Fashions Through the Looking Glass.

RITA JOLIVET, MOROSCO-PARAMOUNT STAR.

One must be grateful to Miss Rita Jolivet, Morosco-Paramount star, for showing us both sides of the picture of this charming negligee. Even cloud purple chiffon should have a silver lining, which is supplied in this costume by a pointed tunic of brocaded satin, which also asserts itself in a broad collar and a brettelette which crosses from the left side to the right shoulder. The tunic is of accordion pleated chiffon of the same shade as the tunic. What one does not see are the purple-tasseled mules (this screen star wears when she is in her boudoir).

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath and stomach, lame back, etc., instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.
