "BEAT BACK"

NEW YORK, Sept. 23.—Henry Siegel proposes to demonstrate that it is possible to "beat back," and in an avowed effort to regain his fortune and repay his creditors, the former ward of mercantile has reopened a store in the heart of New York city. At one time Siegel had immense interests in New York, Boston, Chicago and elsewhere, but his balloon collapsed, after which he went to prison and served a sentence. Another prominent New Yorker who has "come back" is Morse, the former banker and ice king, who was pardoned from Atlanta prison by President Taft because "he could not possibly live six months." He is reported to be very wealthy. A suit has been entered against him for \$100,000 by a man who claims to have been responsible for securing the pardon from prison. The plaintiff says that all he ever got for his services was a bouquet of flowers. Mr. Morse intimates that that was about all the man ever earned.

Most women put on new clothes for the purpose of showing them off.

To Learn Bread Weights.

J. A. Yeager, sealer of weights and measures for eastern Oregon, and republican candidate for assessor of Umatilla county, has been requested by the state department to get the average weight of bread from the various bakeries in his territory.

Although the state gave no reason for wanting the information Mr. Yeager believes the data is to be used in future legislation, making a standard net weight loaf of bread. The high price of flour has already brought this subject before the public in many of the eastern cities.

Mr. Yeager leaves today for La Grande and Baker to continue his investigations. He says that thus far he has found the weight for bread loaves varies greatly but that the average weight of the bread from one bakery is about the same as from another bakery.

Came Far for Round-Up.

Perhaps the man who traveled furthest to attend the Round-Up is G. R. Ritchie of Dunedin, New Zealand, who arrived Friday to attend the show. He was prevailed upon to make the trip by western railroad men.
